GENERAL:

TRAVEL AUTHORIZATION:

All non-routine travel must be authorized and approved in writing by the head of the department, board, or commission from whose funds the traveler is paid.

Routine Lodging Overage Allowances: (Receipt required)

A Department Head or his/her designee has the authority to approve actual cost for routine lodging provisions on a case by case basis not to exceed fifty percent over PPM-49 current listed rates. Justification must be maintained in the file to show that attempts were made with hotels in the area to receive the state/best rate. In areas where the Governor has declared an emergency, a Department Head or his/her designee will have the authority to approve actual routine lodging provisions on a case by case basis not to exceed seventy-five percent over PPM-49 current listed rates.

Single Day Travel: Meals are not eligible for reimbursements on single day travel. This means that when an authorized traveler of the State is in travel status where no overnight stay is required, no meals are eligible for reimbursement. Each Department Head or their designees are to determine the reasonableness of when an overnight stay is justified. However, the Department Head will be allowed to authorize Single Day meal reimbursements on a case-by-case basis or by type(s) of single day travel when it is determined to be in the best interest of the department. In those cases, the department must keep the approvals in the travel file and must be responsible to take appropriate steps to report the reimbursement as wages to the employee. If a Department Head or his/her designee determines that Single Day Meals will be provided for, they must follow the following allowances:

To receive any meal reimbursement on single day travel, an employee must be in travel status for a minimum of 12 hours. The maximum allowance for meal reimbursement for single day travel will be $30.00.

Breakfast and Lunch: ($20.00)  The 12 hour travel duration must begin at or before 6 a.m.

Lunch: ($12.00) Requires 12 hours duration in travel status.

Lunch and Dinner: ($30.00) The 12 hour travel duration must end at or after 8 p.m.

Travel with Overnight Stay: Travelers may be reimbursed for meals according to the following schedule.

Breakfast: When travel begins at/or before 6 a.m. of the first day of travel or extends beyond 9 a.m. on the last day of travel, and for any intervening days.

Lunch: When travel begins at/or before 10 a.m. of the first day of travel or extends beyond 2 p.m. on the last day of travel, and for any intervening days.

Dinner: When travel begins at/or before 4p.m. of the first day of travel or extends beyond 8 p.m. on the last day of travel, and for any intervening days.

Meals Allowance – Including Tax and Tips

Receipts are not required for routine meals within these allowances. Partial meals such as continental breakfast or airline meals are not considered meals. If meals of state officials on actual exceed these allowances, receipts are required. Inclusion of suburbs is allowed for meals on a case by case basis.

(Receipts are Required) For lodging rates, the inclusion of suburbs shall be determined by the department head on a case-by-case basis. When two or more employees on official state business share a lodging room, the State will reimburse the actual cost of the room; subject to a maximum amount allowed for an individual traveler times the number of employees.

Department head approval must be provided to allow lodging expenses to be direct billed to an agency.

AIRFARE: Remember, while use of the contract travel agency is mandatory, purchase of state contract airfare is not mandatory. The State Travel Office strongly encourages use of lowest logical state contract fares. The State always supports purchasing the “best value” ticket. You should ask the state’s contracted travel agency to check for the lowest logical rates based on your personal needs.

State contract airfares are for official business only. No personal use.
