Saturday, March 15, 2008

Access and Equity in Health Care: Two Strangers at the Door

Children's Hospital, New Orleans, 70118
Auditorium

Registration
7:30 – 8:30 am

Symposium/Workshop
8:30 am – 4:30 pm

Target Audience:

Health care students and professionals, social sciences students and professionals, policy makers, public health students and professionals, health care administrators, community leaders, and interested participants.

Educational Objectives:

At the conclusion of this activity, participants should be able to:

1. Discuss theories of social justice as they apply to access and equity in health care.
2. Develop skills in analyzing social determinants of disparities in health care.
3. Discuss current and proposed policies for setting the health care agenda.
4. Become familiar with evidenced-based models for allocating limited resources.
5. Appreciate the need for further research and advocacy to alleviate health care disparities.

Sponsored by:

Louisiana State University Health Sciences Center, New Orleans
Children's Hospital, New Orleans
University of Magna Graecia, Italy

Department of
Pediatrics
