NEW ORLEANS

Welcome Devante Williams, LSU Pediatrics Data Manager

The department extends a warm welcome to Devante Williams who started yesterday as Data Manager, a newly created position. He will work closely with Dr. Charles Hemenway and the Hematology/Oncology team. Devante will be responsible for tracking patients, recording information, and facilitating patient-related research within Pediatrics. Devante is from Mobile, Alabama and recently relocated to New Orleans from Texas. He graduated from Alabama State University and is in the U.S. Airforce Reserve. He has a passion for quantitative research and has created completely self-generated data files during his leisure time. Welcome to LSU Pediatrics, Devante!

Assistant Pediatric Clerkship Director Position

We are excited to announce that we are recruiting a new Assistant Pediatric Clerkship Director. Please see the [attached document](#) with the description of the role and responsibilities for the position. The role is a great opportunity for anyone interested in being more involved in medical student education and medical education leadership.

We invite you to apply for the position. If interested, please email Callie Roth, the Pediatric Clerkship Director, croth1@lsuhsc.edu the following information:

- CV
- Brief statement of interest

Applications will be accepted through April 7th.

DEA Renewal Process

Please note as state employees, the fee for your DEA renewal is exempt.

When you are applying for renewal, please enter Jill Fragoso's name and information under "DEA Certifying Official." Once you submit your application, the DEA will contact Ms. Fragoso to confirm your employment, and the fee will be exempt.

LSUHSC DEA Certifying Official:

Name: Jill Fragoso

Title: Chief Human Resources Officer, LSUHSC

FACULTY DEVELOPMENT

New video monthly

March Video: Clinical Teaching Simplified

As we continue our mission of providing excellent medical education, check out this video. It provides a simple, efficient and effective method of teaching medical students and residents in a variety of clinical settings. It addresses major concerns (TIME!) and provides practical tips, and there are great references for those who would like to learn more.
