Student-purchased Notebook Computer Requirement for Fall 2014
READ CAREFULLY AND RETURN BEFORE JUNE 30, 2014

Students in the Class of 2018 must own a notebook computer as part of the equipment required for beginning classes in Fall 2014. As the curriculum of the School of Medicine (SOM) advances into the future, our technology requirements continue to grow. Computer-based learning materials and exams are now part of the curriculum. To ensure standardized testing conditions and computer support, ALL STUDENTS must purchase the specified model through the SOM.

The SOM is currently evaluating the notebook computer model for Fall 2014. The chosen model will meet or exceed the specifications outlined below, and cost approximately $1500 including hardware, software, 4 yr warranty, 4 yr damage replacement, shipping and taxes.

Approximate Specifications: Notebook, 4th Generation Intel® Core™ i7-4600U (2.1 GHz, 4 MB cache, dual core, 3.3 GHz with Intel Turbo Boost Technology), Intel HD Graphics 4400, 4GB SDRAM, 500GB 7200RPM HD, 14.0" HD LED, HD webcam, integrated audio, integrated Gigabit Ethernet adapter, integrated 802.11a/b/g/n wireless adapter, Li ion battery, AC Adapter, Win 7 64-bit OS, MS Office 2010 Pro, antivirus software, 4 Yr onsite warranty, 4 Yr accident protection plan, notebook sleeve, Ethernet patch cable.

Orders are placed for all students in late June 2014. The computers are delivered to the SOM, configured with software, and distributed to students at orientation. The cost of the computer is added to the student’s Fall 2014 fee bill and is eligible for financial aid.

Please sign and return this form by June 30, 2014 to:

Orientation Forms
