

Please ask your doctor or lung cancer nurse specialist to fill in this page when they are explaining your lung cancer to you.

Doctor's name:

Nurse specialist's name:

Draw on diagram where the lung cancer is:

Type of lung cancer:

Size and stage of lung cancer:

Has the cancer spread to outside of my lungs? If so, where to?

There are useful questions at the back of each treatment booklet which your doctor or lung cancer nurse specialist can go over with you.
