

Curriculum Vitae

Name: **Hernan Antonio Bazan, MD**

Business Address: Academic
Louisiana State University Health Sciences Center
School of Medicine, Department of Surgery
1542 Tulane Avenue, Room 733
New Orleans, LA 70112

Patient/Clinic Office
Vascular/Endovascular Surgery
2820 Napoleon Avenue, Suite 700
New Orleans, LA 70115

Business Telephone and Telefax: Academic: (504) 568 4750; (504) 568 4730 (f)
Clinic: (504) 412 1310; (504) 899 8496 (f)
Vascular Nurse (RN): (504) 259 6621

Business email Address: hbazan@lsuhsc.edu

Birthdate and Birthplace: 9 January 1972
Bahia Blanca, Buenos Aires - Argentina

Spouse and Children: Jasmine Elison, MD
Children:
Chiara Dora Bazan
Ariana Maya Bazan

Citizenship: United States of America

Education:

Undergraduate:
1990 – 1994 Vanderbilt University, Nashville, TN
College of Arts and Sciences, BS

Graduate/Medical:
1994 – 1996 Louisiana State University School of Medicine
New Orleans, LA

1998 – 2000 Georgetown University School of Medicine, Washington, DC
Doctor of Medicine

Internship:
2000 – 2001 The Mount Sinai Hospital, New York, NY
Department of Surgery, General Surgery Residency Program

Residency:

- 2001 – 2004 The Mount Sinai Hospital, New York, NY
Department of Surgery, General Surgery Residency Program
- 2004 – 2005 The Mount Sinai Hospital, New York, NY
Chief Resident, General Surgery

Post-Doctoral Fellowships:

- 1996 – 1997 Howard Hughes Medical Institute - National Institutes of Health
Research Scholar
- 1997 – 1998 Howard Hughes Medical Institute - National Institutes of Health
Advanced Research Scholar

Clinical Fellowships:

- 2005 – 2007 Yale-New Haven Hospital, New Haven, CT
Yale University School of Medicine
Department of Surgery, Section of Vascular Surgery

Certification:

- 2006 – 2016 American Board of Surgery, Certified in General Surgery
- 2008 – 2018 American Board of Surgery, Certified in Vascular Surgery

Licensure, State:

- 2007 Louisiana State Medical Board (Active)
- 2006 Connecticut State Medical Board (Inactive)
- 2002 New York State Medical Board (Inactive)

Academic, Professional, and Research Appointments

Academic Appointments:

- Louisiana State University Health Sciences Center (LSUHSC)
New Orleans, LA – School of Medicine
- 2007 – Present Assistant Professor of Surgery, Section of Vascular
Surgery, Department of Surgery
- 2007 – Present Director, Medical Student Surgery Clerkship, Department
of Surgery
- 2007 – Present Adjunct, Assistant Professor of Pharmacology and
Experimental Therapeutics
- 2007 – Present Cardiovascular Center of Excellence

Professional Appointments:

Louisiana State University Health Sciences Center (LSUHSC)
New Orleans, LA – School of Medicine

2009 – 2011	Clinical Liaison Representative to the Administrative Council (Elected delegate)
2009 – Present	Research Advisory Committee
2008 – 2011	Faculty Assembly (Elected delegate)
2008 – Present	Clinical Mentors Program, Faculty, School of Medicine
2008 – 2009	LCME Self-Study Committee on the Educational Program Leading to the MD Degree at LSUHSC School of Medicine
2007 – Present	Director, Medical Student Surgery Clerkship
2007 – Present	Junior-Senior Student Promotions Committee, Member

Research Appointments:

National Institute of Allergy and Infectious Diseases (NIAID), National Institutes of Health (NIH)

1998	Committee Member, NIH/NIAID Intramural Virology Research Grants
1997 – 1998	Pre-Intramural Research Training Award Laboratory of Virology, Section of Molecular Immunology – NIAID, NIH

Membership in Professional Organizations:

2008	Society for Vascular Surgery
2008	International Society for Vascular Surgery
2008	Association for Surgical Education
2008	Peripheral Vascular Surgery Society
2008	American Heart Association
2008	American Stroke Association
2008	Gulf Coast Vascular Surgery Society
2006	Yale Surgical Society

- 2005 The Arnold P. Gold Foundation
2004 Alpha Omega Alpha (**AOA**)
2004 American College of Surgeons

Awards and Honors:

- 2008 ***New Orleans City Business Innovator of the Year Award*** (one of 50)
for minimally invasive treatments for patients with peripheral arterial
disease (PAD)
- 2005 ***The Arthur H. Aufses, Sr. Award in Surgery***
Mount Sinai School of Medicine, Department of Surgery
“For scholarship, integrity, concern for patients and outstanding ability as a
teacher”
Awarded by the surgical faculty
- 2005 ***The Arthur H. Aufses, Jr. Award***
Mount Sinai School of Medicine, Department of Surgery
“For demonstrating overall excellence in surgical mentorship”
Awarded by fellow Junior surgical residents
- 2005 ***Arnold P. Gold Foundation Humanism and Excellence in Teaching
Award Outstanding Resident Role Model***
Awarded by the Mount Sinai Medical School Class of 2006
- 2004 Alpha Omega Alpha (**AOA**)
Elected by the AOA Medical School Class of 2005, Mount Sinai School of
Medicine
Re-Nominated by Mount Sinai AOA Medical School Class of 2006
- 1998 – 2000 ***HHMI Research Award for Continuing Medical Studies*** (\$60,000)
Howard Hughes Medical Institute – National Institutes of Health (HHMI-
NIH) Research Scholars Program

Teaching Experience/Responsibilities: (must include some narrative description)

Course/Clerkship/Residency or Fellowship/CME Directorships

- 2007 – Present Director, Medical Student Surgery Clerkship
Third and Fourth Year Medical Students
LSUHSC – New Orleans, School of Medicine

Overseeing the evaluations, teaching, curriculum development, clinical
rotations and overall quality control of the third year Surgery Clerkship.
Major role is the mentoring of students interested in surgery and/or an
academic career in medicine.

Curriculum Development/Implementation

- 2008 – 2009 LCME Self-Study Committee on the Educational Program
Leading to the MD Degree at LSUHSC School of Medicine
- Participated in the preparation and presentation of the curriculum
assessment for the LCME visit to the School of Medicine – November
2009

Formal Course Responsibilities – Lecture, Lab, Seminar/DxR/Ethics (all schools and all levels, undergraduate, graduate, resident, fellow, post-doctoral instruction; note number of hours/year and number of years involved in aggregate)

School of Medicine

- 2007 – Present **Cohn's Conference** (weekly surgical case discussion facilitated by a faculty member); 4 – 8h per year
- 2009 – Present Didactic lecture to third year medical students on '**Vascular Disease – Aneurysms, Cerebrovascular, Peripheral Arterial Disease, and Venous;**' 4h per year
- 2008 – Present **Mentorship** (small group 4 – 5 3rd year medical students)
Weekly mentoring of four-to-five third year medical students during the Surgery Clerkship via small group format; 48h per year
- 2008 – Present Second Year medical student class – DxR lecture on '**Aortic Dissection;**' 1h per year
- 2007 – 2009 Didactic lecture to third year medical students on '**Acute Abdomen**' based on *Cope's Early Diagnosis of the Acute Abdomen*; 4h per year

Teaching Awards:

- 2005 **The Medical Student Teaching Award**
Mount Sinai School of Medicine, Department of Surgery
Senior Resident
Awarded by the Mount Sinai Medical School Class of 2006
- 2005 **The Arthur H. Aufses, Jr. Award**
Mount Sinai School of Medicine, Department of Surgery
"For demonstrating overall excellence in surgical mentorship"
Awarded by fellow Junior surgical residents
- 2003 **The Medical Student Teaching Award**
Mount Sinai School of Medicine, Department of Surgery
Junior Resident
Awarded by the Mount Sinai Medical School Class of 2004

2001 **The Medical Student Teaching Award**
Mount Sinai School of Medicine, Department of Surgery
Junior Resident
Awarded by the Mount Sinai Medical School Class of 2002

Post-Residency Fellows Trained:

Vascular Surgery Fellows
2007 – 2008 Joseph Griffin, MD
2008 – Present Bruce Torrance, MD
2009 – Present London Guidry, MD

Grants and Contracts: (note role on grant; i.e. PI, co PI, consultant, etc)

Funded:

2007 – 2008 National Institutes of Health- National Center for Research Resources
(NIH-NCRR), NIH P20 RR018766
Developing Investigator
'Role of inflammatory mediators in carotid plaque instability' – \$97,100
per year

2008 – 2009 NIH-NCRR, Center of Biomedical Research Excellence (COBRE)
"Mentoring in Cardiovascular Biology" totaling \$10.6M
NIH P20 RR018766, Competitive renewal
Developing Investigator
'Inflammatory mediators lead to carotid plaque instability' – \$75,000 per
year

Inventions and Patents:

Murphy, Berger, Alkhatib, **Bazan**, and Bonner. "Chemokine Receptor CCR8 cDNA and Uses Thereof." PCT Patent Application WO 99/06561, 11 February 1999

The susceptibility of target to HIV infection depends on cell surface expression of the human CD4 molecule and CC chemokine receptor 8 (CCR8)

Papers Presented at Regional/National Meetings after Peer-Review:

1. **H Bazan** 'Urgent Carotidarterectomy for stroke-in-evolution' in Association of Program Directors in Vascular Surgery; Washington, DC 2006.
2. **H Bazan** 'Single Institution Experience with Urgent Carotidarterectomy for Acute Cerebrovascular Events' in 22nd Annual Vascular Fellows Meeting; New York, NY 2006.

3. **H Bazan** 'Management of acute limb ischemia: Angioplasty/stenting versus Embolectomy/bypass' in 17th Annual Peripheral Angioplasty and All that Jazz Meeting; New Orleans, LA 2008
4. **H Bazan** 'Inflammation and Diminished Omega-3 Fatty Acids Characterize Unstable Carotid Plaques' in 33rd Annual Meeting – Southern Association for Vascular Surgery; Tucson, AZ 2009.
5. **H Bazan** 'Does Clinical Performance Assessment Grounded in ACGME-Core Competencies Enhance Assessor Discrimination? A Two-Year Comparative Study' in Association of Surgical Education Annual Meeting; Salt Lake City, UT 2009
6. **H Bazan** 'Management of a Thoracic Aortic Coarctation Presenting as Severe Hypertension and Increasing Dyspnea on Exertion' in 34th Annual Meeting – Southern Association for Vascular Surgery, Bahamas 2010.

Seminars and Invited Presentations:

1. Ochsner Dept of Cardiology Monthly Peripheral Vascular Conference: 'Carotid surgery or stenting for acute stroke: Role of MoMA flow reversal' – 5 September 2007
2. LSUHSC School of Medicine, Dept of Pharmacology/Cardiovascular Center of Excellence – CoBRE Workshop in Progress: 'Are inflammatory mediators involved in carotid plaque instability and rupture?' – 1 November 2007
3. LSUHSC School of Medicine, Dept of Neurology Grand Rounds – 'Optimal Approach to Carotid Occlusive Disease in 2007: CEA, CAS, or Medical Treatment?' 8 November 2007.
4. Ochsner Dept of Cardiology Monthly Peripheral Vascular Conference: 'Endoluminal management of non-maturing arteriovenous fistulae: Use of cutting balloons' – 22 January 2008
5. Touro Infirmery, LSUHSC School of Medicine, Dept. of Medicine Weekly Conference: 'Carotid Occlusive Disease in 2008: Carotid endarterectomy or carotid stenting?' 8 April 2008.
6. LSUHSC School of Medicine, Dept. of Medicine, Section of Cardiology: 'Endovascular Management of Infra-Inguinal Disease: 2008 Update' 4 April 2008
7. Touro Infirmery Grand Rounds: 'Management of PAD in 2008: Is There Still a Role for Open Surgery?' 29 May 2008
8. LSUHSC School of Medicine, Dept. of Medicine, Section of Nephrology: 'Endovascular Management of Threatened AV Access: 2008 Update' 21 May 2008
9. "Management of acute limb ischemia: Angioplasty/stenting versus Embolectomy/bypass" in 17th Annual Peripheral Angioplasty and All that Jazz Meeting; New Orleans, LA 2008
10. "Decision-making in patients who present with acute limb ischemia in the 18th Annual Peripheral Angioplasty and All that Jazz Meeting; New Orleans, LA 2009

11. Expert Panel – ‘*Difficult Technical Cases and Managing Out of Them: My worst nightmare*’ in 18th Annual Peripheral Angioplasty and All that Jazz Meeting; New Orleans, LA 2009
12. Ochsner Dept of Cardiology Monthly Peripheral Vascular Conference: ‘*Management of a thoracic aortic mycotic aneurysm with endovascular stent graft: Importance of life-long antibiotic therapy*’ – 4 November 2009

Editorial Posts and Activities:

Journal editorships or associate editorships:

2009 – Present *Catheterization and Cardiovascular Interventions* (CCI) Journal (The Society for Cardiovascular Angiography and Interventions)

Reviewer status:

2008 – Present *British Medical Journal* (BMJ) – Evidence Centre on abdominal aortic aneurysms, Open and endovascular treatment, Tavistock Square, London, UK

2007 – Present *Catheterization and Cardiovascular Interventions* (CCI) Journal (The Society for Cardiovascular Angiography and Interventions)

University/Institutional Services

School of Medicine committees:

- | | |
|----------------|--|
| 2009 – 2011 | Clinical Liaison Representative to the Administrative Council (Elected delegate) |
| 2009 – Present | Research Advisory Committee |
| 2008 – 2011 | Faculty Assembly (Elected delegate) |
| 2008 – 2009 | LCME Self-Study Committee on the Educational Program Leading to the MD Degree at LSUHSC School of Medicine |
| 2007 – Present | Junior-Senior Student Promotions Committee, Member |

Hospital committees:

- | | |
|----------------|--|
| 2008 – Present | Touro Infirmary (New Orleans, LA)
Cardiovascular Quality Assurance Committee |
| 2004 – 2005 | Mount Sinai Hospital (New York, NY)
Hospital Medical Board, House Staff Member |
| 2003 – 2005 | Mount Sinai Hospital (New York) Department of Surgery
Committee member, General Surgery Education |

Clinical Service

In-patient service activities:

2008 – Present Developed a substantial presence for LSU's Section of Vascular Surgery and establishment of modern vascular surgery and endovascular therapy at Touro Infirmary. Performed *first*:

- Awake/cervical block carotid endarterectomy – under regional anesthesia to minimize coronary morbidity during routine carotid surgery
- Repair of thoracic aneurysm using endovascular thoracic aortic stent grafts under epidural anesthesia
- Successful endovascular treatment of a ruptured abdominal aortic stent graft
- Advanced limb salvage procedures endoluminally, primarily complex popliteal and tibial interventions utilizing cryoplasty and other adjunctive biological therapies
- Transposition of the brachial vein to maximize autogenous arteriovenous fistulae creation
- Trans-radial artery angiography for the management of juxta-anastomotic stenosis/thrombosis of arteriovenous accesses

Coverage of vascular surgery and vascular trauma/emergencies at various New Orleans hospitals thru the Section of Vascular Surgery:

2009 – Present	Ochsner-Meadowcrest Hospital
2007 – Present	Touro Infirmary, New Orleans, LA
2007 – Present	Interim LSU Public Hospital, New Orleans, LA
2007 – Present	Children's Hospital, New Orleans, LA
2007 – Present	West Jefferson Medical Center, Marrero, LA
2007 – Present	Ochsner-Baptist Medical Center, New Orleans, LA

Clinic coverage: Vascular/endovascular clinic coverage at own faculty practice clinic in Baptist campus (2820 Napoleon Ave) – 5 hrs Mondays; 8 hrs Wednesday – year-long.

Co-developed in 2008 a non-invasive vascular lab for utilization in the vascular clinic, to perform arterial and venous duplex ultrasound and physiologic testing for peripheral arterial disease.

Call: Daily call during week for vascular surgery at Touro Infirmary. One week-a-month call at LSU Interim Hospital for vascular surgery and vascular trauma. Additionally, one week-a-month call at West Jefferson Medical Center, Ochsner-Meadowcrest, and Children's Hospital

Community Service Activities:

- 2009 – Present *Pro Bono Publico Foundation* – Member. As a member of the Rex Organization, the Foundation's annual grants have helped support the reformation of New Orleans failed public school system through awards to various schools' education missions
- 2008 *Abdominal Aortic Aneurysm (AAA) screening* – LSU Healthcare Network, New Orleans, LA – October 2008
Screened 180 participants for AAA disease
- 2009 *Abdominal Aortic Aneurysm (AAA) screening* – LSU Healthcare Network, New Orleans, LA – April 2009
Screened 305 participants for AAA disease, carotid atherosclerotic disease, and peripheral arterial disease
- 2009 *Aneurysm Outreach, Inc.* – Guest of Honor Speaker at Annual fundraiser, Baton Rouge, LA

Books:

H Bazan and Z Ali. 'Stents, Surgery, and When is Watchful Waiting Worthwhile: What to Consider Before Undergoing a Cardiovascular Procedure' (in preparation)

Book Chapters:

H Bazan, NJ Morrissey and LH Hollier. 'Thoracoabdominal Aortic Aneurysm' in *Vascular Surgery. Cases, Questions and Commentaries* (3rd Ed., 2010) – Editors – George Geroulakos and Bauer Sumpio (in press)
