CRITICAL CONCEPTS IN EMERGENCY MEDICINE APRIL 7-9, 2011 REGISTRATION
We would like to invite you to attend the 13th Annual Emergency Medicine Update: Critical Concepts in Emergency Medicine. This three day course is designed to present and discuss new and controversial developments in the practice of Emergency Medicine. Topics include: cardiology, airway, ultrasound and infectious diseases. Interactive group discussions will allow participants to ask questions to presenters and peers.

**BEING HELD DURING THE FAMOUS FRENCH QUARTER FESTIVAL**

Louisiana’s largest free music event, a three-day local music showcase scattered throughout the French Quarter in New Orleans. There are music performances on fifteen stages. The festival also features the “World’s Largest Jazz Brunch” featuring food booths operated by nearly sixty local chefs and restaurants throughout the festival weekend.

The Royal Sonesta Hotel is an elegant Four Diamond Hotel in the French Quarter, located on world-famous Bourbon Street. The 500-room hotel is within steps of New Orleans unique restaurants, antique shops, jazz clubs and premier tourist attractions.

Its atmosphere reflects a blend of European flair and Southern charm. The hotel surrounds a tropical courtyard, just off an elegant marble lobby. The center stone is dominated by a fountain and a large flight of steps.

The 500 room hotel is surrounded by lush tropical gardens and premier tourist attractions.

**PRESEVED BY THE LOUISIANA STATE UNIVERSITY HEALTH SCIENCES CENTER EMERGNCY MEDICINE FACULTY.**

**FACULTY**

- Christy Butts, MD
- Peter DeBlieux, MD, FAAEM
- Micelle Haydel, MD
- Tracy LeGros, MD
- Jorge Martinez, MD, JD
- Lisa Mills, MD, FAAEM
- Trevor Mills, MD, FAAEM
- Lisa Moreno-Walton, MD
- Heather Murphy-Lavoe, MD
- Jairo Santanilla, MD
- Ellen Slaven, MD
- Victor Tuckler, MD, FAAEM

**INVITED FACULTY**

- November Mich, MD
  Director, Pediatric Emergency Medicine
  Maine Medical Center
- Juan Duchene MD, FACS, FCCP
  Associate Professor of Clinical Surgery
  Tulane University of Medicine

**TARGET AUDIENCE**

Emergency Medicine physicians, nurse practitioners, registered nurses, physician assistants, paramedics, and health care professionals interested in Emergency Medicine.

**LEARNING OBJECTIVES**

- Provide an expeditious and practical approach to critically ill patients in the emergency department.
- Utilize effective management strategies for patients with respiratory failure and potentially difficult airway intervention.
- Recognize and intervene in a timely manner, patients with potentially life threatening conditions including sepsis, cardiac arrhythmias and neurologic emergencies.
- To provide updated and practical information of the diagnosis and management of critically ill patients in the emergency department.
- To present effective management strategies for patients in need of respiratory assistance through both invasive and non-invasive means.
- To provide an interactive learning environment where controversial and emerging issues in emergency medicine critical care can be discussed.
- To critically apprise new treatment strategies and their implication for future implementations in emergency medicine.
