

Hello!

Thank you so much for your interest in our fellowship program in Pediatric Hematology-Oncology at LSUHSC/Children's Hospital in New Orleans.

Our program is accredited by the Accreditation Council for Graduate Medical Education (ACGME) since 1989, and is the only accredited PHO program between Florida and Texas. We are accepting applications for July 2011 via ERAS.

We also participate in the National Residency Match Program (NRMP) scheduled for the spring of 2010. You can find more information about our program at the hospital website: www.chnola.org on the right side, click on Publications & Downloads; you will find our Annual Cancer Report 2008 with data about our Center for Cancer and Blood Disorders, and our Hematopoietic Stem Cell Transplant Program. Please, do not hesitate to e-mail me at mvelez@lsuhsc.edu or to Ms. Judith Rodriguez, Fellowship Program Coordinator, e-mail jrodri4@lsuhsc.edu for any further information. You can also call me at your convenience at 504-896-9740.

Thank you again for considering our program. Talk to you soon!

Maria C. Velez, MD
