About Camp Tiger

Camp Tiger is a week-long, summer day camp for children who are physically, cognitively, or emotionally challenged. It is run by the freshman class of the LSUHSC School of Medicine. With the students as counselors, campers spend the entire day going to fun places like the zoo, the aquarium, and the Children’s Museum. This opportunity is free for the campers and made possible by the generous support of people like you. Please help us in our fundraising efforts and consider participating in the 2010 Camp Tiger Golf Tournament so that we can continue providing this amazing experience for the children.
