Biographical Sketch:

I am an Assistant Professor in the Department of Rehabilitation Counseling at LSUHSC-NO. I serve on several departmental divisions, SAHP committees (Academic Affairs and Faculty Assembly – Past President), and a member of the LSUHSC Faculty Senate.

Academically, I am working toward creating a portfolio of educational excellence through my coursework. My research includes professional development, play therapy outcome research, the study of attachment, and child parent relationships. Lastly, I serve as the Clinic Director of the LSUHSC Play Therapy Clinic where I provide play therapy services to children, adolescents, and families.

I am married and have a daughter (2 years) and son (born May 2010).
