

CURRICULUM VITAE

John T. Paige, M.D.
Assistant Professor of Clinical Surgery
Louisiana State University School of Medicine
533 Bolivar Street
Rm 508
New Orleans, Louisiana 70112 USA
Phone: (504) 568-4750
Fax: (504) 568-4633
Email: jpaige@lsuhsc.edu; jtpaige@hotmail.com

Weight Management Center
2820 Napoleon Avenue, #700
New Orleans, LA 70115 USA
Phone: (504) 899-8411
Fax: (504) 899-8496

EDUCATION:

1986-1990 B.A. (1990) Stanford University
Stanford, California USA

1989- 1990 Stanford Paris Program
(Sept – Feb) Paris, France

1990-1994 M.D. (1994) University of California, San Diego
La Jolla, California USA

RESIDENCY:

1994-2001 General Surgery
Washington University School of Medicine/
Barnes-Jewish Hospital
St. Louis, Missouri USA

FELLOWSHIP: SURGERY

2001-2002 Minimally Invasive Surgery
West Penn Allegheny Health System
The Western Pennsylvania Hospital/
Allegheny General Hospital
Pittsburgh, Pennsylvania USA

2000 Lister Fellow in Surgery
(Jan – Jun) University of Glasgow /Glasgow Royal Infirmary
Scotland UK

FELLOWSHIP: 1996-1998 Research Fellow in Surgery
RESEARCH Laboratory of Steve Shapiro, M.D.
Division of Pediatric Allergy/Pulmonary Medicine
Washington University School of Medicine
St. Louis, Missouri USA

LICENSURE: Physician and Surgeon, State of Missouri ACTIVE
Physician and Surgeon, State of Pennsylvania ACTIVE
Physician and Surgeon, State of Louisiana ACTIVE
Drug Enforcement Agency
Controlled Substance Certificate, Louisiana

ACADEMIC HONORS:
1995 Osler Medal Essay Competition
Honorable Mention
“Evolution of the Role of the Dental Surgeon in Maxillofacial
Trauma During the Great War”

HONOR SOCIETIES:
Phi Beta Kappa

MEMBERSHIPS:

Society of American Gastrointestinal and Endoscopic Surgeons (SAGES) ACTIVE 04/2003
American Society for Bariatric Surgery (ASBS) ACTIVE 09/2003
American College of Surgeons (ACS) Associate Fellow ACTIVE 02/2004
James D. Rives Surgical Society ACTIVE 09/2003
New Orleans Surgical Society ACTIVE 12/2004
Louisiana State Medical Society (LSMS) ACTIVE 02/2005
Society for Simulation in Healthcare (SSH) ACTIVE 01/2005
American College of Surgeons Louisiana Chapter (ACS-LA) ACTIVE 07/2005

PROFESSIONAL POSITIONS:

06/2004-present Adjunct Assistant Professor of Clinical Surgery
Pennington Biomedical Research Center
Baton Rouge, LA

06/2004-present Surgical Director
Isidore Cohn, Jr., MD, Learning Center
Louisiana State University School of Medicine

07/2002-present
Assistant Professor of Clinical Surgery
Louisiana State University School of Medicine
New Orleans, LA USA

07/2002-present
Weight Management Center
Surgeon/Clinic
New Orleans, LA

HOSPITAL AFFILIATIONS:

03/2006-present
Associate Staff
Baton Rouge General Hospital
Baton Rouge, LA

10/2005-present
Active Medical Staff
Vista Surgical Hospital of Baton Rouge
Baton Rouge, LA

12/2004-present
Staff Surgeon
Medical Center of New Orleans
Charity and University Hospitals
New Orleans, LA

07/2004-present
Active Medical Staff
Touro Infirmary
New Orleans, LA

03/2004-present
Attending Surgeon-Physician
Memorial Medical Center
New Orleans, LA

03/2004-present
Attending Surgeon-Physician
Lindy Boggs Medical Center
New Orleans, LA

12/2002-present
VA Medical Center
WO Consult
New Orleans, LA

07/2002-12/2004
Attending Physician-Surgery
St. Charles General Hospital
New Orleans, LA

GRANTS & RESEARCH:

Funded Peer Reviewed:

1 U18 HS016680-01
AHRQ
Evaluation of the System for Teamwork Effectiveness and Patient Safety
(STEPS)
Co-Principal Investigator

BOR-017H/M-04
Louisiana Board of Regents
LSU School of Medicine New Orleans Human Patient Simulation Program
Co-Investigator

Non Peer Reviewed:

Stryker Endoscopy \$300,000 for creation of a virtual operating room (OR)

State of Louisiana Office of Group Benefits/LSUHSC School of Medicine
Department of Surgery/Tenet Health System Hospitals dba St. Charles General
Hospital
Pilot Study of the cost effectiveness of surgical treatment of morbid obesity
Sub-investigator

Ethicon Endosurgery/LSUHSC School of Medicine Department of Surgery/St.
Charles General Hospital
Swedish Adjustable Gastric Band
Sub-Investigator

A. PUBLICATIONS, BOOKS AND CHAPTERS (IN PRESS OR IN PREPARATION)

1. **Paige JT**, Martin LF, and O'Leary JP, Perioperative Management of the Bariatric Patient in *Surgical Management of Obesity, 1st Edition*. Buchwald. W. B. Saunders Company. Philadelphia, 2007.
2. **Paige JT**, O'Leary JP, Stomach and Duodenum in *Essentials of General Surgery, 4th Edition*. Lawrence et al. Lippincott, Williams, and Wilkins. Philadelphia, 2005.
3. **Paige JT** and Angood PB, Trauma in *The Washington Manual of Surgery, 3rd Edition*. Doherty et al. Little-Brown and Company. Boston, 2002.
4. **Paige JT** and Saak TE. Anesthesia in *The Washington Manual of Surgery, 2nd Edition*. Doherty et al. Little-Brown and Company. Boston, 1997.

B. PAPERS (IN PRESS OR IN PREPARATION):

PUBLISHED OR IN PRESS

1. **Paige JT**, Gouda BP, Gaitor-Stampley V, Scalia PG, Klainer TE, Raum WJ, Martin LF. No correlation between anti-factor Xa levels, low-molecular-weight heparin, and bleeding after gastric bypass. *Surg Obes Relat Dis* 2007 Jun 12; [Epub ahead of print].
2. **Paige JT**, Kozmenko V, Morgan B, Howell DS, Chauvin S, Hilton CW, Cohn Jr. I, O'Leary JP. From the flight deck to the operating room: impact of a simulation based interdisciplinary team training pilot program in crisis management. In press, *J Surg Ed*.
3. **Paige JT**. Surgical options in the treatment of severe obesity. *The Female Patient* 2004 29(9): 30-42.
4. Seetharam S, **Paige J**, Horgan PG, Impact of socioeconomic deprivation and primary pathology on rate of reversal of Hartmann's procedure. *Am J Surg* 2003 186: 154-157.

IN PREPARATION

1. **Paige J**, Kozmenko V, Yang T, Paragi Gururaja R, Cohn Jr. I, Hilton C, Chauvin S. The mobile mock operating room: bringing team training to the point of care. For *Advance in Patient Safety: New Directions and Alternative Approaches*.

2. **Paige J**, Kozmenko V, Yang T, Paragi Gururaja R, Cohn Jr. I, Hilton C, Chauvin S. Debriefing at the point of care in high-fidelity, simulation-based operating room team training. For Advance in Patient Safety: New Directions and Alternative Approaches.

C. ABSTRACTS/PRESENTATIONS:

REGIONAL

1. Howell DS, **Paige JT**, Kozmenko V, Chauvin SW, Hilton CW, O'Leary JP. Development of an Interactive Learning Tool for Implementation of the SAFETY Prep™ in a Clinical Environment. Oral presentation at the Annual Southern Regional Meeting, Atlanta, GA, 2006.
2. **Paige JT**, Kozmenko V, Chauvin S, Hilton CW, O'Leary JP. Development of a Preoperative Protocol to Enhance Operating Room Team Function: The SAFETY Prep™. Poster presented at the Annual Southern Regional Meeting, New Orleans, LA, 2005.

NATIONAL

3. **Paige J**, Yang T, Tang Y, Hoxsey R, Marr A, Weintraub S, Hunt J, Chauvin S. Self-Reported Video Game Experience is Associated with Increased Self-Confidence Levels of Trainees Prior to Beginning Basic Skills Training in Minimally Invasive Surgery. Poster presentation at the Society of American Gastrointestinal and Endoscopic Surgeons (SAGES) Annual Meeting, Las Vegas, NV, 2007.
4. **Paige J**, Yang T, Tang Y, Hoxsey R, Marr A, Weintraub S, Hunt J, Chauvin S. Self-Reported Learning Preference is Not Related to Gains in Self-Confidence Levels of Trainees Undergoing Basic Skills Training in Minimally Invasive Surgery When Compared to Teaching Method Employed. Poster presentation at the Society of American Gastrointestinal and Endoscopic Surgeons (SAGES) Annual Meeting, Las Vegas, NV, 2007.
5. **Paige J**, Yang T, Tang Y, Hoxsey R, Marr A, Weintraub S, Hunt J, Chauvin S. Teaching Basic Skills in Minimally Invasive Surgery: Impact of Mode of Instruction on Trainee Self-Reported Confidence Levels. Oral presentation at the Generalists in Medical Education Annual Conference, Seattle, WA, 2006.
6. **Paige JT**, Gouda BP, Gaitor-Stampley V, Scalia PG, Klainer TE, Raum WJ, Martin LF. Factor Xa Levels do not Appear to Correlate with Risk of Bleeding in Patients Receiving Low Molecular Weight Heparin (LMWH) for Deep Vein Thrombosis (DVT) Prophylaxis Following Roux-en-Y-Gastric Bypass. Oral presentation at the American Society for Bariatric Surgery Annual Meeting, San Francisco, CA, 2006.
7. Korndorffer Jr. JR, McIntyre TP, **Paige JT**, Van Sickle KR, Maithel SK, Stefanidis D, Scott DJ, Jones DB. Comparison of Procedure Specific Virtual Reality Simulators: Construct and Face Validity. Oral presentation at the Society of American Gastrointestinal and Endoscopic Surgeons (SAGES) Annual Meeting, Dallas, TX, 2006.

8. Beighle D, Toly C, **Paige J**. Initial Development via Academic-Industrial Collaboration of a MIS Pelvic Trainer for Teaching Colectomy. Poster presented at the Society of American Gastrointestinal and Endoscopic Surgeons (SAGES) Annual Meeting, Dallas, TX, 2006.
9. **Paige JT**, Kozmenko V, Morgan B, Howell DS, Chauvin S, Hilton CW, Cohn Jr I, O'Leary JP. From the flight deck to the operating room: impact of a simulation based interdisciplinary team training pilot program in crisis management. Oral presentation at the Association for Surgical Education (ASE) Annual Meeting, Tucson, AZ, 2006.
10. Korndorffer Jr. JR, McIntyre TP, **Paige JT**, Van Sickle KR, Maithel SK, Scott DJ. Haptic Interfaces: Do They Matter? Oral presentation at Medicine Meets Virtual Reality (MMVR) Annual Meeting, Long Beach, CA, 2006.
11. **Paige JT** and V Kozmenko, Frye T, Morgan B, Howell DS, Chauvin CW, Cohn Jr I, O'Leary JP, Hilton CW. Let's see what happened: development of an innovative quad screen technology for comprehensive recording of interdisciplinary team training in a virtual operating room environment. Poster presented at the Annual International Meeting for Medical Simulation (IMMS), San Diego, CA, 2006.
12. **Paige JT**, Gouda BP, Scalia PG, Klainer TE, Raum WJ, Martin LF. Use of 48 hour continuous infusion local anesthetic system in laparoscopic Roux-en-y gastric bypass appears to reduce postoperative pain. Poster presented at the Society of American Gastrointestinal and Endoscopic Surgeons (SAGES) Annual Meeting, Fort Lauderdale, FL, 2005.
13. **Paige JT**, Scalia PG, Klainer TE, Raum WJ, O'Leary JP, Martin LF. Conversion of adjustable LAP-BAND[®] to Roux-en-y gastric bypass. Poster presented at the Society of American Gastrointestinal Endoscopic Surgeons (SAGES) Annual Meeting, Denver, CO, 2004.
14. **Paige JT**, Kobayashi DK, Vest DK, Shapiro SD. Murine macrophage elastase (MME) degradation of elastin produces chemotactic products responsible for *in vivo* monocyte recruitment into the lungs in a murine smoking model: implications for emphysema. Poster presented at the American Thoracic Society (ATS) Annual Meeting, Chicago, IL, 1998.
15. **Paige JT**, Hautamaki RD, Kobayashi DK, Vest DK, Shapiro SD. Identification of a novel proteinase-mediated mechanism of monocyte recruitment in inflammation. Poster presented at the American Thoracic Society (ATS) Annual Meeting, San Francisco, CA, 1997.

INTERNATIONAL

16. **Paige JT**, Gouda BP, Klainer TE, Scalia PG, Raum WJ, Martin LF. Use of a 48 hour continuous infusion local anesthetic system after laparoscopic Roux-en-y gastric bypass appears to decrease PACU morphine requirements. Poster presented at the International Federation for the Surgery of Obesity (IFSO) Annual Meeting, Maastricht, The Netherlands, 2005.
17. **Paige JT**, Gouda BP, Klainer TE, Raum WJ, Martin LF, Scalia PG. Laparoscopic conversion of adjustable gastric band to Roux-en-y gastric bypass. Video presented at the International Federation for the Surgery of Obesity (IFSO) Annual Meeting, Maastricht, The Netherlands, 2005.

INVITED LECTURESHIPS:

REGIONAL

1. "Clinical Anatomy of the Abdomen." First year student anatomy course, LSU School of Medicine, New Orleans, LA 2006.
2. "The Operating Room Team." Surgery Grand Rounds, LSU Health Sciences Center, New Orleans, LA with telecasting to Earl K. Long Hospital, Baton Rouge, LA and University Medical Center, Lafayette, LA 2006
3. "From the Flight Deck to the Operating Room: Team Training in Healthcare." Monthly Operating Room staff meeting, Earl K. Long Hospital, Baton Rouge, LA 2006
4. "From the Flight Deck to the Operating Room: Team Training in Healthcare." Surgery Grand Rounds, Earl K. Long Hospital, Baton Rouge, LA 2006
5. "From the Flight Deck to the Operating Room: Team Training in Healthcare." Surgery Grand Rounds, University Medical Center, Lafayette, LA 2006
6. "Gastric Bypass and Lap Band." Second Annual Advanced Laparoscopic Techniques Course For Louisiana Surgical Residents, Tulane School of Medicine, New Orleans, LA 2005.
7. "Bariatric Surgery Today." Medical Grand Rounds, Touro Infirmary, New Orleans, LA 2005.
8. "Surgical Treatment of Obesity." Cardiology Grand Rounds, LSU Health Sciences Center, New Orleans, LA 2005.
9. "Surgical Treatment of Obesity." Fourth year student nutrition course, LSU School of Medicine, New Orleans, LA 2005 and 2004.

10. "Laparoscopic Gastric Bypass." First Annual Advanced Laparoscopic Techniques Course For Louisiana Surgical Residents, Tulane School of Medicine, New Orleans, LA 2004.
11. "Surgical Treatment of Obesity." Internal Medicine Grand Rounds, LSU Health Sciences Center, New Orleans, LA 2004.
12. "Surgical Treatment of Obesity." Medical Ground Rounds, Touro Infirmary, New Orleans, LA 2004.
13. "The Wonderful World of Laparoscopy." First year student anatomy course, LSU School of Medicine, New Orleans, LA 2004.
14. "Surgical Treatment of Obesity." Louisiana Association of Self Insured Employers (LASIE) Annual Meeting and Workers' Compensation Conference, Bay St. Louis, MS 2003.
15. "Splenectomy in Hematologic Disorders." Surgery Grand Rounds, LSU Health Sciences Center, New Orleans, LA 2003.

NATIONAL

16. "Transforming the OR Team Through Simulation Training." Executive Symposium on Surgical Patient Safety, Beaver Creek, CO, to be given this July, 2007.
17. "From the Flight Deck to the Operating Room: Molding a Team of Experts into an Expert Team." Plenary Session. Association of Surgical Technologists Annual Meeting, New Orleans, LA 2007.
18. "Is Surgery the Answer?" Preconference on Women, Weight, and Aging. Contemporary Forums' Advances in Health Care for Women over 40 Conference, New Orleans, LA 2006.
19. "Novel Applications of Surgical Simulators in OR Team Training and Minimally Invasive Surgical Skills Development." Surgical Simulators: 2005 multidisciplinary session. American College of Surgeons Annual Clinical Congress, San Francisco, CA 2005.

INTERNATIONAL

20. "MIS Skills Training." Surgical Forum. Chilean Chapter of the American College of Surgeons Annual Meeting, Santiago, Chile 2007
21. "Validating Results in Surgical Skills Training." Abdominal and Digestive Surgery Session. Chilean Chapter of the American College of Surgeons Annual Meeting, Santiago, Chile 2007

22. "Transforming the Operating Room Through Simulation Training." Abdominal and Digestive Surgery Session. Chilean Chapter of the American College of Surgeons Annual Meeting, Santiago, Chile 2007
23. "Building a Surgical Simulation Curriculum." Plenary Session. Chilean Chapter of the American College of Surgeons Annual Meeting, Santiago, Chile 2007

COURSE & LAB DIRECTORSHIPS:

1. ACS Laparoscopic Colectomy Course Minimally Invasive Surgical Skills Lab. LSU Health Sciences Center, New Orleans, LA 2004.
2. Laparoscopic Approach to Hernia Repair. LSU Health Sciences Center, New Orleans, LA 2004.

TELEVISION APPEARANCES:

1. Medical errors segment on "Louisiana Public Square." WLAE, channels 14, 32. New Orleans, LA September 20, 2006.
2. Rebuilding of learning center on "Fox 8 News." WVUE, channel 8. New Orleans, LA July 26 and 27, 2006.
3. Surgical Treatment of Reflux Disease on "Tiger Care." WLAE, channels 14, 32. New Orleans, LA May 23, 2006.
4. Surgical training on "Health Watch" segment local news. KSLA, channel 12. Shreveport, LA January 30, 2006.
5. Interdisciplinary team training on "Medical Watch" segment local news. WWL, channel 3. New Orleans, LA August 17, 2005.
6. GERD on "Tiger Care." WLAE TV, channels 14, 32. New Orleans, LA November 16, 2004
7. Surgery on Obese Patients on "Tiger Care." WLAE TV, channels 14, 32. New Orleans, LA June 1, 2004.
