Research Resources and Funding Opportunities

Staff Members

Welcome to the LSU Health Sciences Center New Orleans Office of Research Services. We are located on the 2nd floor of the LSU Health Sciences Center New Orleans Library, Administration and Resource Center at 433 Bolivar Street, New Orleans LA 70112.

In addition to assisting investigators in identifying funding opportunities, the Office of Research Services of LSU Health Sciences Center in New Orleans has three main responsibilities:

1. Management of pre-award, sponsored project activity. This includes evaluation and routing for signatures all grant applications, research agreements, and clinical trial agreements.
2. Management of the Institutional Review Board (IRB) which provides oversight for the protection of human subjects used in research.
3. Management of the Institutional Animal Care and Use Committee (IACUC) which provides oversight for the welfare of animals used in research.
