

# Now accepting Postdoctoral Fellow Applications UT Health San Antonio

## NIDA T32 Training Program

### Training in drug abuse research: behavior and neurobiology

UT Health San Antonio is seeking qualified applicants for a NIDA T32 Postdoctoral Training Program. Fellows receive interdisciplinary training across various laboratories and areas of expertise. Taking advantage of the diverse expertise of participating faculty mentors, this program provides interdisciplinary research training for individuals who are highly motivated to seek a broader training than is typically available in traditional postdoctoral experiences.

#### Program Benefits:

- Appointments are for 1 year, renewable for up to 3 years
- Great career development opportunities including “Getting a Job Boot Camp”
- Additional activities include:
  - Addiction seminar series
  - Journal clubs
  - Opportunities to present research at local and national drug addiction meetings
- Grant writing/ reviewing workshops
- Career development workshops

#### Mentor Expertise:

- Molecular Pharmacology
- Electrophysiology
- Neurochemistry
- Biochemistry
- Neuropharmacology
- Behavioral Pharmacology
- Clinical Trials
- Human Laboratory Studies

#### Application Requirements:

- Doctoral degree or equivalent
- Received less than 3 years of NRSA support at the Postdoctoral Level
- US citizen, non-citizen national, or permanent resident of the US

#### To Apply:

Applicants should send their Curriculum Vitae, Letter of Intent, and two letters of recommendation to [drugabusetraining@uthscsa.edu](mailto:drugabusetraining@uthscsa.edu) ATTN: Charles P France, Program Director, Department of Pharmacology, UT Health San Antonio, 7703 Floyd Curl Drive, Mail Code 7764, San Antonio, TX 78229.
