## PROGRAM DIRECTOR'S REPORT

We were very excited to complete our first year in the National Residency Match Program of accepting 3 residents for the Diagnostic Radiology Residency and 2 residents for the brand new Interventional/Diagnostic Radiology Residency. The new IR/DR Radiology Residency combines 3 years of diagnostic radiology and two years of interventional radiology into one formalized residency. We had an outstanding Match!

We are also sad, but excited to wish our senior residents farewell as they go off to complete their fellowships. **Dr. Lawrence Manalo** will complete his Fellowship in Breast Imaging at the University of California in San Francisco. **Dr. Dane Mackey** will complete his fellowship in Interventional Radiology at the Cleveland Clinic. **Dr. Eric Wallace** will complete the Alabama Sports Medicine Imaging fellowship at the Radiology Associates of Birmingham. **Dr. Mark Froom** (DR) and **Dr. Ricky Miller** (IR) have been announced as the new Co-Chief Residents and will replace **Dr. Jonathan Stidham**. We thank Dr. Stidham for his tireless effort and dedication to the residency!
