

TRAVELER JUSTIFICATION

PROPOSED INTERNATIONAL TRAVEL

Instructions: International Travel Committee recommendation must be obtained BEFORE registering or abstracts are submitted to the scientific review committee for the meeting or symposium. The intended traveler submits this form for proposed international travel in an effort to assess overall value balanced against commitment of resources; this form accompanies another from the traveler's department head or center director. **Attach copy of the abstract(s) or, alternatively, invitation or documentation for moderating, key-note or plenary presentations, or organizational roles. If there is an unfavorable recommendation, the request can be resubmitted to the International Travel Committee by the Department Head/Center Director "on appeal". Once the abstract is accepted, the prior approval form will be resubmitted for signature with a copy of the International Travel Committee minutes indicating a favorable recommendation.**
