LSU Pediatrics Announcements

SSPR Meeting Information

Thursday, February 13 - Saturday, 15, 2020
InterContinental Hotel, New Orleans

Have you registered for SSPR yet? The deadline to register [online](#) is this coming Monday, **February 10**. Click [here](#) for the pre-registration brochure and click [here](#) for the 2020 SRM Program.

Please note: onsite registration after February 10 increases the fee by \$25. If you wish to have CME credit, there is an additional \$50 fee.

SSPR Poster Mentoring

Over the past couple of years, SSPR member volunteers have served as "poster session mentors." In essence, the volunteer member is assigned to approximately 5 poster presenters (trainees from other institutions). During the poster session scheduled on February 13 this year, the "mentor" visits these posters, allowing the trainee to present, interact, and receive some constructive feedback on their poster. It is all in the form of an informal discussion (no paperwork required). We have received feedback from numerous trainees that they find this process to be very valuable. It has been a lot of fun and a good academic exercise (as well as an item to list on CV).

If interested, please contact Luke Wall, lwall@lsuhsc.edu.

Order Your LSU Pediatrics Shirt Today!

Let's add a little more purple and gold around the hospital with this new LSU Pediatrics t-shirt featuring Nick Sausen's original design. The cost will depend on how many we order, but is expected to be around \$15.

If you would like to order one, please [email Kelly Allerton](#) by this **Friday, February 7** and include the following:

- **Number of t-shirts**
- **Size of t-shirts** (see size chart [here](#))
- **Sponsor one for an incoming 2020/2021 intern! Please consider buying an extra t-shirt as a gift to our incoming interns.**

We will not fill any requests after the order has been placed so please order now!

Advocacy Opportunity - Read to your patients ([information](#))

Chan Zuckerberg Initiative - RFA - Applications due today, 2/4/20 ([information](#))

FACULTY DEVELOPMENT

New video monthly

February Video: *RIME - Reporter, Interpreter, Manager, and Educator*

RIME - Reporter, Interpreter, Manager, and Educator are skills we expect our learners to master throughout training. This 11 minute video reminds us of how these categories can be useful in giving meaningful feedback and in writing evaluation comments. Take a few minutes this carnival season to review and strengthen your educational skills.

Grand Rounds

“Genetic Nephrotic Syndrome: Challenges and Opportunities.”

By:

Ihor V. Yosypiv, MD
Associate Professor of Pediatrics,
Chief, Division of Pediatric Nephrology
Tulane University School of Medicine
New Orleans, Louisiana

Wednesday, February 5, 2020

Children's Hospital State Street Conference Center

Coffee and breakfast items will be served.

OBJECTIVES: At the conclusion of this activity, participants should be able to:

1. Review the molecular and genetic basis of inherited nephrotic syndrome.
2. Review the podocyte development and regeneration.
3. Discuss the implications for clinical practice.

INTENDED AUDIENCE: This activity is specifically directed towards the pediatrician, but it is open to all other interested physicians, residents, medical students and allied health professionals.

Place: Children's Hospital State Street Conference Center

Time: 8:00 AM

CME Statement: Children's Hospital is accredited by the Louisiana State Medical Society to provide continuing medical education for physicians.

Children's Hospital designates this live activity for a maximum of 1.0AMA PRA Category 1 Credit

™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ADA STATEMENT:

In compliance with the Americans with Disabilities Act, if special accommodations are needed, please notify Catherine Mooney at 504-896-9264 no later than Tuesday, February 4, 2020.

Please join Pediatric Grand Rounds from your computer, tablet or smartphone:

<https://global.gotomeeting.com/join/478486117>

This is a live activity, so the link is only valid from 8-9am; the presentation will not be recorded for CME Credit.

New Addition

Dr. Anna McFarlin and her husband Patrick welcomed Charlotte "Charlie" Grace Hill on Tuesday, January 28, 2020 in the evening. She weighed 3lbs 11oz and will be in the NICU for another week or so learning how to eat and gaining weight. Both Dr. McFarlin and Charlie are healthy and doing well.

Department Wellness

*****A new Thursday morning bootcamp class added*****

Bootcamp Class: Children's is offering FREE bootcamp classes on Tuesday and Thursday evenings from 5:30-6:30pm and **Thursdays 7:30-8:30am** outside the Conference Center. Class is open to all Children's employees and members of the medical staff. This one-hour interval training bootcamp is for all skill levels. No experience is necessary. You will gain confidence in your abilities and increase your capacities for stamina, strength, flexibility, and balance. Please bring a water bottle with you to class.

It's Carnival Time!

**Throw me something!
Look for these riders when you go out to the parades:**

Saturday, February 22:

Krewe of Tucks

- Amy Creel, Queen LII, Float #2

Float #9A "Butterfingers":

- Raymond Watts, (first part of tandem), sidewalk side, lower level, person #6
- Isa Ashoor, sidewalk side, second to last person
- Several former residents on this float as well: Rachel Dawkins, Nicole Giambrone, Derek Pepiak, Kat Beatty, Jaime Michel, Sandhya Mani, Andrea Suen, Livia Veress.

Mardi Gras Day, Tuesday, February 25:

Elks Orleans (following Rex):

- Christy Mumphrey & family, Float #1, Drivers side/neutral ground side, first family

Riding in a parade? [Tell us](#) where we can find you! Please include

- **Krewe name**
- **Float number**
- **Neutral ground or sidewalk side**
- **Position on float**

Whether you're riding or not, send in pictures after the parades to share the fun with the department!

Department Anniversaries

The following employees celebrate another year with the department this month. Thank you for your continued service to LSU Pediatrics!

Hyang Lee, 22 years
Jovanny Zabaleta, 19 years
Isa Ashoor, 3 years
