LSU Pediatrics Announcements

Bonnie Desselle and Alexis Morvant Receive LSUHSC SOM Faculty Assembly Outstanding Service to the Institution Awards

Congratulations to **Dr. Bonnie Desselle** and **Dr. Alexis Morvant** for their nominations and selection for the LSUHSC SOM Faculty Assembly Outstanding Service to the Institution Awards. The purpose of this award is to recognize those individuals who have made major, enduring contributions to the development of the LSUHSC-SOM and who have advanced its mission. Key indicators for this award include:

- Effectively participated in institutional committees, resulting in programmatic development or change.
- Elected or appointed to leadership role(s) in institutional committees (indicative of trust and recognition of past superior service and administrative abilities).
- Promoted innovation and excellence in the SOM.

- Enhanced participation and engagement of SOM faculty across the various SOM sites.

Dr. Desselle and Dr. Morvant's selections identify their service to LSU Health-SOM by colleagues and speaks volumes to their dedication and hard work. Interim Dean DiCarlo has generously provided an educational grant and a plaque, which will be presented at a later date, to accompany this award.

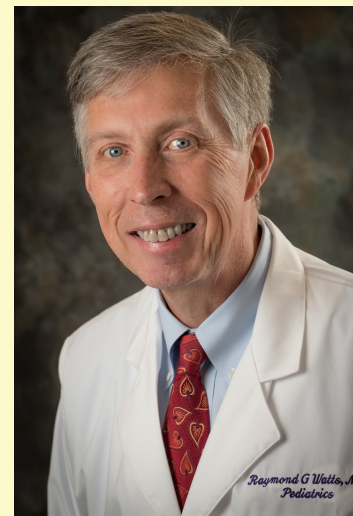

Dr. Diego Aviles Transferred to Tenure Track

The LSUHSC Appointment and Promotions Committee has approved **Dr. Diego Aviles'** transfer to the tenure track. Congratulations on your many professional accomplishments, Dr. Aviles!

WATTS FEST!

In the midst of Jazz Fest, we're happy to announce Watts Fest, an event you won't want to miss. On **Saturday June 18 from 6 pm to 9 pm** we will recognize the outstanding career, dedicated service to LSU, and friendship of Dr. Ray Watts in a fun casual New Orleans festival style. The event will take place on the Children's Hospital campus with food and drinks, entertainment, and fun along with a charitable cause. Faculty, fellows, residents, staff, colleagues, friends...spread the word - prepare to start WATTS FESTING! Mark your calendar and stay tuned for more details!

Taylor Rogge Joins the Administrative Staff

The administrative staff welcomed Taylor Rogge as Department Coordinator last week. Taylor is a native of Metairie who graduated from Loyola University with a Bachelor's degree in business management and marketing. She is currently enrolled in a Master of Health Administration program with LSU Shreveport. As Department Coordinator, Taylor will serve as an administrative assistant to our Chairman, serve as the department receptionist, schedule faculty candidate interview visits, and monitor faculty's time sheet and monthly compliance. Welcome aboard, Taylor!

CAMP TIGER

Camp Tiger 2022 is a Go! *From Dr. Kyle Fulton*

I am the medical director for Camp Tiger and would love to have residents or faculty that are on elective or have admin time to come hangout for some time to see kids outside a clinic.

Camp Tiger for those that don't know is a day camp for kids unable to attend other traditional camps. It is 100% planned, fundraised, and run by the first-year medical students at LSU.

This year it will be May 23-27th, and due to COVID is quite a bit smaller than normal. However will still have 50+ campers each with an L1 and future L1 counselor.

Each day of the week we meet at LSUHSC main campus at ~7:30a and bus to different places around the area (zoo, aquarium, Global Wildlife, Children's Museum).

This year as well we will be doing Thursday morning at State Street Campus with activities in Worley Hall and the yard.

To sign up or ask more questions email gfulto@lsuhsc.edu or text (870.761.3682)

All faculty is welcome to come out even if it is just for a morning or afternoon!!!
-Kyle

Spread the Word: Adolescent Medicine Division is Recruiting a Part-time School Nurse

The Division of Adolescent Medicine is asking the department to spread the word about an opening for a Part-Time School Nurse at one of their school-based health centers.

This position is based in the school-based health clinics in conjunction with an agreement between the State of Louisiana Department of Health and Hospitals and LSUHSC. The Incumbent will facilitate the timely access of on-site medical services and resources to students at the clinic. Services provided will be routine and preventative as well as for acute

situations. Incumbent will administer care for both the physical and psychosocial well-being of students This position will be mostly located in New Orleans East but will require some local travel.

Please share the [official posting](#) with anyone you think may be interested and ask them to apply!

May 2022

[#NationalAdolescentHealthMonth](#)

[#HealthyYouthNAHM](#)

May is National Adolescent Health Month

During NAHM, empower youth with sexual and reproductive health information and services.

Join the Office of Population Affairs during National Adolescent Health Month to [give teens the sexual and reproductive health information and services](#) they need to make informed decisions about their health. During adolescence, youth grow physically, try new activities, begin to think more critically, and develop more varied and complex relationships. Ensuring adolescent health requires giving youth the sexual and reproductive health information and services they need to empower healthy decision-making.

CHNOLA/LSU/TULANE IRB Office Hours

Have you ever had unanswered questions about the IRB process? Wondering if there is a secret magic to getting your protocols written, consent forms correct the first time and have your project make it through the IRB? Wonder about who the people are behind those IRB emails? If so, please join us for informal virtual IRB drop in office hours. Talk to our amazing IRB staff from all three institutions and get their insights on the best approach to getting your study approved the first time.

When: the first Friday of every month, 12:00pm - 1:00pm

Topic: CHNOLA/LSU/TULANE IRB OFFICE HOURS

Where: via Zoom, <https://tulanehipaa.zoom.us/j/96665234856>

DIVERSITY, EQUITY, & INCLUSION

School of Medicine Faculty Development Committee Presents

Knowing, Doing, and Being a Leader in Academic Medicine and Science

**R. Kevin Grigsby,
MSW, DSW**

Participants in this workshop will emerge with an understanding of how knowing, doing, and being a leader are required for success as a leader in academic medicine and science. Participants will learn how awareness (mindful presence), integrity, authenticity, and a commitment to something "bigger than self" allows leaders to persist and persevere in the face of setbacks, breakdowns, and barriers.

Friday, June 10, 2022

Lion's Building, 6th Floor

12:00-1:00 p.m. Networking Lunch

1-4:30 p.m. Workshop

In-person Only

Registration is limited

Scan this code to register or visit:
https://www.medschool.lsuhs.c.edu/medical_education/supersaas/?sched-

Target Audience: Mid-career School of Medicine faculty will be given first priority due to limited seating capacity, but all are welcome to apply who have an interest in developing their leadership potential.

The Louisiana State University School of Medicine-New Orleans is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Louisiana State University School of Medicine-New Orleans designates this live educational activity for a maximum of 3.5 AMA PRA Category 1™ credits. Physicians should claim only the credit commensurate with the extent of participation in the activity.

May Video: Clinical Teaching Simplified

As we continue our mission of providing excellent medical education, check out this video. It provides a simple, efficient and effective method of teaching medical students and residents in a variety of clinical settings. It addresses major concerns (TIME!) and provides practical tips, and there are great references for those who would like to learn more.

"Harnessing Nephron Progenitors in Chronic Kidney Disease"

Wednesday, May 4, 2022

Noon – Hospital Large Conference Rooms, 1st Floor

Please join Pediatric Grand Rounds from your computer, tablet, or smartphone:

To receive CME or CEU Credit in person or online, you **MUST register through EventBrite**.

Register here: <https://www.eventbrite.com/o/chnola-office-of-medical-education-34140724807>

Zoom link: <https://lsuhsc.zoom.us/j/92312437678?pwd=amd0RENwQWJ2L1BDNW1zeHVQRHhjQT09>

Meeting ID: 923 1243 7678

Passcode: 235623

Note: This is a live activity. The link is only valid from noon – 1:00 PM and the presentation will not be recorded for CME or CEU credit. Please register via EventBrite to receive credit.

Samir El-Dahr, MD joined Children's Hospital New Orleans's executive team in January 2019 as the second Pediatrician-In-Chief, representing Tulane University School of Medicine and its pediatric academic medical program. Dr. El-Dahr received his medical degree at Aleppo University School of Medicine in 1982. He completed his residency in Pediatrics at the Medical Center of Delaware in 1986, followed by a fellowship in Pediatric Nephrology at the University of Virginia. Dr. El-Dahr joined the Section of Pediatric Nephrology at Tulane in 1990 and is currently the Jane B. Aron Professor of Pediatrics and Chair of the Department of Pediatrics at Tulane University School of Medicine and Section Chief of Pediatric Nephrology. Dr. El-Dahr is actively involved in laboratory research and has served on several study sections at the National Institute of Health, where he currently holds funding related to mechanisms of kidney development. He is a member of the American Society for Clinical Investigation and was recently elected to the Board of Directors of the Association of Medical School Pediatric Department Chairs. Dr. El-Dahr is an active clinician with an interest in pediatric hypertension and transplantation.

Objectives: At the conclusion of this activity, participants should be able to:

1. Review causes of Chronic Kidney Disease (CKD) in children.
2. Understand the link between prematurity, nephron number at birth, and susceptibility to CKD.
3. Describe clinical and research-based strategies directed at nephron progenitors to prevent childhood CKD.

Intended audience: This activity is specifically directed towards the pediatrician, but it is open to all other interested physicians, residents, medical students, and allied health professionals.

CME statement: Children's Hospital is accredited by the Louisiana State Medical Society to provide continuing medical education for physicians. Children's Hospital designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE statement: Children's Hospital is approved as a provider of nursing continuing professional development by Louisiana State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Provider #4003155. To receive credit, you must attend the entire program and submit a post program evaluation.

[Click here for the Eventbrite link to register for Grand Rounds](https://www.eventbrite.com/o/chnola-office-of-medical-education-34140724807)

Anyone who does not wish to earn CME/CEU credit can continue join Grand Rounds through the Zoom portal:

One tap mobile: +16465588656 or +13017158592

Any questions about Eventbrite can be sent to emma.cradyc@lcmchealth.org.

LSUHSC Research Café

Mark your calendar for Research Café opportunities at LSUHSC this fall! You can find more information on the series and past meeting recordings [here](#).

All meetings will be held in person and via [Zoom](#).

Wednesday, May 11, 2022, 12:00pm - 1:00pm, Mock Study Section Workshop

Lion's Building - 6th Floor - Large Lecture Room or via [Zoom](#).

This Mock Study Section will simulate an NIH Review Panel in every detail possible. Participants will review NIH applications and participate in a formal discussion and review of the grants. Panelists are not expected to critically judge the scientific merit of their assigned grants but whether the science described is logical, clearly described, and meets the review criteria. At the end of the session, participants will have an opportunity to compare their critiques with the NIH reviews. Registration required.

Wednesday, June 8, 2022 - The 23rd Annual Harvard Nutrition Obesity Research Symposium: The Neurobiology of Eating Behavior in Obesity: Mechanisms and Therapeutic Targets. The Keynote talk will be given by Dr. Sadaf Farooqi of the University of Cambridge, who will be joined by many other accomplished researchers in the field. You can [register here](#) and/or visit our [event webpage](#) to learn more.

Wednesday, June 8, 2022 - Annual LSU Quality Improvement/Patient Safety Forum - a venue for residents, fellows, and students to highlight Quality Improvement/Patient Safety work that is being done at all LSUHSC clinical training sites. *Please consider submitting your or your team's QI/PS work for participation in this event.* The 2022 submission for is electronic and is available [here](#). The **deadline to submit is April 11, 2022**. If there are any questions, please reach out to equip@lsuhsc.edu.
