LSU Pediatrics Holiday Volunteer Opportunity with Second Harvest Food Bank

This holiday season, LSU is joining Second Harvest Food Bank in fundraising and distributing turkey dinner boxes to 100 Children's Hospital patient families! Please see below for ways to volunteer this holiday season.

Donate:

Thank you to all who graciously donated and helped us surpass our goal of \$3,600! Donations are still being accepted for those who would still like to donate.

[Second Harvest | LSU Pediatrics Donation Website](#)

Pack Boxes:

Gather together to help prepare 100 turkey dinner boxes on November 9th from 4:30pm -6:30pm at Second Harvest Food Bank.

[Volunteer Sign up Sheet](#)

Pick-up Day:

Greet the families with a smile and a fully packed turkey dinner box as they drive through our distribution pick-up zone on the morning of November 11th from 9am-11am in front of the State Street Building.

Welcome New Faculty!

The Department of Pediatrics welcomes **Dr. Susan Glass** as

Assistant Professor of Clinical Pediatrics in the Division of Critical Care. Dr. Glass received her medical degree from Tulane University in 2017 along with her Master of Public Health. She was inducted into the Gold Humanism Honor Society while at Tulane for exhibiting integrity and humanism in medicine. She completed her Pediatric Residency at Seattle Children's Hospital in 2020 and a Pediatric Critical Care Fellowship this past June at Children's Hospital Los Angeles. Dr. Glass is fluent in Spanish and plays classical piano.

Dr. Carrie Henderson is joining our department as Professor of Clinical Pediatrics in the Division of Critical Care. Dr. Henderson received her medical degree from University of Kentucky in 2005. She completed her Pediatrics Residency and a fourth-year Chief Residency at Vanderbilt University. Dr. Henderson completed a Pediatric Critical Care Fellowship at Cincinnati Children's Hospital as well as a Clinical Medical Ethics Fellowship at the University of Chicago. Since 2012, Dr. Henderson has served as faculty at University of Mississippi where she served on numerous school and hospital committees, mentored medical students and junior faculty, and participated in funded research. She also served as core faculty in the Center for Bioethics and Medical Humanities at University of Mississippi Medical Center. Welcome to LSU Pediatrics, Dr. Henderson!

CHNOLA Time Studies - Please Send Week 3

It's that time of year again –CHNOLA's Annual Physician Time Studies will be collected over the next three weeks:

Week 1: Monday, October 9 – Sunday, October 15

Week 2: Monday, October 16 – Sunday, October 22

Week 3: Monday, October 23 – Sunday, October 29

Please follow the instructions below to generate your time studies and send them to [Kelly Allerton](#). She will be collecting all of LSU Pediatrics' Faculty time studies on a weekly basis and sending to CHNOLA as a group.

Generating and Printing your Weekly CHNOLA Time Study.

1. Complete your timesheet as you normally do in the [LSU time tracking system](#).
2. Once you record time at Children's Hospital, you will see a button labeled "Print Hospital Time Studies" on the Timesheet Actions tab. Click that button each week and generate your Time Study. If needed, [step-by-step instructions can be found here](#).
 - If the "Print Hospital Time Studies" button does not show up, save the timesheet, then go to the "My Timesheets" tab and click "Open Current Timesheet". This will cause a refresh and the "Print Hospital Time Studies" button will be visible on the Timesheet Actions tab.
1. Remember to sign and date your time study.
2. **Send your time study weekly to [Kelly Allerton](#) on each of the following Mondays: October 16, 23, 30.**

Background:

Each year the Medicare and Medicaid programs require Children's Hospital to conduct a time study of the physician services provided at the Hospital. Completion of these forms is mandatory and important in determining the hospital's reimbursements from these programs.

Fox 8 with Dr. Andrew Abreo

Check out Dr. Andrew Abreo's appearance on [Fox 8 for an interview](#) about sinus infections and colds. Dr. Abreo is an Assistant Professor in the Allergy/Immunology Division. Well done, Dr. Abreo!

One-stop for IT Assistance

LSUHSC-NO IT has implemented a new Service Desk available at <https://solutions.lsuhs.edu>. Beginning November 1st, the new service desk is the place to go for all IT Assistance at LSUHSC New Orleans including both central IT Department services and distributed school IT services. Using solutions.lsuhs.edu to make a request for assistance allows for much better management of requests, tracking through to completion, and greater visibility for the requestor.

Jessica L. Peck, DNP, APRN, CPNP-PC, CHE, CHL, FAANP, FAAN, is a clinical professor of nursing at Baylor University in Dallas, Texas, and a pediatric nurse practitioner, certified nurse educator, and clinical nurse leader. Peck is an internationally recognized

anti- trafficking advocate and was instrumental in the passage of the state's House Bill 2059, mandating continuing education for all care providers in Texas. As president of the National Association of Pediatric Nurse Practitioners, she created the Alliance for Children in Trafficking and served as founding chair. She served as consultant to the US Congress and worked with the US Department of Health and Human Services and an interprofessional team to create core competencies for health professionals caring for individuals exploited and abused through trafficking. As a nurse practitioner and mother of 4 children, she has a special interest in educating and equipping families to promote positive physical, emotional, mental, social, and spiritual health. She is the author of clinical articles for peer-reviewed journals, a regular contributor for parenting magazines, and a frequent guest on radio, television, and other media. Her book, *Behind Closed Doors: A Guide for Parents and Teens to Navigate Through Life's Toughest Issues*, was released October 2022.

Objectives: At the conclusion of this activity, participants should be able to:

1. Describe the role of the healthcare provider in the prevention, identification, referral, treatment, aftercare, and advocacy for trafficking victims.
2. Understand the impacts of COVID-19 on victim exploitation and abuse.
3. Examine emerging trends in diverse care environments with effective response across the health care continuum.

Intended audience: This activity is specifically directed towards the pediatrician, but it is open to all other interested physicians, residents, medical students, and allied health professionals.

Accreditation: Children's Hospital New Orleans is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation: Children's Hospital New Orleans designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE statement: Children's Hospital is approved as a provider of nursing continuing professional development by Louisiana State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Provider #4003155. To receive credit, you must attend the entire program and submit a post program evaluation.
