

Curriculum Vitae

RICHARD N. COSTA, PSY.D.

Louisiana State University Health Sciences Center School of Medicine
Department of Psychiatry, 2020 Gravier St., 7th Floor, Lions Clinic
New Orleans, LA 70112
Cell: (504) 491-0489; Fax (504) 568-6006; Email: rcosta@lsuhsc.edu

EDUCATION:

January, 2009
to
Present **California School of Professional Psychology at Alliant International University**, Baton Rouge, LA Campus
Postdoctoral Master of Science Program in Clinical Psychopharmacology

July, 2002
to
June, 2003 **Louisiana State University Health Sciences Center**
School of Medicine, Department of Psychiatry, New Orleans, LA
Postdoctoral Fellowship in Clinical Psychology and Infant Mental Health

September, 1996
to
May, 2002 **Georgia School of Professional Psychology at Argosy University**
Atlanta, GA
Clinical Psychology Program - Child & Family Track
Doctor of Psychology
Cumulative GPA: 3.7

July, 2000
to
June, 2001 **Louisiana State University Health Sciences Center**
School of Medicine, Department of Psychiatry, New Orleans, LA
Predoctoral Internship in Clinical Psychology

September, 1996
to
June, 1998 **Georgia School of Professional Psychology at Argosy University**
Atlanta, GA
Clinical Psychology Program
Master of Arts
Cumulative GPA: 3.7

September, 1990
to
June, 1994 **University of Massachusetts at Dartmouth**
North Dartmouth, MA
Bachelor of Arts, *Magna Cum Laude*
Major: Psychology; Minor: Sociology
Member of Dean's List & Chancellor's List
Cumulative GPA: 3.6; Psychology GPA: 3.8

LICENSURE: Louisiana State License # 946, Clinical Psychology (Granted 11/14/03)

PROFESSIONAL CLINICAL EXPERIENCE:

October, 2003 **Assistant Professor of Clinical Psychiatry** [Full Time]
to Louisiana State University Health Sciences Center School of Medicine
Present Department of Psychiatry, New Orleans, LA

Director of Clinical Psychology Internship Training Program (November 2005 to Present)
Louisiana State University Health Sciences Center School of Medicine
Department of Psychiatry, New Orleans, LA

Duties: After being appointed following Hurricane Katrina, successfully petitioned to have this APA accredited clinical psychology training program reinstated. Submitted proposal in 2008 that was accepted by APA to expand internship training program to include new Adult Track. Oversee all aspects of predoctoral internship recruitment, training, supervision, and evaluation of all psychology interns in Adult/Child, Infant/Child, and Adult Psychology internship training tracks. Provide direct supervision to psychology predoctoral interns, postdoctoral fellows and child psychiatry residents.

Project Coordinator (October 2008 to Present)
Associate Coordinator for Clinical Services (October 2003 to Present)
Louisiana Rural Trauma Services Center
Louisiana State University Health Sciences Center School of Medicine
Department of Psychiatry, New Orleans, LA

Duties: Assisted in developing and expanding this program in cooperation with the National Child Traumatic Stress Network (NCTSN) and the Substance Abuse Mental Health Services Agency (SAMHSA) according to research protocol. Provide various mental health assessment, treatment, crisis intervention, forensic, and educational services for infants, children, adolescents, and their families exposed to traumatic events in three rural Louisiana parishes (St. James, St. John the Baptist & West Feliciana). Provide forensic assessment, consultation, advocacy, and follow-up treatment to children, adolescents, and families referred from the St. James and St. John the Baptist Parish Juvenile and Truancy Courts and Families in Need of Services (FINS) Programs. Provide training to school and hospital personnel to identify and respond to traumatic incidents involving infants, children, adolescents, and the community at large. Provide onsite and telephone consultation to mental health clinicians and supervision to psychology and social work interns as needed. Create, edit, manage, and analyze statistical data using SPSS and EXCEL databases. Replicated model in St. Bernard, Orleans, and Plaquemine Parishes following Hurricane Katrina. Promoted to Project Coordinator in 2008 after NCTSN/SAMHSA grant was successfully refunded. Expanded project to provide mental health services to military families in Plaquemine Parish schools and Naval Base.

Harris Infant Mental Health Program (October 2003 to Present)
Louisiana State University Health Sciences Center School of Medicine
Department of Psychiatry, New Orleans, LA

Duties: As a member of the Core Clinical Faculty, provide a variety of outpatient assessment and

therapeutic services to infant, child, adolescent, adult, and family clients referred through the LSUHSC Child and Adolescent and Adult Psychiatry Clinics. Assist in coordinating, supervising, and teaching a multidisciplinary group of fellows and interns various topics related to infant mental health in this program's weekly didactic seminars.

LSUHSC Outpatient Clinic/Behavioral Sciences Center (October 2003-Present)

Clinician & Clinical Supervisor

Louisiana State University Health Sciences Center School of Medicine
Department of Psychiatry, New Orleans, LA

Duties: Provide a variety of psychotherapeutic and evaluative services to children, adolescents, families, and adults at an outpatient clinic. Provide clinical supervision to predoctoral and postdoctoral psychology interns and fellows overseeing all aspects of their outpatient psychotherapy and psychological evaluation of all clinic patients served.

CLINICAL TRAINING EXPERIENCE:

July, 2002 **Postdoctoral Psychology Fellow** [Full Time]
to Louisiana State University Health Sciences Center School of Medicine
October, 2003 Department of Psychiatry: Section of Psychology, New Orleans, LA
Supervisors: Amy Dickson, Psy.D. and Joy Osofsky, Ph.D.

Duties: Provided a wide variety of consultative, diagnostic, and therapeutic psychological services to infants, children, and their families/caretakers as a member of the multidisciplinary Permanency Infant and Preschool Team Program of Orleans Parish. Conducted psychological assessments of cognitive, developmental, and relational functioning of clients referred by the Office of Community Services (OCS) via home visits, videotaped observations, structured Parent Perception of the Child (Working Model) interviews, still-face, and play situation/interaction data in order to make permanency placement decisions for infants and young children removed from the care of their primary caregivers. Integrated data into comprehensive evaluation reports used for forensic purposes to assist the court in determining and implementing recommendations that are in the best interest of the children served. Provided court testimony as an expert witness. Provided outpatient individual and dyadic psychotherapy services to children and their caretakers. As a member of the Harris Fellowship Program, participated in weekly didactic seminar and group supervision utilizing a primarily psychoanalytic/psychodynamic approach to conceptualizing case material presented.

July, 2000 **Predoctoral Intern in Clinical Psychology** [2000 hours]
to Louisiana State University Health Sciences Center School of Medicine
July, 2001 Primary Rotations: Medical Center of Louisiana at New Orleans-Charity
Hospital [30 hours / week, six months]
New Orleans Adolescent Hospital [30 hours / week, six months]
Supervisors: F. Merritt Ayad, Ph.D., Thomas Wolf, Ph.D., Catherine Reichard, Ph.D., Vincent Carbone, Ph.D., and Randolph Harper, Ph.D.

Duties: Provided a variety of diagnostic and therapeutic psychological services to diverse patient populations in accredited internship program following the criteria set forth by the American

Psychological Association and the Association of Psychology Postdoctoral and Internship Training Centers. Conducted psychological assessments, group therapy, individual therapy, family therapy, and consultation as a member of multidisciplinary psychiatric treatment teams in inpatient adult and pediatric settings. Provided outpatient diagnostic and psychotherapy services to children, adolescents, adults, and families through the Louisiana State University School of Medicine Adult Psychotherapy and Child and Adolescent Psychotherapy Clinics. Participated in weekly didactic seminars and case conferences on clinical neuropsychology, psychological assessment and brief intervention, child and adolescent treatment, family therapy, ethical issues, cultural/diversity issues, and clinical supervision.

August, 1999 **Advanced Practicum Student** [500 hours]
 to Emory University School of Medicine
June, 2000 Grady Health System, Department of Pediatrics:
 Hughes Spalding Children’s Hospital;
 Georgia Comprehensive Sickle Cell Center
 Atlanta, GA
 Supervisors: Ann Hazzard, Ph.D. and Marietta Collins, Ph.D.

Duties: Provided a wide variety of psychological evaluation, therapy, and consultation services to children and families through the Department of Pediatrics, affiliated with Emory University and Morehouse Schools of Medicine. Conducted cognitive, developmental, learning disability, neuropsychological screenings, and personality assessments with children and adolescents. Presented evaluation conclusions and recommendations for interventions to parents/caretakers, teachers, and physicians. Participated in an outcome research project comparing the effectiveness of an experimental (STARBRIGHT) versus traditional recreational therapy activities in hospitalized patients with sickle cell disease and asthma.

August, 1998 **Therapy Practicum Student** [Part Time - 1000 hours]
 to The Hub Counseling & Education Center
August, 1999 Tucker, GA
 Supervisors: Sonya Roland, Ph.D. and Claire Fuller, Ph.D.

Duties: Provided diverse clinical services to individual, adult, child, adolescent, and family clients at this non-profit counseling center. Participated as co-therapist with senior therapists as well as in weekly clinical team meetings and inservices. Conducted inservice on HIV/AIDS testing and counseling. Joined “family team” for periodic live supervision of family therapy sessions. Educated parents at an area elementary school using the Ages and Stages of Development curriculum. Established, advertised, and co-facilitated a time-limited support group for gay, lesbian, and bisexual adults referred within the community.

June, 1998 **Violence Recovery Program Extern** [Part Time – 30 hours / week]
 to Fenway Community Health Center
August, 1998 Boston, MA
 Supervisors: Jose Pares-Avila, M.A. and Emily Pitt, M.S.W.

Duties: Provided crisis intervention and supportive counseling, advocacy, and referral services to

gay, lesbian, bisexual and transgendered (GLBT) survivors of bias/hate crimes, domestic violence, sexual assault, and police misconduct. Informed and educated clients about legal rights. Coordinated service plans, assisted clients in securing services, and provided court accompaniment. Worked with police and other criminal justice agencies to identify GLBT crime victims and provided follow-up services. Organized, prepared, and data entered statewide statistics of hate crimes and domestic violence incidents reported to this program's hotline through the 1997-1998 fiscal year.

September, 1997 **Diagnostic Practicum Student** [Part Time - 600 hours]
to Emory University School of Medicine,
May, 1998 Department of Child and Adolescent Psychiatry
 Atlanta, GA
 Supervisors: Ronald T. Brown, Ph.D. and Danielle Devine, Ph.D.

Duties: Provided various evaluation, therapeutic, and consultation services, including psychological assessments of children and adolescents with suspected Attention-Deficit Hyperactivity Disorders (ADHD) and/or Learning Disabilities. Evaluated children and adolescents with various cancers or sickle cell disease in the Ronald McDonald Hematology/Oncology Division of the Children's Hospital of Atlanta at Emory University School of Medicine. Conducted structured and semi-structured interviews with parents and teachers. Utilized classroom observation to assess child behavior. Presented evaluation conclusions and recommendations to parents/caretakers, physicians, and teachers.

SUPERVISED CLINICAL EXPERIENCE:

July, 2001 **Clinical Psychology and Research Associate** [Full Time]
to Louisiana State University Health Sciences Center School of Medicine
July, 2003 Department of Psychiatry: Section of Psychology, New Orleans, LA
 Supervisor: Grant Butterbaugh, Ph.D.

Duties: Conducted pre- and post-surgical neuropsychological and psychological evaluations of patients with intractable epilepsy. Participated on multidisciplinary team through the LSU Epilepsy Center of Excellence. Collaborated on research projects studying the neurobiological and psychosocial impact of epilepsy related to structural MRI, memory, cost-benefit analysis of epilepsy surgery, and quality of life. Used SPSS to enter, manage, and analyze large longitudinal databases.

July, 1999 **REACH (Rapid Evaluation & Clinical Help) Assessment Clinician**
to Emory University West Paces Medical Center
February, 2000 Department of Behavioral Health Services
 Atlanta, GA
 Supervisor: Janine Kennedy, LCSW

Duties: Provided on-site consultation and mobile mental health/psychiatric and chemical dependency assessment, crisis intervention, health information, and referral assistance services at several emergency departments affiliated with the Emory University School of Medicine. Interfaced with medical staff of several clinical and administrative departments of these hospitals working

closely with patients, families and significant others, as well as with diverse community and public agencies to facilitate referrals to outpatient, partial or inpatient hospital settings.

July, 1994 **Mental Health Support Counselor** [Full Time]
 to Hyland House, Incorporated
May, 1995 Fall River, MA
 Supervisor: Stephan Merrill, M.S.W

Duties: Assisted in placement of clients with chronic mental illness from assisted living facilities into mainstream apartments within the community. Provided outreach assistance within supported housing program, apartment visits, daily living assistance, and support counseling. Worked to establish treatment goals, provide pharmacological education, and administer medication to clients. Collaborated with psychiatrists, psychologists, case managers, social workers, and physicians to develop and implement specific treatment plans to guide patient treatment. Maintained records and provided training and support for peer counselors providing outreach to clients within the program.

June, 1993 **Relief Counselor** [Part Time – 10 to 20 hours / week]
 to Meadowridge Behavioral Health Center
July, 1994 Swansea, MA
 Supervisor: Ronald Allan, Ph.D.

Duties: Provided mental health services to adolescents living in this residential treatment program, following a structured behavior modification model. Monitored activities of daily living and accompanied clients on appointments and earned trips. Acted as an academic and vocational aide in onsite classrooms and a job coach to clients employed in the community.

RESEARCH EXPERIENCE:

July, 2001 **Research Fellow: LSUHSC Epilepsy Center of Excellence** [Full Time]
 to Louisiana State University Health Sciences Center School of Medicine
July, 2003 Departments of Psychiatry & Neurology, New Orleans, LA
 Principle Investigators: Bruce Fisch, M.D. & Grant Butterbaugh, Ph.D.
 Co-Investigators: Piotr Olejniczak, M.D. & Michael Carey, M.D.

Duties: Collaborated with the Department of Neurology on various studies to identify neuropsychological, neurophysiological, neuroimaging prediction, cost-effectiveness, and cost-benefit analyses of outcomes following epilepsy surgery and/or medication treatment. Created outcome questionnaires to compare quality of life of patients before and after epilepsy surgery. Assisted in completing Institutional Review Board forms, which were accepted by the LSUHSC IRB office. Studied various aspects of the Symptom's Checklist-90-Revised (SCL-90-R) to identify possible means of lateralization in epilepsy. Conducted extensive neuropsychological assessments, according to research protocols, of patients evaluated from the LSUHSC Epilepsy Center of Excellence. Scored, interpreted, and completed comprehensive assessment reports for referring neurologists and neurosurgeons.

January, 2001
to
July, 2003 **Research Associate: Job Stress Related Hypertension Study** [Part Time]
Louisiana State University Health Sciences Center School of Medicine
Departments of Psychiatry & Nephrology, New Orleans, LA
Principle Investigator: Efrain Reisin, M.D.
Co-Investigators: Erwin Aguilar, Pharm.D. & Grant Butterbaugh, Ph.D.

Duties: Collaborated with the Department of Nephrology on a longitudinal study of pre-clinical predictors of hypertension in new healthcare employees. Administered computer-based mental stress tests and psychosocial questionnaires to identify work and life stressors.

June, 1999
to
June, 2000 **Research Assistant: Grady Adolescent Knowledge & Adjustment Study**
Emory University School of Medicine,
Grady Memorial Hospital Pediatric Infectious Disease Program
Atlanta, GA
Supervisor: Pam Bachanas, Ph.D.

Duties: Recruited HIV+ adolescents to assess skills, knowledge, and attitudes regarding “safe” sex practices and “high-risk” behaviors using structured interview and standardized measures in accordance with the research protocol.

May, 1995
to
August, 1996 **Case Monitor** [Full Time]
Harvard Pilgrim Health Care of New England (HPHC) & Brown University
Providence, RI
Supervisors: Regina Dolan, Ph.D. and William Zwick, Ph.D.
Principle Investigator: Robert Stout, Ph.D.

Duties: Recruited subjects from the substance abuse day treatment program of major health care provider. Interviewed clients with substance abuse problems and their significant others using standardized protocol. Provided ongoing case monitoring interventions with subjects randomized into treatment group by using active listening skills and providing appropriate referrals for outpatient/inpatient treatment services as needed. Collaborated with HPHC members, clinicians, and Brown University research staff. Acted as research assistant to Dr. Zwick by reviewing and procuring recent empirical literature in the areas of substance abuse assessment, treatment, and outcome.

November, 1992
to
August, 1994 **Research Assistant**
University of Massachusetts at Dartmouth
North Dartmouth, MA
Supervisor: Barry Haimson, Ph.D.

Duties: Assisted in designing and programming computer-based perceptual study. Prepared subjects for testing. Calibrated and ran computerized EEGs, collected observational behavior data, and entered/managed database.

PROFESSIONAL TEACHING POSITIONS:

Summer, 1999 **Child & Adolescent Assessment Teaching Assistant and Laboratory Section Graduate Instructor** [Part Time]
Argosy University Atlanta, Georgia School of Professional Psychology
Atlanta, GA
Supervisors: Jennifer Stapel, Psy.D. and Arlene Noriega, Ph.D.

Duties: Taught laboratory section to doctoral-level students in the Child & Adolescent Assessment course. Created syllabus and provided instruction about appropriate use and integration of assessment tools and data. Promoted students' mastery of skills via observation and hands-on training in interviewing, test administration, scoring, test interpretation, and psychological report writing.

January, 1994 **Physiological Psychology and Psychopharmacology**
to **Teaching Assistance** [Part Time]
May, 1994 University of Massachusetts at Dartmouth
North Dartmouth, MA
Supervisor: Lynn Tondat, Ph.D.

Duties: Assisted instructor of Physiological Psychology and Psychopharmacology courses. Tutored undergraduate and graduate students enrolled in these courses and provided study skills and test anxiety coping skills instruction.

OTHER TEACHING EXPERIENCES:

May, 2006 **Impact of Maternal Depression on Infants and Young Children** [3 hours/year]
to Present Teach Harris Infant Mental Health Program fellows/residents
Louisiana State University Health Sciences Center, New Orleans, LA

April, 2005 **Middle Childhood: Socioemotional Development** [1 hour]
Taught second and third year general psychiatry residents
Louisiana State University Health Sciences Center, New Orleans, LA

November, 2004 **Multicultural Aspects of Psychotherapy and Case Formulation**
to Present Teach predoctoral psychology interns [1.5 hours x 2 sessions/year]
Louisiana State University Health Sciences Center, New Orleans, LA

January, 2004 **Psychodynamic Theories and Therapy Case Formulation**
to Present Teach predoctoral psychology interns [1.5 hours x 2 sessions/year]
Louisiana State University Health Sciences Center, New Orleans, LA

December, 2004 **Family Systems Theories and Therapy Case Formulation**
to Present Teach predoctoral psychology interns [1.5 hours x 2 sessions/year]

Louisiana State University Health Sciences Center, New Orleans, LA

*November, 2004
to Present*

Cognitive Behavioral Theories and Therapy Case Formulation
Teach predoctoral psychology interns [2 sessions/year]
Louisiana State University Health Sciences Center, New Orleans, LA

*May, 2004
to Present*

Diagnostic Classification: 0 to 3 [2.5 hours x 2 sessions/year]
Teach Harris Infant Mental Health Program fellows/residents
Louisiana State University Health Sciences Center, New Orleans, LA

*February, 2004
March, 2005*

Infancy: Development through the First Year of Life [1 hour/year]
Taught second and third year general psychiatry residents
Louisiana State University Health Sciences Center, New Orleans, LA

*October, 2003
to Present*

Parent-Child Relationship Assessment and Coding System [2.5 hours/year]
Teach Harris Infant Mental Health Program fellows/residents
Louisiana State University Health Sciences Center, New Orleans, LA

*October, 2003
to Present*

Play Therapy [2.5 hours/year]
Teach Harris Infant Mental Health Program fellows/residents
Louisiana State University Health Sciences Center, New Orleans, LA

*September, 2003
to Present*

Infant/Child Parent Psychotherapy [2.5 hours x 3 sessions/year]
Teach Harris Infant Mental Health Program fellows/residents
Louisiana State University Health Sciences Center, New Orleans, LA

CLINICAL VOLUNTEER EXPERIENCE:

*September, 1998
to
March, 1999*

HIV/AIDS Testing and Counseling Volunteer [Part Time - 4 hours / week]
DeKalb County Board of Health
Decatur, GA
Supervisor: Frank Coy, M.A.

Duties: Completed intensive 25-hour training program in HIV prevention counseling through the Centers for Disease Control and Prevention (CDC) in Atlanta, GA. Provided anonymous and confidential counseling, education, and test results to individuals tested for HIV, AIDS, and/or other STDs.

*April, 1998
to
January, 1999*

AIDS Outreach Program Volunteer [Part Time – 3 hours / week]
AID Atlanta
Atlanta, GA
Supervisor: David Powers, M.A.

Duties: Completed a six-week training course. Co-facilitated monthly support/discussion group for adult males focusing on various issues pertaining to sexuality and HIV/AIDS prevention.

October, 1993 **Suicide Prevention Volunteer** [Part Time - 30 hours / month]
to United Way of Fall River / New Bedford
August, 1996 Fall River, MA
Supervisor: Randall Correia, M.Ed.
