

The Department of Genetics is proud to announce that Anasheh Halabi, MD/PhD student in the Department of Genetics is the recipient of an American Society for Biochemistry and Molecular Biology (ASBMB) Annual Meeting travel award.

The ASBMB reviewed and considered 1,200 volunteered abstracts. Anasheh abstract "'Depletion of MutSbeta slows GAA·TTC repeat expansion in a cellular model of Friedreich Ataxia" was selected to present an oral presentation within the ASBMB platform sessions. The ASBMB Annual Meeting will be held in April in San Diego, CA.

Anasheh is an outstanding example of the graduate students in the Department of Genetics at LSU Health Sciences Center. Congratulations Anasheh!
