## Evacuation Readiness Resources for Families with Medically Complex Children

A multidisciplinary team—including physicians, nurses, social workers, pharmacists, nutritionists, and family representatives—has created a booklet to help families with medically complex children prepare for emergencies. These booklets are available on the [Children's Hospital New Orleans Emergency Preparedness website](#) and include a QR code for easy access.

Providers are encouraged to use the smartphrase “**emerprepMFC**” in the AVS and discharge instructions to share this resource with families. Clinics are also asked to print and post the flyer in visible areas to help spread awareness.

**Stay prepared,  
stay safe**

**Emergency preparedness  
checklist** for medically  
complex children

Our team of providers, social workers, and medical professionals created a checklist to help ensure you and your child have a solid plan in place for **any emergency**.

## Pediatric Symposium Series: A Focus on Pediatric Endocrinology

Manning Family Children's in partnership with the Human Growth Foundation invites you to our next Pediatric Saturday Symposium Series: A Focus on Pediatric Endocrinology, held on Saturday September 6, 2025 at Worley Hall at Manning Family Children's State Street Campus. More information and the agenda will be available in the next few weeks.

This is an educational program specifically directed towards the pediatrician, but it is open to all other interested physicians, nurse practitioners, residents, medical students, nurses, and allied health professionals caring for patients with endocrine issues. We hope that you can take advantage of this unique opportunity to network with your peers and learn from clinical experts. Registration information will be shared within the next few weeks. Learn more about the Human Growth Foundation [here](#).
