Biographical Sketch:

Dr. Tonya Jagneaux is an Assistant Professor of Clinical Medicine at LSU Health Sciences Center (LSUHSC). She received her B.S. from University of Southwestern Louisiana, and her M.D. from LSUHSC in New Orleans. Dr. Jagneaux completed her Internal Medicine residency at LSUHSC in Baton Rouge, and also served a year as Chief Resident. She completed a fellowship in Pulmonary/Critical Care Medicine at LSUHSC in New Orleans. Dr. Jagneaux's clinical activities include supervising Internal Medicine and Pulmonary/Critical Care teams at Earl K. Long Medical Center and Baton Rouge General Hospital. She has served as a member of the LSUHSC Faculty Assembly, the LSUHSC Faculty Senate, and the Critical Care Committee for the Baton Rouge General. Dr. Jagneaux has been accepted as a Fellow in the Academy for the Advancement of Educational Scholarship. Her interests focus on critical care, clinical research, and medical education. Dr. Jagneaux has received several teaching awards as a fellow and a faculty member, and is a member of the Alpha Omega Alpha Honor Society.
