

CURRICULUM VITAE
James Edward Walker, Jr, MD, PhD, FCCP

Date:	Nov 02, 2025
School:	School of Medicine
Department/Section:	Medicine; Pulmonary & Critical Care Medicine
Current Title:	Assistant Professor of Clinical Medicine
Business Address:	LSU Health Sciences Center Department of Medicine 5246 Brittany Drive Baton Rouge, LA 70808
Business Phone:	(225) 757-4080 Office (225) 757-4100 Fax
Business Email:	jwal19@lsuhsc.edu
Initial Appointment at LSUHSC Date:	July 1, 2020
Current Academic Rank:	Assistant Professor of Clinical Medicine
Date of Appointment to Current Rank:	July 1, 2020
Education:	
Undergraduate	Bachelor of Arts, Chemistry; Bachelor of Arts, Physics 1991 – 1996 University of Mississippi, Oxford, MS
Graduate	Doctor of Philosophy, Physical Chemistry 1996 – 1998 <i>Summa Cum Laude</i> University of Mississippi, Oxford, MS
Medical	Doctor of Medicine 1998 – 2002 University of Mississippi, Jackson, MS
Residency	Internal Medicine 2002 – 2005 LSU Health Sciences Center, Baton Rouge, LA
Chief Residency	Internal Medicine 2005 – 2006 LSU Health Sciences Center, Baton Rouge, LA
Fellowship	Pulmonary Disease & Critical Care Medicine 2006 – 2009 LSU Health Sciences Center, New Orleans, LA
Other	Physician Builder; Physician Builder: Analytics 2021 Epic University, Verona, WI
Certification:	<u>American Board of Internal Medicine</u> (273663) 2005 – 2015 Internal Medicine

	Pulmonary Disease Critical Care Medicine	2008 – present 2009 – present
	<u>National Board of Physicians and Surgeons (2614)</u> Internal Medicine Pulmonary Disease Critical Care Medicine	2015 – present 2015 – present 2015 – present
Licensure:	Louisiana, 026142 (inactive) Tennessee, 44862 (retired) Mississippi, 21914 (inactive) Louisiana, 308134	2002 – 2009 2009 – 2023 2012 – 2023 2018 – present
	US Drug Enforcement Administration, number on file LA Controlled Substances License, number on file National Provider Identifier, 1578581617	2003 – present 2003 – present 2006 – present

Academic, Professional, and Research Appointments:

Partner Mid-South Pulmonary Specialists, Memphis, TN	2009 – 2020
Faculty Instructor UT Health Science Center, Memphis, TN	2009 – 2020
Faculty Instructor Baton Rouge General Internal Medicine Program, Baton Rouge, LA	2020 – present
Assistant Professor of Clinical Medicine LSU Health Sciences Center, Baton Rouge, LA	2020 – present

Awards and Honors:

University of Mississippi Honors Program University of Mississippi, Oxford, MS	1991 – 1996
CRC Press Freshman Chemistry Achievement Award University of Mississippi, Oxford, MS	1992
<i>Phi Kappa Phi</i> Honor Society University of Mississippi, Oxford MS	1998 – present
<i>Alpha Omega Alpha</i> Medical Honor Society LSU Health Sciences Center, Baton Rouge, LA	2005 – present
Fellow of the American College of Chest Physicians	2022 – present

TEACHING EXPERIENCE AND RESPONSIBILITIES

Course/Clerkship/Residency or Fellowship/CME Directorships:

<u>Our Lady of the Lake ICU Academic Teaching Service</u> LSU Department of Medicine, Baton Rouge, LA	2021 – present
--	----------------

Responsible for administrative duties including curriculum changes and resident feedback. Active involvement with LSU and OOL leaders to maintain a current and relevant experience for learners during the ICU rotation. Includes frequent updates to rotations page with (1) resident expectations, (2) current evidence-based literature recommendations, and (3) curation of recorded lecture topics. Participate in monthly meetings with nursing and hospital leadership for on-going quality improvement.

Our Lady of the Lake Pulmonology Consult Service 2021 – present
 LSU Department of Medicine, Baton Rouge, LA
Responsible for administrative duties including curriculum changes and resident feedback. Includes frequent updates to rotations page with (1) resident expectations, (2) current evidence-based literature recommendations, and (3) curation of recorded lecture topics. Staff weekly resident-driven outpatient Pulmonology Clinic.

Curriculum Development/Implementation:

Procedural Skills Lab 2020 – present
 LSU Department of Medicine, Baton Rouge, LA
Faculty co-lead. Iterative curriculum redesign with focus on small-group skills teaching. The purpose of this course is to give IM residents hands-on experience with various procedures, including airway management, vascular access, and point-of-care and procedural ultrasound.

Internal Medicine Residency Curriculum Update 2021 – present
 LSU Department of Medicine, Baton Rouge, LA
Iterative redesign of the 3-year curriculum beginning AY 2021-2022. Actively update ICU and Pulmonary Consult services curricula and resident expectations. Actively manage Pulmonary Consult and ICU rotation residency pages.

LSU Critical Care Medical Educational Committee, P&CCM Division 2021 – present
 LSU Department of Medicine, Baton Rouge, LA
Formalize relevant topics/curriculum and organize lecture schedule (involving both LSU and BRG programs) amongst core P&CCM teaching faculty. Handle formal rotation evaluations of residents on ICU rotations at both OOL and BRG. Planning formal curriculum for upcoming Critical Care Medicine fellowship that will begin July 2027.

Formal Course Responsibilities:

Chemistry Lab Graduate Instructor 1996 – 1998
 University of Mississippi, Oxford, MS
Assist in laboratory teaching and experiment performance, including general, organic, and physical chemistry labs. Also responsible for grading assignments.

Departmental/Interdisciplinary Teaching Conferences:

LSU Department of Medicine, Baton Rouge, LA

Resident Education Conferences

Participate in daily Morning Report with focus on Pulmonary and/or Critical Care Medicine topics. Assist with bimonthly Pulmonary and Critical Care Morning Report. Also participate in resident- and faculty-led noon conference lectures.

2020 – present

Faculty Lecture Series

Perform recurring annual lectures for rotating medical students and Internal Medicine residents. Lectures include (1) Shock, (2) Sepsis, (3) Acute Respiratory Failure, (4) Pleural Effusions, (5) Pleural Diseases, (6) Common Pulmonary Referrals, and (7) Ultrasound Fundamentals.

2021 – present

Problem-Based Learning Exercises

Facilitator of small-group intern session. Incorporates patient vignettes and clinical problem solving into learning about medicine. Tests clinical knowledge, critical thinking skills, and teamwork.

2023

Ultrasound Rounds

Participate in bi-monthly ultrasound activities with Internal Medicine residents, in conjunction with other select faculty. These includes small group didactics and hands-on learning with point-of-care ultrasound training. The focus is generally on (1) procedural skills with vascular access techniques, (2) recognizing potential complications such as pneumothorax, (3) cardiac examination with limited M-mode and color flow Doppler for more advanced users, and (4) subdiaphragmatic survey. Responsible for arranging faculty schedule.

2023 – present

LSU School of Medicine, Regional Campus, Baton Rouge, LA

Faculty Lecture Series

Recurring quarterly “block” lectures for third-year medical students. Lectures include (1) Airway Infections, (2) Acute Hypoxemic Respiratory Failure, and (3) Acute Hypercapnic Respiratory Failure.

2021 – present

JEDI Lecture Series

Disparities and biases within the healthcare system.

2023

Baton Rouge General Department of Medicine, Baton Rouge, LA

Faculty Lecture Series

Perform recurring annual lectures to Internal Medicine and Family Practice residents. Lectures include (1) Shock, (2) Sepsis, (3) Acute Respiratory Failure, (4) Pleural Effusions, (5) Pleural Diseases, and (6) Common Pulmonary Referrals.

2021 – present

LSU Department of Emergency Medicine, Baton Rouge, LA

Faculty Lecture Series 2023 – present
Perform recurring annual lectures to Emergency Medicine residents covering various critical care medicine topics.

Our Lady of the Lake Regional Medical Center, Baton Rouge, LA

Lung Nodule Tumor Conference 2020 – present
Intermittently participate in weekly case presentations regarding (1) patients with recently discovered thoracic disease suspicious for malignancy, and (2) follow-up from previous cases. Active discussion regarding diagnosis and management using multi-disciplinary approach. Specialties include: Thoracic Surgery, Pulmonary Medicine, Oncology, Radiation Oncology, and Radiology.

RESEARCH AND SCHOLARSHIP

Funded Grants and Contracts:

Title:	PREOXI: Pragmatic Trial Examining Oxygenation Prior to Intubation
Sponsor:	Vanderbilt University Medical Center; DoD
Role:	Site Principal Investigator (National PI – Kevin Gibbs)
Title:	CV-SQuISH-ED: A Clinical Validation – Solving the Question of Inflammation or Sepsis Hastily in the Emergency Department
Sponsor:	Cytovale, Inc
Role:	Sub-Investigator (PI – Hollis O’Neal)
Title:	SQuISH-IER: Solving the Question of Inflammation or Sepsis Hastily – Integration into the ER
Sponsor:	Cytovale, Inc
Role:	Sub-Investigator (PI – Hollis O’Neal)
Title:	SQuISH-SMS: Solving the Question of Inflammation or Sepsis Hastily – Serial Management Study
Sponsor:	Cytovale, Inc
Role:	Sub-Investigator (PI – Hollis O’Neal)
Title:	PRIOH-1: Trial of efficacy and safety of pritelivir for treatment of acyclovir-resistant mucocutaneous HSV infections in immunocompromised adults
Sponsor:	AiCurius
Role:	Sub-Investigator (Site PI – Hollis O’Neal)
Title:	ACTIV-4 Host Tissue: Targeting Host Tissue and the renin-angiotensin-aldosterone system in hospitalized patients with COVID-19
Sponsor:	NHLBI
Role:	Sub-Investigator (Site PI – Hollis O’Neal)

Non-funded Applications:

Title:	POSTOXI: Practical Observations, Strategies, and Treatment: Real World Implementation of PREOXI Results
Role:	Principal Investigator
Title:	A Prospective Cohort to Assess Performance of Video Oximetry
Role:	Co-Investigator (with Hollis O'Neal)

SERVICE AND ADMINISTRATION

University and Institutional Service:

LSUHSC (Baton Rouge campus) committees

LSU Department of Medicine, Baton Rouge, LA

<u>Program Evaluation Committee</u> <i>Annual meeting with program leadership evaluating potential changes to the overall residency program curriculum. Feedback from residents and medical students help to inform changes made. Participate in PEC as the Pulmonary & Critical Care Medicine faculty liaison.</i>	2021 – present
<u>Residency Selection Committee</u> <i>Participate in interviews with prospective medical students during annual Match cycle. Active role in committee meetings discussing interviewees and deciding rank order listing.</i>	2021 – present
<u>Clinical Competency Committee</u> <i>Participate in CCC as the Pulmonary & Critical Care Medicine faculty liaison. Confer with faculty and complete summative resident evaluations for all Internal Medicine and Emergency Medicine residents on ICU rotation and all Internal Medicine residents on Pulmonology Consult rotation. Committee chairman during 2023-2024 and 2024-2025 academic years.</i>	2021 – present
<u>Steering Committee, P&CCM Division</u> <i>Assist with development of overall division mission statement. Intermittently meet to plan for future direction of group regarding practice, scholarship, expansion, etc.</i>	2022 – present

Hospital committees

KPC Promise Hospital, Baton Rouge, LA

<u>Medical Executive Committee</u>	2021 – 2023
<i>Attend quarterly meetings and handle standard administrative tasks including approval of new formulary items and therapeutic protocols, approval/disciplinary action of medical staff, review of quality and safety data.</i>	

Baton Rouge Specialty Hospital, Baton Rouge, LA

<u>Medical Executive Committee</u>	2025 – present
<i>Attend quarterly meetings and handle standard administrative tasks including approval of new formulary items and therapeutic protocols, approval/disciplinary action of medical staff, review of quality and safety data.</i>	

Our Lady of the Lake Regional Medical Center, Baton Rouge, LA

<u>Critical Care Service Line</u>	2021 – present
<i>Monthly meeting with hospital administration and other clinical leaders within Critical Care service lines. Discuss and resolve hospital-wide critical care unit issues including process, quality and safety, etc.</i>	

<u>ICU Division Team Council</u>	2022 – present
<i>Monthly meeting with ICU service line nursing leaders. Discuss and resolve unit-specific issues.</i>	

<u>Multidisciplinary Lung Cancer Program Committee</u>	2022 – present
<i>Intermittent meetings with hospital administration, Thoracic Surgery, Pulmonology, Oncology, and other clinical leaders. Planning short- and long-term strategies for creation of Multidisciplinary Lung Cancer Center of Excellence.</i>	

<u>ECMO/CRRT Advisory Committee</u>	2023 – present
<i>Intermittent meetings with hospital administration, Critical Care Medicine, Nephrology, and other clinical leaders. Planning short- and long-term strategies for development, initiation, and maintenance of extracorporeal life support.</i>	

Franciscan Missionaries of Our Lady Health System, Baton Rouge, LA

<u>Epic Informatics for Providers</u>	2024 – present
<i>Semi-annual meetings to discuss trends, track progress to goals, and identify areas of opportunities as it relates to the electronic medical record. Discuss challenges as we work with our Epic partners to enhance the provider experience with the EMR.</i>	

Special assignments

Our Lady of the Lake Regional Medical Center, Baton Rouge, LA

<u>Quality Improvement, Trauma/Neuro Critical Care Unit</u> <i>Co-authored new daily rounding checklist-style protocol using evidence-based metrics. Also implemented REDCap database to monitor adherence and track improvement over time. Rounding protocol has since been implemented in all other hospital ICUs.</i>	2020 – 2021
<u>Problem-Oriented Charting Implementation</u> <i>Co-authored and designed new “problem-oriented” note templates within Epic for inpatient use by LSU-BR IM residents and medical students. Includes templates for both general medicine and ICU rotations. Minimizes variability and “note bloat” while maximizing efficiency.</i>	2020 – present
<u>Physician Builder</u> <i>Completed the Epic Physician Builder and Physician Builder: Analytics courses. Assist Epic analysts with new implementations, including development of order sets, note templates, etc. Update existing order sets to reflect current evidence.</i>	2021 – present
Our Lady of Lourdes Regional Medical Center, Lafayette, LA	
<u>Physician Ultrasound Training</u> <i>Assisted with classroom teaching of ultrasound theory and practice followed by hands-on training of techniques. Discussed probe selection, anatomic considerations, etc. Designed for attendings without significant experience or prior training. Target audience was Emergency Medicine, Internal Medicine, and Family Medicine.</i>	2025
Clinical Services:	
<u>In-patient Service Activities</u> <i>Average of 33 weeks of clinical service per academic year. Night call (simultaneous ICU coverage for both Our Lady of the Lake and Baton Rouge General) averages 42 nights per academic year.</i>	
Our Lady of the Lake Regional Medical Center, Baton Rouge, LA	
Medical-Surgical ICU service	2020 – present
Pulmonology Consult service	2020 – present
Surgical ICU (non-teaching service)	2023 – present
Baton Rouge General Medical Center - Bluebonnet, Baton Rouge, LA	
Pulmonary Consult service	2020 – 2022
Medical-Surgical ICU service	2020 – present
KPC Promise Hospital, Baton Rouge, LA	
P&CCM management of LTAC patients (non-teaching service) with focus on ventilator management and consideration of tracheostomy decannulation	2020 – 2023

Baton Rouge Specialty Hospital, Baton Rouge, LA	<i>P&CCM management of LTAC patients (non-teaching service) with focus on ventilator management and consideration of tracheostomy decannulation</i>	2025 – present
Our Lady of the Lake Regional Medical Center, Baton Rouge, LA	<i>LSU Pulmonology Resident Clinic, weekly</i>	2020 – present
Baton Rouge General Medical Center - Bluebonnet, Baton Rouge, LA	<i>Pulmonary function test interpretation, weekly</i>	2022 – present
<u>Work Relative Value Units generated</u>		
2020 – 2021 academic year:	8421	
2021 – 2022 academic year:	6996	
2022 – 2023 academic year:	5042	
2023 – 2024 academic year:	6485	
2024 – 2025 academic year:	6083	
2025 – 2026 academic year:	1466 (from Jul through Sep)	

Membership in Professional Organizations:

American Medical Association, Resident member	2002 – 2004
American College of Physicians	2002 – 2016
Southern Medical Association, Resident member	2004 – 2008
American College of Chest Physicians	2006 – present
American Thoracic Society	2006 – present
Society of Critical Care Medicine	2006 – present

Administrative Responsibilities:

LSUHSC (Baton Rouge Campus)

<u>Faculty Mentor</u>	2021 – present
LSU Department of Medicine, Baton Rouge, LA	
<i>Informal semi-annual meeting with assigned categorical or preliminary residents to periodically assess professional and personal well-being, identify specific concerns, assist with research interests, guide toward future goals.</i>	
LSU Department of Medicine, Baton Rouge, LA	
<i>Formal one-on-one meetings with specific at-risk categorical residents in structured forum to assess knowledge base with particular focus on weaknesses. Provide guided instruction relevant to Pulmonology and Critical Care Medicine topics, in addition to general Internal Medicine. Feedback given to resident and Program Director.</i>	
<u>LSU Internal Medicine Residency “Webmaster”</u>	2022 – present
LSU Department of Medicine, Baton Rouge, LA	

Assist with upkeep and updates to the LSU-IM-BR departmental website.

Hospital

Medical Director, Critical Care Services 2021 – 2023

KPC Promise Hospital, Baton Rouge, LA

Evaluate and approve all patients with respiratory pathology and/or need for mechanical ventilation, review and update pertinent protocols, develop new protocols, attend scheduled administrative meetings.

Medical Director, Critical Care Services 2025 – present

Baton Rouge Specialty Hospital, Baton Rouge, LA

Evaluate and approve all patients with respiratory pathology and/or need for mechanical ventilation, review and update pertinent protocols, develop new protocols, attend scheduled administrative meetings.

Regional

Executive Committee Member, The CIRQLE 2022 – present

Baton Rouge, LA

Helped to create the Center for Integrated Research, Quality, Leadership, anaLytics, and Equity with other members of the Pulmonary and Critical Care Medicine Division, members of the Department of Medicine, and other local experts in healthcare and related scientific fields. The overall mission is to enhance patient-centered clinical outcomes in sepsis care, educate future physician leaders on the importance of an integrated research and quality interface, and optimize clinical intelligence through utilization of analytics.

National

Steering Committee Member, PCCRG 2023 – present

Pragmatic Critical Care Research Group, Vanderbilt University, Nashville, TN

Monthly meetings with other committee members to discuss ongoing and future trials, and well as additional pertinent business regarding publications, etc.

Dissemination and Implementation Working Group Member, PCCRG 2024 – present

Pragmatic Critical Care Research Group, Vanderbilt University, Nashville, TN

Newly formed committee with plans to discuss how to use existing data from research already completed in different ways; secondary analyses, implementation in non-academic centers, etc.
