Fax: 504-568-2127

Biographical Sketch:

My teaching roles at LSUSOM include student teaching through SPM100 lectures and small group sessions, as well as clinical correlations in the preclinical years. House Officer teaching roles include bedside and clinical teaching on the Cardiology consult service at ILH, and procedural teaching in the cardiac cath labs at ILH and Touro Infirmary. I enjoy the challenge of teaching at various levels of medical education and hope to learn much from my involvement in the Academy.

Educational Domains Represented in Academy Portfolio

- Teaching
- Curriculum Development, Instructional Design, and/or Assessment of Student Learning
- Advising and Mentoring
- Educational Leadership and Service

Teaching/Education Expertise

Procedural teaching (cath lab)
Small group
Clinical teaching and bedside rounds
