

Lafayette “Change-Over” Policy

Resident “change-over” (the orderly transition of one resident team with another) will always occur on the first Saturday of each change over month unless otherwise notified. The Lafayette Chief residents (coming and departing) will share call for the day, with the change over time on the call schedule at 10:00 am unless otherwise notified. A chief resident will remain in Lafayette until:

- the replacement **chief** resident arrives
- all in house patients are discussed and **seen** on rounds
- all consults have been **seen**
- keys are exchanged

Any exceptions to this policy must be supported by sufficient extenuating circumstances and be approved in advance by Dr. Rigby or Dr. Nuss.
