

## Our Philosophy

**“Caring for patients  
from the beginning...”**

### Commitment

We are committed to providing the most up-to-date evidence-based medicine to women in the New Orleans and surrounding areas. Our commitment to women is continuous healthcare during their evolving lifespan.

### Education

We aim to educate our patients about women's health to improve patient well-being and compliance.

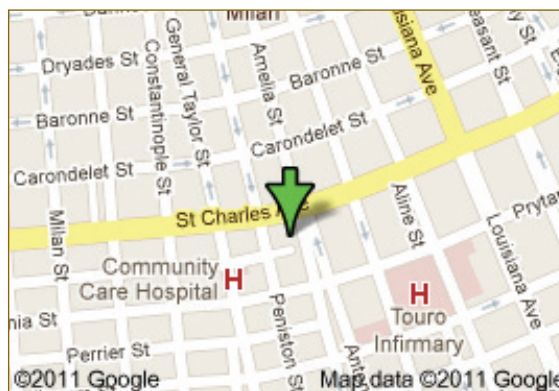

### Service

We are dedicated to providing care to ALL women regardless of cultural and financial backgrounds.

## Obstetrics and Gynecology

## Services

We offer a full range of healthcare for women including:

- Preventive health care including cervical cytology and colposcopy
- Contraception including intrauterine devices and sub-dermal implants
- Obstetrical services including 24/7 labor & delivery in-hospital physician coverage, perinatology support for high-risk pregnancies, and vaginal birth after cesarean section
- Minimally invasive gynecologic surgery including laparoscopic, hysteroscopic and robotic surgery
- Evaluation and management of menopause
- Evaluation and management of incontinence and pelvic organ prolapse
- In-office procedures including: hysteroscopy, permanent sterilization, LEEP, saline infused sonography, treatment of miscarriage
- On-site ultrasounds, mammograms and multispecialty services
- Maternal Fetal Medicine services in office

*"Doctors who practice what they teach."*

## Facilities

In addition to our beautiful new LSU Health clinic at 3700 St. Charles Avenue, we provide services at Touro Infirmary and Children's Hospital in Uptown New Orleans.

Touro's Family Birthing Center offers high risk obstetrical care and a Level III NICU along with private family oriented labor and delivery rooms and 24-hour anesthesia coverage.

Touro's Ambulatory Surgery Center provides a convenient outpatient setting for many gynecologic procedures including laparoscopy and hysteroscopy.
