# A Message from the Dean

## A Message from the Dean

As you are all very much aware there are significant “changes” coming to the LSU hospital system – the hospitals that at one time provided exceptional training opportunities for our students and much needed care for our patients. However, an endless stream of budget reductions has taken its inevitable toll on these facilities. When I first arrived at LSU in 1984, Charity Hospital had over 1,000 patient beds. Most recently, that number has hovered around 200. Not only does this limit the access of our patients to much needed medical services, but it adversely impacts the education and training of our students and house officers. As Sir William Osler stated, “He who studies medicine without books sails an uncharted sea, but he who studies medicine without patients does not go to sea at all.”

These new partnerships will provide us the opportunity to improve and expand our training programs and provide access for our students and trainees to state-of-the-art facilities and technologies. Most importantly, we will have an increased capacity to care for the underserved and the uninsured. Although it has been questioned by some, LSU will not abandon its core mission to provide these essential safety-net services and the best of care for all of our patients.

Sincerely,

A handwritten signature in black ink that reads "Steve Nelson". The signature is written in a cursive, slightly slanted style.

Steve Nelson, MD, Dean

### To the Alumni Office

*I'd like to thank you and the alumni association for granting me this scholarship. It is a generous sum that will greatly assist me in paying for school.*

*My time at LSU has been challenging and rewarding. I'm excited about a career in psychiatry and hope to give back to the community that has supported me. Please inform the alumni if they need care for their mental health in four years....*

*Thank you....*

## To the Alumni Office

*I want to thank you and the Alumni Association for having chosen me as the fourth-year student to receive this year's scholarship. It was a very pleasant surprise to find that notification in my e-mail, and it will certainly be put to good use as I wrap up my interview travels and prepare for the transition into life as a resident.*

*Thanks again!*

## The Colin D. Goodier, MD, Memorial Scholarship Award

This award was established by the Goodier Family to honor their son, Colin, a 2005 graduate of the LSU School of Medicine.

Ryan Rebowe, the recipient of this year's Colin D. Goodier, MD, Scholarship Award.

In 2008, while a plastic surgery/general surgery resident and training for the New Orleans Half Marathon, he was hit & killed by a truck while cycle training in Baton Rouge. Because of this tragic event, the Colin Goodier Bicycle Protection Act was legislatively passed in 2009.

This year's Goodier Scholarship was awarded to Ryan Edward Rebowe, Class of 2013. Ryan was chosen by the selection committee because of his outstanding academic achievements, but also because of his participation in community service activities like the MDA's Camp Sunshine and his zest for life as evidenced by his participation in the New Orleans Men's Dance Club, the 610 Stompers.

Congratulations Ryan and many thanks to the Goodier family.

# Faculty News

*Kim Edward LeBlanc*, professor of orthopedics who heads family medicine and rural education at LSUSM-NO, is one of ten recipients of the 2012 Robert Raszkowski, MD, PhD, ACCME Hero Award. Presented by the Accreditation Council for Continuing Medical Education, the award honors extraordinary commitment and generosity of time and expertise in enabling the council to fulfill its mission of setting standards for quality continuing medical education, and assuring that accredited providers meet those standards.

Dr. LeBlanc, the only recipient from Louisiana, has worked with the Accreditation Council of Continuing Medical Education since 2001, serving on the board of directors since 2010.

## Professorship of Endourology to be established

To honor the distinguished career of **Joseph Macaluso** (’79), LSUHSC-NO is pleased to announce the campaign to establish the Joseph N. Macaluso, Jr., MD, FACS Professorship of Endourology. It is a fitting tribute to Dr. Macaluso’s 30-plus years as an educator, mentor and physician. Dr. Macaluso is an internationally renowned, highly respected and frequently consulted expert in the field of urological conditions. He was the first designated head of endourology in the Department of Urology in the 1980s. His contributions are significant in the diagnosis and treatment of stone disease, incontinence, BPH, prostate cancer and minimally invasive surgical techniques for a wide array of urological conditions. Dr. Macaluso has received numerous accolades, including being named by the publication Best Doctors in America.

*Dr. Macaluso*

Dr. Macaluso received his undergraduate degree in Biology from the University of New Orleans, LA, and his medical degree from LSUSM-NO. He underwent residency training in General Surgery, Nephrology/Renal Transplantation, and Dialysis. He completed his resident training in Urology on the LSU Service of Charity Hospital of Louisiana at New Orleans. Dr. Macaluso served on the Medical Alumni Association Board of Directors for 12 years. He is still a member of the Foundation Board of Directors, where he has served for 20 years. He was the Chairman of the Foundation Board from 2004-2006; before, during and after Hurricane Katrina.

The relationship between the alumni and the Foundation has always been particularly important to the continued success of the LSUHSC. The goal is to raise \$100,000 for the endowed Professorship honoring Dr. Macaluso. This type of discretionary support is vital to the continued excellence of the LSUHSC’s medical education and research programs. Despite budget cuts, our success is driven by the activities of our first-class faculty and the achievements of our many illustrious alumni, friends, and grateful patients of the University and the Department of Urology.

*Donations can be made payable to the Foundation by check or credit card and sent to LSUHSC Foundation, 450A S. Claiborne Ave., New Orleans, LA 70112, or online at [www.lsuhealthfoundation.org](http://www.lsuhealthfoundation.org). The Foundation is a 501 C-3 nonprofit organization and all donations to Urology through the Foundation are tax deductible. Please make a note that the donation is intended for the Macaluso Professorship. If you have questions please call (504) 568-5727.*

# From your Alumni Office. . .

## Dear All,

Greetings on behalf of the Medical Alumni Office. 2012 has been a great year in so many ways. The 7<sup>th</sup> Annual Purple & Gold Gala was well attended and produced substantial revenues that continue to offset the remaining debt on the Russell C. Klein, MD, Center for Advanced Practice. I expect that the debt will be retired in the next year, and onto a new project for the Alumni Association.

Your continued support, financial and political, is more important now than ever before. The School of Medicine receives less than 10% of its budget from the state general funds and thus depends on contributions from alumni to support student activities like Match Day, Special Topics lunches for students, Camp Tiger, Student Run Homeless Clinics and on and on.

We are now gearing up for Reunion Weekend, which will be held at our usual location, the New Orleans Hilton Riverside, on June 7<sup>th</sup> and June 8<sup>th</sup>, 2013. This year's event will honor the classes of '48, '53, '55, '58, '63, '68, '73, '78, '83, '88, '93, '98, '03.

Our 8<sup>th</sup> Annual Purple & Gold Gala is set for Friday, October 11, 2013, and will be themed "Cruisin' on the USS Tiger." So mark your calendars and "Come Sail the High Seas with the Purple & Gold."

As always, thanks for supporting your Alma Mater —where we all received a great education at bargain-basement prices. Please feel free to call or stop by this office when you are in town. I would love to show you around our great campus.

Sincerely,

A handwritten signature in black ink that reads "Cathi Fontenot".

Development
