New video monthly

September Video: *Characteristics of Effective Feedback*

Feedback is crucial for educating our learners. But it doesn't always come naturally. This video breaks down characteristics of effective feedback and uses some scenarios to show do's and don'ts in clinical scenarios. With a run time of 12 minutes its great to watch over lunch, during a break, or in small chunks when you have a minute to invest in education!

Department Wellness

Department Picnic

Mark your calendars! The Department's 3rd Annual Picnic is set for Sunday, September 22 at Audubon Park, Shelter #10 (the usual spot) from 11:30am - 2:30pm. There will be lots of BBQ and snoballs!

Bootcamp Class: Children's is offering FREE bootcamp classes on Tuesday evenings from 5:30-6:30 p.m. outside the Conference Center. Class is open to all Children's employees and members of the medical staff. This one-hour interval training bootcamp is for all skill levels. No experience is necessary. You will gain confidence in your abilities and increase your capacities for stamina, strength, flexibility, and balance. Please bring a water bottle with you to class.

Weekly Walk in Audubon Park - Another weekly opportunity for exercise and fellowship with your colleagues is Walk with the Execs. Every Wednesday, you can meet members of our executive team in the Lauricella Pavilion at 5:30 pm for a walk to and through Audubon Park. We hope to see you next week!

New Addition

Congratulations to Neonatology Fellow Peter Joslyn and wife Brittany on the birth of their son on August 25. Samuel Thomas weighed 6 lbs, 14 oz and measured 19.5 inches.
