## MEET THE NEW RESIDENTS

**Brooke Morrell**

Dr. Morrell is a native of New Orleans who completed her medical training at Meharry Medical College. In her spare time Dr. Morrell enjoys painting in acrylics and drawing with charcoal.

**William Mullen**

Dr. Mullen is originally from Lake Providence, LA and graduated from LSU School of Medicine in Shreveport. Dr. Mullen enjoys boating and water sports as well as computer and home theater technology.

**William Shaffer**

Dr. Shaffer, a graduate of UAB School of Medicine, grew up in a military household. Dr. Shaffer is immersing himself in the culture that is New Orleans though his hobbies include backpacking, world travel, and playing the saxophone.

## RESIDENCY COORDINATOR

We are pleased to introduce Ms. Brennetta Holmes, the department's new residency coordinator. Ms. Holmes received her undergraduate degree in Business Management from Southeastern Louisiana University and MBA from the University of Phoenix. Before arriving at LSUHSC, she was employed as Coordinator of Sponsored Program at Xavier University. She has experience in grants management and, hopefully, the department can benefit from her valuable expertise.

## RESIDENT OF THE YEAR NOMINATION

We would like to congratulate Dr. Mignonne Morrell for her Resident of the Year nomination. We are very lucky to have Mignonne as a resident in our department and as our Chief Resident. (Shown, Dr. Morrell with Dr. Aran Toshav, Program Director.)

## CONGRATULATIONS!

To Dr. Mignonne Morrell and Dr. John Yang for passing the ABR Physics exam.

To Scott Lea, Manager of Medical Services at the Interim LSU Public Hospital, on becoming a grandfather.

## DEPARTMENT BULLETIN BOARD

**Dr. Robert Karl** and Dr. Chad Dugas published an article in the Journal of the Louisiana Medical Society titled Paracardiac Mediastinal Mass. The article appeared in the May/June 2011 issue.

**Dr. Michael Maristany et al** authored the Clinical Case of the Month in the May/June 2011 Journal of the Louisiana State Medical Society. The case is titled: A 20-Year-Old Man With Cough of Two Months Duration.

"It is Time for Simulation-based Training in Radiology" is the title of an electronic RSNA exhibit authored by **Hugh Robertson, MD, Leonard Bok, MD,** and John Paige, MD.

**Dr. Luis Serrano and Dr. Anshu Duggal's** exhibit proposal has been accepted by the RSNA titled: "Is Zuska's Breast Disease Known by Radiologists?" The purpose of this exhibit is to introduce Zuska's Disease to Radiologists.

**Dr. Aran Toshav** is editing articles for RadiologyInfo.org.

An exhibit by **Dr. John Yang, Dr. Robert Karl, Dr. Aran Toshav,** and Dr. W. Risher was accepted for presentation at RSNA. The title is "Traumatic Thoracic Aortic Injury: Pictorial Review of MDR-CT Imaging Features".

**Dr. Richard Campeau** was awarded a \$72,500 grant to investigate the recently FDA approved radiopharma-

ceutical, Adreview, for diagnostic use in heart failure patients.

An electronic poster, authored by **Thea Moran, MD;** Alan Kaye, MD; **Andrew Mai, MD;** and **Leonard Bok, MD** was accepted by RSNA. The title is "Sedation, Analgesia and Anesthesia: A Primer for General and Interventional Radiologists".

**Dr. Leonard Bok** and **Dr. Michael Maristany** attended the Society of Chairs in Academic Radiology (SCARD) Fall Meeting in Colorado Springs, Colorado. **Winter Melancon** also attended SCARD, as well as the Association of Administrators in Academic Radiology meeting (AAARAD).

## PROGRAM DIRECTOR'S NOTES

Two residents will present their work at RSNA this year: Dr. Duggal & Dr. Yang. All of our residents attended the 2011 Radiological Society of Louisiana meeting held Saturday, June 18 at the Westin New Orleans Canal Place. Dr. Mignonne Morrell came in first in the resident quiz competition!

Our visiting professor lecture of the quarter was given by Dr. Joan Wojak. Dr. Wojak lectured to the Stroke committee and Radiology Faculty & Radiology residents on August 10th. She is the current Medical Director of Radiology at Our Lady of Lourdes and Heart Hospital of Lafayette and is a Clinical Associate Professor of Radiology at LSU School of Medicine.

## LSU HEALTH, UPTOWN

LSU Health Faculty Medical Practice, a 70,000 square foot, seven-story clinic, is now open at 3700 St. Charles Avenue. The facility, formerly the St. Charles General Hospital, underwent a \$7.8 million renovation through a partnership between LSUHSC and Touro Infirmary, which leased it to the LSU Healthcare Network. Radiology services available in mid-November will include Mammography, Ultrasound, X-ray, and DEXA. (Source, The Times-Picayune)
