Professional Positions

July 1999-Present

ASSISTANT PROFESSOR, Louisiana State University Health Sciences Center (LSUHSC), Department

of Psychiatry- New Orleans, Louisiana

Duties: Violence Intervention Program for Children and Families: Conduct individual, group, and family therapy, and psychological evaluations for children and adults exposed to violence. Train the police to respond to violent incidents involving children and their families. Man a 24-hour hotline to respond to crisis situations involving violence. Present to colleagues and other professionals working with children and families on the impact of violence and how to adequately attend to the victims. Supervise student clinicians.

Orleans Parish Permanency Infant and Preschool Program: Conduct extensive relationship-based evaluations to assess whether parental rights should be terminated or infants should be reunited with their biological parents as part of a court-funded multidisciplinary team. Conduct out-patient relationship-based family therapy with all available caregivers and their infants, individual therapy with the young children, psychological evaluations with the caregivers, and/or developmental evaluations with the children if needed. Provide court testimony as an expert witness as needed and supervise the trainees. Program coordinator since July 2002, Director since March 2004

Harris Infant Mental Health Program: Conduct out-patient family therapy with parents and their infants. Assist in the coordination and teaching of a weekly didactic seminar on infant mental health to a yearly group of fellows. Supervise trainees.

LSUHSC: Coordinate and oversee the child training for the psychology pre-doctoral interns. Co-facilitate a multidisciplinary case conference for psychiatry, psychology, and social work trainees. Teach medical students, psychiatric residents, psychology interns, and social work interns various classes related to human development and clinical psychology. Conduct psychological evaluations and consultations with children. Conduct individual and family out-patient therapy. Conduct individual supervision with child psychiatry residents, psychology interns, and social work trainees.

Oct. 2001- Oct. 2004

Child Psychologist Consultant: Consult to the Clinical Evaluation Program (CEP) which performs case management and oversight for the management of mental health concerns for the Louisiana state foster care system, the Office of Community Services (OCS).

Jan. 2004- Present

Child Psychologist Consultant: Consult to two local parishes' child protection office (Office of Community Services- OCS) at their monthly multidisciplinary staffings of all cases.

Jan. - June 2005

Co-Director of training course in infant mental health: Create syllabus and training program in infant mental health along with Dr. Joy Osofsky for Early Childhood Supports and Services (ECSS) providers in the state of Louisiana. Teach and supervise trainees.

March 1996 - May 1997

THERAPIST, Community Psychiatric Center- Fort Lauderdale Hospital, Social Services Department, Fort Lauderdale, Florida

Duties: Facilitated daily group therapy for adolescent, adult, and geriatric in-patients and residential day patients at a psychiatric hospital. Patients presented with severe emotional disturbance and comprised the full spectrum of disorders. Completed assessments of patients, contributed to interdisciplinary treatment planning, and arranged for placement or aftercare for patients. Conducted individual and family therapy sessions, as well as process and educational psychotherapy groups. In charge of the adolescent unit and co-managed the social services department.

Supervisors: Susan Steinle, C.A.A.P. & Nicole Nicastro, M.S.W.

Oct. 1995- March 1996

PSYCHOLOGICAL EVALUATOR, Family Life Institute of Counseling, Education, and Research (FLICER), in affiliation with the Broward County Juvenile Justice System, Ft. Lauderdale, Florida

Duties: Conducted psychosocial assessments and full psychological batteries on juvenile delinquents. Reports sent to caseworkers suggesting recommended services and to assist in placement of the children.

Supervisors: Janice Ellery, PhD & John Mulhoff, PhD

June - July 1994

COUNSELOR, Crossroads Summer Camp, Ft. Lauderdale, Florida

Duties: Worked with children ages 5-17 diagnosed with Attention-Deficit/Hyperactivity Disorder on a life management program which utilized behavioral modification during a six week overnight camp.

Responsibilities included supervision and implementation of the program on numerous nighttime and overnight excursions, as well as daily activities.

Supervisor: Joyce Fein, PhD

Jan. 1994 - Aug. 1995

IN-HOME SUPERVISOR, Private home, Weston, Florida

Duties: Cared for a female infant and her three-year-old brother who was diagnosed with Pervasive Developmental Disorder. Worked on communication and daily living skills with the three-year-old.

Supervisor: Patty Shutt, MS

Dec. 1992 - Aug 1993

PROGRAM DIRECTOR, Wilmette Youth Resource Foundation, Wilmette, Illinois

Duties: Responsible for all educational, vocational, cultural and recreational programming for approximately 100 teens (14-18 yrs.) who visited the drop-in center. Directed the Youth Activities and Review Boards and engaged in informal individual and group support counseling with the teen-agers.

Supervisor: Deborah Seiler-Jha, M.S.W

May - Dec. 1992

STAFF MEMBER. Wilmette Youth Resource Foundation, Wilmette, Illinois

Duties: Volunteered as a supervisor, informal counselor and role model to approximately 100 teens at a community drop-in youth center. Supervisor: Deborah Seiler-Jha, MSW

June - Aug. 1992

IN-HOME SUPERVISOR, Private home, Highland Park, Illinois

Duties: Supervised a six-year-old boy diagnosed with Pervasive Developmental Disorder (PDD). Worked on communication and interpersonal skills.

Clinical Training Experience

July 1998 - June 1999

POSTDOCTORAL PSYCHOLOGY FELLOW, Department of Psychiatry, Louisiana State University Medical Center, New Orleans, Louisiana

Duties: Violence Intervention Program for Children and Families: Conducted individual, group, and family therapy, and psychological evaluations for children and adults exposed to violence. Trained the police to respond to violent incidents involving children and their families. Manned a 24-hour hotline to respond to crisis situations involving violence. Presented to colleagues and other professionals working with children and families about the impact of violence and how to adequately attend to the victims. Supervised social work interns. Supervisors: Joy D. Osofsky, PhD & Grant Butterbaugh, PhD

Harris Infant Mental Health Fellow: Conducted extensive evaluations to assess whether parental rights should be terminated or infants should be returned to their biological parents as part of a court-funded Permanency Infant Placement team. Conducted out-patient family therapy with parents and their infants. Completed psychological testing with the parents. Participated in a weekly didactic seminar on infant mental health. Supervisors: Joy D. Osofsky, PhD & Jean Valliere, LCSW

July 1997 - June 1998

PRE-DOCTORAL PSYCHOLOGY INTERN, Department of Psychiatry, Louisiana State University Medical Center, New Orleans, Louisiana

Duties: New Orleans Adolescent Hospital: Conducted in-patient individual and group therapy, and psychological evaluations with adolescents in a psychiatric hospital. Supervisor: Catherine C. Reichard, PhD

Touro Infirmary: Conducted individual, family, and group therapy in an in-patient and out-patient brain rehabilitation program for adults and their family members at a medical hospital. Participated in a small amount of neuropsychological testing. Supervisor: William C. Gibson, PhD

Charity Hospital: Conducted individual therapy, group therapy, and psychological evaluations on an adult in-patient psychiatric ward in a medical hospital. Supervisors: Thomas Wolf PhD, Elizabeth David, MD & F. Merritt Ayad, PhD

LSU Medical Center: Conducted individual and family therapy with adults and children through LSU's out-patient clinics. Completed psychological evaluations on children and adults. Supervisors: Jayne Bellando, PhD & Joy Osofsky, PhD

Children's Hospital: Assisted with developmental evaluations of high-risk infants through inclusion in a high-risk team. Supervisor: Jayne Bellando, PhD.

LSU HIV Clinic: Co-facilitated a support group for the staff. Supervisor: Rhonda Palomino, PhD

Nov. 1995 - May 1996

CASE MANAGER, Program for the Seriously Emotionally Disturbed, Nova Southeastern University Mental Health Center, Ft. Lauderdale, Florida

Duties: Conducted weekly individual supportive psychotherapy with adult and child patients suffering from psychotic symptoms. Supervisor: Jan Faust, PhD

Sept. 1995 - July 1996

PSYCHOLOGY TRAINEE, (Practicum), Department of Psychiatry, Miami, Children's Hospital, Miami, Florida

Duties: Conducted intakes and weekly individual and family therapy with psychiatric in-patient and out-patient children (ages 2-18) with a wide range of disorders. Conducted comprehensive psychological evaluations on the psychiatric in-patient children and participated in the children's multidisciplinary treatment planning. Received weekly individual and group supervision, and attended interdisciplinary case conferences and seminars. Supervisors: Nathan Azrin, PhD- Nova Professor, James Huff, PhD- Director of Clinical Training at MCH & Michael Puhn, PhD- Staff Psychologist at MCH

June 1995 - March 1996

IN-HOME THERAPIST, Project For a Safe Family Environment (SAFE), Nova Southeastern University Community Mental Health Center, Hollywood, Florida

Duties: Conducted in-home therapy with a co-counselor with families referred by the local child protection agency (HRS) due to abuse or neglect of their children. Implemented a 16-week ecobehavioral therapy program tailored for the family to facilitate better communication among family members, ensure members' safety, teach parenting skills, and create a safer home environment for all family members. Administered, scored, and wrote assessments on the families, and maintained continuous contact with HRS caseworkers to aid determination of custody decisions. Supervisors: Bradley Donohue, PhD, Program Coordinator & Vincent B, Van Hasselt, PhD, Program Director

Sept. 1994 - Sept. 1995

PSYCHOLOGY TRAINEE, (Practicum), Pediatric Psychology Program, Nova Southeastern University Community Mental Health Center, Ft. Lauderdale, Florida

Duties: Conducted weekly individual play therapy or cognitive behavioral therapy with children (ages 2-13) who had experienced or witnessed abuse and/or were enuretic. Conducted parent-training sessions

with the clients' parents. Conducted extensive semi-structured interviews using the Schedule for Affective Disorders & Schizophrenia- Kiddie Version and monitored progress throughout the therapy via self-report questionnaires. Supervisor: William J. Burns, PhD

Sept.- Dec. 1992

STUDENT INTERN, Child Life Department, Children's Memorial Hospital, Chicago, Illinois

Duties: Worked primarily with infants (0-22 months) hospitalized for acute medical conditions. Supervised play groups, attended staff conferences, attended hospital in-services, and worked with individual in-patients and their families to help them adjust to hospitalization, prepare them for medical procedures, and to help them regain/achieve appropriate developmental milestones while hospitalized. Specialized in failure-to-thrive infants. Supervisor: Heather Blackwell, M.Ed., C.C.L.S.

Research Experience

July 1998 - Present

RESEARCHER, Violence Intervention Program, LSUMC, New Orleans, Louisiana

Duties: Administer, score, and evaluate pre and post-therapy self-reports administered to children and their parents treated in out-patient therapy. Past Supervisors Joy D. Osofsky, PhD & M Dewana Thompson, PhD
Currently coordinate the research for VIP with Program Evaluator: Jill Hayes Hammer, PhD

July 1996 - June 1997

RESEARCHER, General Child and Adolescent Program, Nova Southeastern University, Ft. Lauderdale, Florida

Duties: Compiled and analyzed results of pre and post-therapy Achenbach Child Behavior Checklists (Parent Form) gathered on children (5-18 years) treated in out-patient therapy for behavior problems. Investigated treatment efficacy and interacting variables. Supervisors: Pamela Hall, PsyD Director, General Child and Adolescent Program, & William J. Burns, PhD, Professor.

Nov. 1995 - May 1996

RESEARCH ASSISTANT, Program for the Seriously Emotionally Disturbed, Nova Southeastern University Mental Health Center, Ft. Lauderdale, Florida

Duties: Administered and scored full battery assessments on children diagnosed with schizophrenia or another psychotic disorder. Analysis of data utilized to assess treatment efficacy. Supervisor: Jan Faust, PhD, SED Program Director

Jan.- Aug. 1994

RESEARCH ASSISTANT, Pediatric Psychology Program, Nova Southeastern University Community Mental Health Center, Ft. Lauderdale, Florida

Duties: Administered structured assessment batteries to clients (6-16 years) with elimination disorders and/or PTSD and their parents to collect information for their therapists and for research purposes. The batteries consisted of 22 orally administered self-report inventories including the K-SADS, BDI, CD1, and the Achenbach, among others. Supervisor: Jan Faust, PhD, Program Director
