website

### LSU Pediatrics Announcements

#### LSU Department of Pediatrics Town Hall

Yesterday evening, the department enjoyed an informative and interactive Town Hall in which was discussed the mission and direction of LSU Pediatrics. Those in attendance were also given the opportunity to give input and ask questions which made for a collaborative and engaging meeting. For those who were unable to attend or would like to review Dr. Moulton's [PowerPoint presentation](#), you may do so here.

#### Dr. Susan Glass in New England Journal of Medicine

Our new faculty member in the Critical Care division, Dr. Susan Glass, was

published in the most recent edition of the [New England Journal of Medicine](#) - a perspective piece on her patients' end-of-life experiences. Well done, Dr. Glass, on your emotive comparison of familiar shadows and precious, patient memories.

---

### 3rd Place Winner, \$500 Dean's Research Travel Award

Last week the 20th Annual Medical Student Research Symposium was held in which 92 LSU medical students presented research project they and their mentors collaborated on. Congratulations Dr. Regina Zambrano for your co-authorship on an award winning project!

Sloane M. Clay, M3, LSUHSC

Co-Author: Regina Zambrano

## FACULTY DEVELOPMENT

*New video monthly*

### November Video: Assessment Statements

In this season of Thanksgiving, I'm thankful for our amazing faculty and our dedication to excellence in education! This is a short (under 7minutes) video that discusses components of a strong assessment statement. Whether you adopt this formula or stick with one of your own, I encourage you to spend time this month coaching your learners on a strong assessment statement to both enhance patient care and medical education.

For questions or comments regarding Faculty Development, please contact [Amy Creel](#).

## CHNOLA Announcements

### Grand Rounds

Please see the [attached flyer](#) for this week's presentation from Dr. Monika Dietrich. A limited number of lunches will be provided for guests in the Large Conference Rooms.

Please note: to receive credit, you must register on Eventbrite and attendee names as they appear in zoom should clearly identify the attendee. For example, "iPhone (2)" is difficult to assign credit to, whereas "Emma Simon," "E. Simon," or "Simon, E" are all acceptable. Please reach out with any questions.

### "Care of the HIV-Exposed Infant"

Wednesday, November 8, 2023  
Large Conference Rooms, Noon

You may join Pediatric Grand Rounds from your computer, tablet, or smartphone:  
To receive CME or CEU Credit in person or online, you **MUST** register.  
Register here: <https://forms.gle/YG6rtKUFJ7z4dckz6>

Zoom link: <https://lsuhsc.zoom.us/j/92060541657>  
Meeting ID: 920 6054 1657

Note: This is a live activity. The link is only valid from noon - 1:00 PM and the presentation will not be recorded for CME or CEU credit. Please register to receive credit.

Monika Dietrich, MD, FAAP, is an Assistant Professor at Tulane University School of Medicine. She completed her undergraduate and medical school degrees at Michigan State University, studying both in Lansing, MI and Flint, MI. She further pursued her training in Pediatrics at Tulane-Ochsner in New Orleans and chose to stay on for Fellowship in Pediatric Infectious Diseases at Tulane as well. She enjoys seeing patients with complex infections in the hospital and clinic and is particularly interested in adolescent HIV care and atypical Mycobacterial infections, as well as care of recently immigrated children and travel visits. Her long-term, clinical translational research interests revolve around the effects of common viral infections both on the population-wide level and within particularly vulnerable subgroups. She is also participating in a number of ongoing SARS-CoV-2 research, and is the Primary Investigator of the Tulane and Children's Hospital New Orleans Moderna SARS-CoV-2 vaccine investigational trial in children 6 months old to less than 12 years.

Objectives: At the conclusion of this activity, participants should be able to:

1. Describe the prenatal, peripartum and postnatal methods of preventing congenital and perinatal HIV infection
2. Understand what key pieces of information are required to choose the correct method of treating HIV exposure in the infant.
3. Understand when discussion with a specialist in Pediatric Infectious Diseases would be recommended

Intended audience: This activity is specifically directed towards the pediatrician but it is open to all other interested physicians, residents, medical students, and allied health professionals.

Accreditation: Children's Hospital New Orleans is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation: Children's Hospital New Orleans designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits\*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE statement: Children's Hospital is approved as a provider of nursing continuing professional development by Louisiana State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation, Provider #4003155. To receive credit, you must attend the entire program and submit a post program evaluation.

## Department Wellness

CHNOLA's childcare center open for children of providers/staff working at Children's Hospital ([flyer](#))
