

## CURRICULUM VITAE

### **Scott I. Watamura, M.D., M.S.**

Contact: LSUHSC School of Medicine  
1542 Tulane Ave, Ste. 659  
New Orleans, LA 70112  
(504) 568-2315 / (504) 568-2317 (Fax)  
[Swata12@lsuhsc.edu](mailto:Swata12@lsuhsc.edu)

Place of Birth: Berkeley, CA

Citizenship: USA

Training: OSU Medical School, MD-2003  
Residency-Mayo Clinic, in Anesthesiology-2008

**Most Recent Rank and Position:** Staff Anesthesiologist, Genesis Medical Center, (December 2010-Present), Zanesville OH. Anes. in private practice environment Gen, Ortho (Peripheral Nerve Blocks, U/S guided), Urology, ENT, Neurosurgery, GI, healthy peds.

#### **Medical Licensure:**

Ohio-2010-2013  
Maryland: 2009-2011  
Florida: 2006-Present  
Louisiana: Inactive  
Anesthesiology (ABA) Board Certified Diplomate (Until 2021)

**Languages:** French: Fluent  
Japanese: Conversational  
Russian: Conversational  
Greek: Colloquial  
Spanish: Medical

#### **Career**

☼ Jewish Hospital Cincinnati OH. 2010  
Staff Anesthesiologist, (CV Anes. in private practice environment with TEE including CABG and valves, Thoracic, Gen, ortho, urology, ENT, healthy peds)

☼ Peninsula Regional Medical Center-Staff: 2009-2010

Anesthesia for a variety of surgical services including cardiovascular (with TEE-in private practice environment), general surgery, thoracic, ENT, orthopedics, neurosurgery, gynecology, urology.

☀Baptist Medical Center-Staff: 2008-2009

Anesthesia for a variety of surgical services including cardiovascular (with TEE-18 months of CV anes. in private practice environment), general surgery, thoracic, ENT, orthopedics, neurosurgery, gynecology, urology and plastic surgery

☀Mayo Clinic College of Medicine (Residency): 2005-2008

Five months of additional cardiac rotations with specific TEE training

☀Tulane University College of Medicine: 6/2004-10/2005 (Transitional Internship through 2 months of CA-I year-Transferred due to Hurricane Katrina)

☀UC Davis Department of Surgery, Sacramento, CA: 6/2003-6/2004 (Surgical Internship)

☀The Ohio State University College of Medicine: 1999-2003

- ▶USMLE Step III-Passing score of 203
- ▶USMLE Step II-Passing score of 209
- ▶USMLE Step I-Passing score of 223

☀1996-1999: Senior Research Coordinator for multinational clinical drug trial in Amyotrophic Lateral Sclerosis research. (Department of Neurology at the California Pacific Medical Center, San Francisco.)

☀University of California at Berkeley

- ▶1992-1996, PhD Program UC Berkeley, Synaptic Plasticity, Hormones and Trophic Factors (Graduated with Master's Degree to pursue research in clinical drug trials)
- ▶1991-1992, Research Assistant-Salaried position.
- ▶1991-Received Double Majors in Biochemistry and Biological Psychology

### **Medical Presentations:**

◆"Cyanosis Following Laparoscopic Nephroureterectomy", Presented at the Gulf Atlantic Anesthesia Resident Research Conference, New Orleans, LA, 2007

◆"Respiratory Failure Following Laparoscopic Heller Myotomy" Presented at morning conference, Department of Anesthesiology, Mayo Clinic, Jacksonville, and presented at the Gulf Atlantic Anesthesia Resident Research Conference, Tampa, FL 2006.

- ◆"Undiagnosed Left Atrial Myxoma and Respiratory Complications" Case Report, Department of Anesthesiology, Mayo Clinic, Jacksonville.
- ◆"TURP Syndrome", Keyword lecture, Department of Anesthesiology, Mayo Clinic, Jacksonville.
- ◆"Management of Meconium Stained Neonates", Keyword lecture, Department of Anesthesiology, Department of Anesthesiology, Mayo Clinic, Jacksonville.
- ◆"Treatment of Cerebral Vasospasm Following Subdural Hematoma", Keyword lecture, Department of Anesthesiology, Mayo Clinic, Jacksonville.
- ◆"Regional Blocks for Delivery", Keyword lecture, Department of Anesthesiology, Mayo Clinic, Jacksonville.
- ◆"Extracorporeal Methods of Rewarming the Hypothermic Patient", Keyword lecture, Department of Anesthesiology, Mayo Clinic, Jacksonville.
- ◆"Neuraxial Blocks in the Anticoagulated Patient", Keyword lecture, Tulane University Department of Anesthesiology.

#### **Academic Publications and Presentations:**

- ◆ Watamura, S. 2007. "Acute onset CHF; Undiagnosed Left Atrial Myxoma", Airway, (Newsletter for the FL Soc. Periop. Nursing). In Press.
- ◆ Watamura, S. 2007. "Signs to Identify TURP syndrome; even in female patients", Airway, (Newsletter for the FL Soc. Periop. Nursing). 32(1):20
- ◆ Watamura, S. 2006. "Adequate oxygenation does not always mean adequate ventilation.", Airway, (Newsletter for the FL Soc. Periop. Nursing). 31(2):14
- ◆ Watamura, S. 2000. Epidural v. Intrathecal Anesthesia in Thoracotomy. Roessler Research Fellowship (\$2400)
- ◆ Watamura, S, Mendoza, M., Miller, R. 1997. Learning effects in quantitative strength testing of patients with amyotrophic lateral sclerosis (ALS). ALS symposium (presented in Glasgow, Scotland)
- ◆ Bengston, L, Lopez, V., Watamura, S., Forger, N. 1996. Short and long term effects of ciliary neurotrophic factor on motoneuron survival in the lumbar spinal cord. *J. Neurobiology*. 31(2): 263-273.
- ◆ Jordan, C, Watamura, S., 1995. Androgenic not estrogenic steroids alter neuromuscular synapse elimination in the rat levator ani muscle. *Dev. Brain res.*, 84:225-232.
- ◆ Forger, nN., Watamura, S. 1993. Society for Neuroscience Abstr. 19: 416
- ◆ Watamura, S., Jordan, C. 1993. Society for Neuroscience Abstr. 19: 883
- ◆ Jordan, C., Watamura, S. 1992. Society for Neuroscience Abstr. 18:207

#### **Work**

- Experience:** ▶ Teaching appointment OSU: 2000, teaching assistant for Undergraduate anatomy

- ▶ California Pacific Medical Center: 1996-1999-Senior Research Coordinator of multiregional ALS drug trials. Interaction with FDA, data management, statistical evaluation.
- ▶ Graduate Student Researcher: 1992-1996: Studied synaptic plasticity and sexual differentiation with hormones and trophic factors
- ▶ Teaching appointment-UC Berkeley:
  - Spring 96: Graduate Student Instructor (GSI): Biopsychology 116-Neuropsychology, research methodologies
  - Fall 1995: Psychology 110:Neural development, hormones and reproduction.
  - Spring 1995: Psychology 110
  - Fall 1994: Psychology 110
  - Fall 1993: Statistics 100: Introductory statistics

**Volunteer Activities:**

- ◆OSU Medical School Talent Show: 1999-2003. Benefiting Columbus Free Clinic.
- ◆Medical Humanities Physical Exam Course (Tutor)-Letter in OSU file
- ◆NetWellness outreach program for high school student community service-2000
- ◆Christmas gift delivery-1999
- ◆Over Sixty Health Center-Berkeley, CA-1996-1999
- ◆Alzheimer's Services of the East Bay-, CA-1996-1999

**Awards:**

- Roessler Research Fellow-2000: \$2400 for studies in regional anesthesia techniques in thoracotomy.
- National Institute of Mental Health, Graduate training grant, 1992-1994 (\$11,000/anum)

**Organizations:**

- ASA-2000-Present
- AMA-1999
- The Ohio State University Library Committee-2000-2001
- Guest seat-Institutional Review Board- California Pacific Medical Center-1997.
- Member Society for Neuroscience: 1992-1999.
- Chair, Association for Graduate Students in Psychology. 1993-Forum for health issues, campus safety and funding.
