CAMP TIGER 2021

As you likely know, each year, the first-year class of LSUHSC New Orleans hosts Camp Tiger, a free week-long summer camp for children with disabilities. Camp Tiger has been staffed by rising second-year and incoming first-year medical students for over thirty years now. These future doctors have thoroughly enjoyed spending their first week of summer with such amazing campers, and now it is my class's turn to take the lead.

I'm incredibly honored to be this year's Camp Tiger Director. It's a huge undertaking, especially this year: the Camp Tiger Auction and Benefit, our main source of funding, moved to an online format rather than an in-person event and Camp Tiger is being redesigned as a virtual camp experience for the last week of May.

Devastatingly, Camp Tiger was cancelled last summer, so my class and I have promised to bring Camp back this year in some shape or form. Even though Camp is virtual this year, I am beyond excited for what my committee and I have created for this summer.

The week of Camp Tiger is starting off with a "Camper Car Parade" where the kids are our VIPs. Our vaccinated counselor staff will greet the excited campers with balloons, posters, and a personalized "Activity Kit" filled with their supplies for the entire week: toys, crafts, games, snacks, t-shirts, and more! For the rest of the week, the kids will have a large group and small group activity each day via Zoom. The large group activities are exciting: we have activities planned with Infinity Science Center connecting to our outer space theme, we'll meet some zoo animals through the Audubon Zoo, we're having a music and dance day with a few Saintsations and LSU Golden Girls, and we will be finishing off the week with a Magic Show through Crescent Circus.

Our asynchronous small group activities will allow our campers to still have the opportunity to play and interact with kids their age and for our awesome counselors to have more personalized time to get to know their campers. It is our promise to make this year's Camp Tiger just as special if not more special than all the rest. We are excited to have the opportunity to make Camp so flexible and accessible to kids across the state, not just New Orleans, and hope to continue this option for campers we have to turn away because of the high application rate. I think the coolest part is that the campers will have the professional activity videos year round, so they can relive the Camp Tiger experience as long as they want beyond just the last week of May!

This Camp has meant so much to me personally in the last few months, but I can't wait to bring it to the kids that have been waiting for almost two years to have Camp again. These children are so often overlooked by the community, and there are very few summer camps for kids with disabilities. Camp Tiger celebrates them and prioritizes their experience. Lastly, it's free of charge! The families don't have to worry about paying for this awesome week of fun activities, so if you would like to donate to Camp Tiger, visit give.lsuhealthfoundation.org/givenow. Designate: Camp Tiger. Or visit bidpal.net/camptiger, and make a donation today. Geaux Camp Tiger!

Honoring an LSU Champion

Cy Vaughn ('58) was born in Longview, Texas and grew up in Lake Charles, Louisiana. After graduating from LSU School of Medicine New Orleans, he trained in surgery in US Public Health Services hospitals in New York, New Orleans, Phoenix and Utah.

During Dr. Vaughn's thirty-one years of practice in Phoenix, he performed many Arizona surgical firsts, including coronary artery bypass and implantation of an artificial heart to treat heart implant rejection.

Dr. Vaughn

He is also the author of two novels, *The Phoenix Heart* and *Depot Dara*.

In 1983, he, along with **Bernard Samuels ('57)**, collaborated with Richard Paddison, MD (Director of the Alumni Office at that time) to create the Committee of 100 – Champions of Excellence, a group of core supporters of the School of Medicine who have pioneered efforts to fund Professorships and Chairs for the medical school. What began as a vision to enlist one hundred supporters to pledge \$1,000 for ten years has now developed into over 800 supporters and millions of dollars for School support.

The School will forever benefit from the efforts of Drs. Vaughn and Samuels.

For information on how to become a member of the Committee of 100, contact the Alumni Office at: (504) 568-4029 or ROAR@lsuhsc.edu.

Dean's Corner: A Message from Dr. Nelson

Dear Friends,

As we come up on a year since the first cases of Coronavirus were detected in Louisiana, I want to once again applaud the incredible work of our faculty and staff in these unprecedented times and look toward the future of our school. This is an exciting time as we usher in new leadership for 3 departments.

In September 2019, after more than 30 years as Department Head for Psychiatry, Dr. Howard Osofsky announced he will be stepping down. Dr. Osofsky built a large and successful department that serves the local community and the state and we could not be more grateful for his service to LSU Health. We are pleased to welcome back a previous LSU faculty member, Dr. Rahn K. Bailey, to lead the Department. Dr. Bailey is Assistant Dean for Clinical Education and CMO at Charles Drew University School of Medicine in Los Angeles. Dr. Bailey is board certified in Psychiatry and Forensic Psychiatry, and he is a nationally recognized expert on gun violence, intimate partner violence, health disparities in minority populations, and forensic psychiatry. In addition to his new role as Department Head at LSUHSC, Dr. Bailey will work with Dr. Robert Maupin as Assistant Dean for Community Engagement.

Dr. Rahn K. Bailey

Dr. Cynthia J. Brown

After more than 30 years holding the position of Department Head for Internal Medicine, **Charles V. ('Bo') Sanders ('64)** announced he will step down. Dr. Sanders is a revered teacher who has

inspired thousands of students, residents and fellows with his love of medicine. We are fortunate that Dr. Cynthia J. Brown has agreed to be the next leader of this important department. Dr. Brown is currently Professor of Medicine and Director of the Division of Gerontology, Geriatrics and Palliative Care at University of Alabama at the Birmingham School of Medicine (UAB). She also serves as Vice Chair for Faculty and Staff Development in the Department of Medicine, and faculty development is one of her passions. She is a dynamic leader and a distinguished researcher and scholar in the field of geriatrics. Dr. Brown is Director of the Integrative Center for Aging Research and she has a long history of research funding. We will propose that Dr. Brown be named to hold the Charles V. Sanders Endowed Chair in Medicine. That will be a fitting tribute to both Dr. Sanders and Dr. Brown.

We are grateful for Dr. James Riopelle who has admirably served as Interim Department Head for Anesthesiology since November 2019 and we appreciate his willingness to serve the department during this time of transition. We are delighted to recruit Dr. Richard M. Pino back to LSUHSC, where he began his medical career, to serve as the next Department Head for Anesthesiology. Dr. Pino is currently an Associate Professor of Anesthesiology at Harvard Medical School and an Associate Anesthetist at Massachusetts General Hospital (MGH). Dr. Pino first joined the faculty at LSU as an Assistant Professor after he received his PhD in Anatomy from Hahnemann Medical College in Philadelphia and then completed a post-doctoral fellowship in cell biology at Wayne State University. He became a tenured Associate Professor in the Department of Cell Biology and Anatomy and was a member of the LSUHSC Faculty Senate before enrolling in medical school. He received his MD degree from LSU, where he was inducted into AOA. Dr. Pino has experience as Vice Chairman for Critical Care and as the Medical Director of the Surgical ICU at MGH. Dr. Pino has an interest in developing a surgical ICU service at University Medical Center and expanding ICU training for the anesthesiology residents.

Dr. Richard M. Pino

Please join me in thanking our previous Department Heads for their years of service and welcoming these incredibly qualified individuals to fill their shoes.

Associate Dean for Admissions

We are delighted to announce that Dr. Angela McLean will serve as Associate Dean for Admissions in the School of Medicine. She has a long history of service to the school and she is uniquely qualified for this important leadership position.

Dr. McLean is a Summa Cum Laude graduate of Xavier University, and she received her MD from the University of California, San Francisco School of Medicine. She returned to New Orleans to do her residency in internal medicine at LSU and to serve the patients at Charity Hospital. She served as Chief Resident before her appointment to the faculty in 1995. Dr. McLean is an outstanding doctor, teacher and administrator, and she is currently Professor of Clinical Medicine in the Section of General Internal Medicine.

Early in her faculty career, Dr. McLean displayed a strong interest in medical student well-being and medical education. She has served on the Admissions Committee for 20 years and has served on Curriculum Development, Oversight and Steering committees for almost as long. She has played an important role in accreditation site visits, and she was Medical Director of Student Health for twelve years. She has been active in teaching students and residents for her entire career, and has helped develop curricula in the areas of cultural competency, women's health, primary care, and interprofessional education. She has served as Co-Director of the Clinical Sciences Curriculum and as Director

of Student Services in the Office of Diversity and Community Engagement. In addition to her service to the school, Dr. McLean has worked with the AAMC and SNMA on development of minority faculty and women faculty.

Dr. McLean has been an outstanding clinician throughout her career at LSU. She has been a mainstay in our resident supervision primary care clinics, as well as the ambulatory clinics in the LSU HealthCare Network. She is highly respected in the community, having served as Medical Director for Odyssey House, as a collaborating physician with the Musicians Clinic, and is one of New Orleans' Best Doctors.

Dr. McLean has been invaluable to the school as a clinician, educator, administrator, and community representative. We are thrilled that she will serve as Associate Dean for Admissions and we are confident that she will advance the mission and values of LSUHSC School of Medicine. Please join us in congratulating Dr. Angela McLean.

Dr. McLean

In Loving Memory of Katherine Lindley Spaht Dodson ('03)

We were heartbroken to hear of the passing of **Katherine Lindley Spaht Dodson ('03)**. A Louisiana native, Lindley dedicated her life to helping children. She was a 2003 graduate of the LSU Health New Orleans School of Medicine and completed her residency in pediatrics at Vanderbilt University Medical Center. She later served as an instructor at Harvard Medical School and as an urgent care physician at Boston Children's Hospital. Lindley married her husband Drew and moved to Austin in 2007 where she was a pediatric hospitalist at Dell Children's Medical Center and a faculty member in the Department of Pediatrics at Dell Medical School. She was named Dell Children's Medical Center's top pediatric doctor in both 2012 and 2017. She joined Children's Medical Group in 2017 and was honored to become the practice owner in 2020. The mark she leaves as a trusted pediatrician to countless families and as a treasured colleague and mentor will endure, and her generosity and gifts of her time, talent and kind heart will be greatly missed.

While her professional career was remarkable, her family always came first. She taught her children to love, laugh and pray every day and be thankful for their many blessings. She also taught them about all things Louisiana. She loved festivals and any excuse to wear a costume. She was a diehard LSU Tiger fan and a lifelong ambassador for Mardi Gras. Lindley was a shining light of compassion, warmth and dedication. She was committed to leading a life of caring for others as evidenced by the way she loved and cared for her family, friends and patients.

Accessible, funny, caring, determined, brilliant, and selfless, Lindley had an impact on everyone she met. She was the epitome of beauty, both inside and out.

In lieu of flowers, the family asks that you contribute to the Lindley Spaht Dodson Memorial Scholarship in her memory.

To contribute by check, make your check payable to:

Please keep her family, friends, and patients in your thoughts and prayers as they cope with this inestimable loss.

LSU Purple & Gold Gala - 2006

The beginning of our yearly LSU Galas

Stepping into the next 75 years: photograph by Donna Klein, artwork by Virginia Howard.

It was billed as “The First Day of School for the Next 75 Years” and was the final celebratory event of our Diamond Jubilee year. The site was the Astor-Crowne Plaza Hotel. The date was October 7, 2006, an auspicious day since the school opened for business on October 1, 1931. And it became the first of our 14 LSU Galas held every autumn from 2006 - 2019.

2nd Annual LSU Purple & Gold Gala - 2007

It was listening to the warm up provided by Alex Pena's musical group. It was dancing to the music of Irma Thomas and her band. It was silent auction. It was live auction. It was food and drink and fellowship of 800 faculty, alumni and friends of LSU School of Medicine. It was the result of hundreds of hours of staff and volunteer efforts.

It was "Purple Blues and Gold," the Alumni Association's Second Annual Fall Gala. All event proceeds were earmarked for the Center for Advanced Practice, but more than that it was another opportunity for the large and extended family of the School of Medicine to have a good time.

Perhaps a letter from the "Faculty Assembly" said it best: "In our discussion of the event at our most recent meeting, the Faculty Assembly delegates praised the event as a wonderful evening and opportunity to contribute to an important cause. Occasions such as this are also of tremendous value in the post Katrina era where faculty and staff are incredibly busy and dispersed to numerous locations. This event brought our faculty and many students together for fun, food, and terrific music."

50's costumes were the order of the day, with poodle skirts and outlandish tuxedo jackets in abundance. Several Elvis impersonators were spotted along with some more sedately dressed attendees.

Dr. Melancon

~ In Memoriam ~

It is with great sadness that we share the passing of **Keith Melancon ('91)**. Dr. Melancon was an Orthopedic Surgeon who graduated from the LSU School of Medicine in 1991 and joined the faculty ranks in 2010. The LSU School of Medicine is so honored that his son chose to follow in his father's footsteps and became a "Tiger Cub." His legacy will live on forever.

~ In Memoriam ~

Ronald R. Lubritz ('59), Born August 3, 1934, in New Orleans, LA. Son of Bella and Dr. Ephraim Lubritz (deceased) of New Orleans, LA. Dr. Lubritz earned his BA in science at Tulane University, then continued his education, receiving his doctorate degree in medicine in 1959 from Louisiana State University, his father's alma-mater. His father was a member of the first graduating class of LSU medical school, and Dr. Lubritz was the first son of an LSU Medical School graduate to also graduate. Following his residency at Charity Hospital in New Orleans, he relocated to Hattiesburg, Mississippi in 1963 to open his own dermatology clinic. He practiced medicine for 61 years, including 57 years in Hattiesburg, providing services to over 44,000 patients. He founded the Mississippi Dermatology Association in 1973 and served as President for 16 years. In 2017 the Association named their annual international lectureship the "Lubritz Lectureship" in honor of his years of leadership and commitment to the profession. The USM Center for Military Veterans has established a memorial scholarship in his name. Donations to the scholarship fund can be made through the USM foundation (www.usmfoundation.com) by requesting the donation be directed to the "Ronald Lubritz excellence in medical care scholarship." He is survived by his wife Joy, his 3 children, Leslie, Paige, Jody, stepchildren Jessica and Harry, his brothers, Dr. Joel Lubritz and wife Carol, Dr. Kenneth Lubritz (Mary), and sister Lana Goldberg, his grandchildren, nieces and nephews, and a host of life-long friends.

Dr. Lubritz

From your Alumni Office. . .

Dear All,

Greetings to all. We had hoped that 2021 would be more like the usual Reunion Weekend in New Orleans, but everything is different. The constant changing restrictions on gathering sizes makes plans for this year's reunion challenging. This office has been communicating with class representatives for both 2020 and 2021 reunion classes regarding their preference for virtual or face-to-face events, or whether they would like to defer celebrations until 2022 when (hopefully) things will be more predictable.

A few events that will be rescheduled to 2022 are the Committee of 100 Banquet, the annual reunion Friday night alumni cocktail reception, and the annual Scientific Session. Classes who elect to meet virtually or face-to-face will meet on Saturday, June 12, 2021.

Meanwhile, the School remains committed to our educational mission and medical students are continuing their clinical training without interruption (mostly).

The Alumni Office continues to work to support the School and our Alumni. Feel free to call us with any questions.

Sincerely,

A handwritten signature in black ink that reads "Cathi Fontenot". The signature is written in a cursive, flowing style.
