Happy Retirement, Lanette Carroll!

Congratulations to Lanette Carroll on her well-earned retirement! Lanette has served as the department's Medical Student Clerkship Coordinator for almost ten years and will be greatly missed. Members of the department shared their memories and well wishes for Lanette below. You can also view some pictures of the administrative group over the years [here](#). We will miss having Lanette as part of our administrative team!

Dr. Amy Creel: When she joined as our administrator she transitioned the clerkship from all paper record to electronic, helping streamline scheduling and record keeping systems. She was an integral part in growing from 2 campuses (NO and Lafayette) to three with the addition of students in Baton Rouge. She served as the key communicator with the administrators at those campuses to ensure students received comparable excellent experiences no matter where they rotated.

Dr. Bonnie Desselle: Thank you for all of your many years of service to LSU and assisting with our students. As you described your role is one step in the big picture of medical education. I hope you know that it is a huge step and without people like you, we would be challenged in training the next generation of doctors for Louisiana. I have always appreciated your kind nature and dedication to your job. Please enjoy this next chapter of your life.

Dr. Shannon Palombo: Lanette, thank you for playing a vital role in contributing to the success of our pediatric clerkship over the last 10 years. We will miss you!

Dr. Elizabeth Wisner: Thank you for your many years of service to our institution. Your role as Pediatric Clerkship Coordinator has helped to shape the careers of many successful pediatricians in our community. I am very grateful for all that you have done for all of us. You will be very missed!

Dr. Susan Berry: Lanette was always willing to do what was needed even when it was outside her job description! She will be missed!

Hyang Lee: Thank you for your years of service to the department and medical students. You have been such an asset to the department. We will miss your helpful nature, easy wit and ability to problem solve. Best wishes on your next adventure!

Kelly Allerton: You have been such a kind, helpful coworker and friend. It was a pleasure to be on your team for the last ten years. Cheers to a happy and healthy retirement!

Dr. Raymond Watts: Our Department of Pediatrics is made up of people. People who dedicate their talents to our Goals of Excellence in Patient Care, Education, Research and Advocacy. Lanette has been a tireless advocate for Excellence in Education. All of the progress we have made in Medical Student Education, recognized earlier this year by the Aesculapian Award for Best Department, have passed through the capable and patient administrative hands of Lanette. Thank you Lanette. Enjoy your retirement.

Faculty Appointed to Diversity Committees

Dr. Amanda Dumas was recently selected to serve on the Academic Pediatric Association's Anti-Racism & Diversity Task Force. The Task Force is charged to identify strategies to combat systemic racism, implicit bias and discrimination against those underrepresented in medicine in academic pediatrics.

Dr. Bonnie Desselle was appointed to both LCMC and Children's Hospital's

Steering Committees on Diversity, Equity and Inclusion. Dr. Dedrick Moulton was also appointed to the same Children's Hospital Steering Committee.

FACULTY DEVELOPMENT

New video monthly

September Video: *Giving Feedback*

Feedback is crucial for educating our learners. But it doesn't always come naturally. This video breaks down characteristics of effective feedback. And uses some scenarios to show do's and don'ts in clinical scenarios. With a run time of 12 minutes its great to watch over lunch, during a break, or in small chunks when you have a minute to invest in education!
