

D'Andra J. Davis, MD

Curriculum Vitae

LSU Health Sciences Center
Department of Anesthesiology
1542 Tulane Ave., Suite 659
New Orleans, LA 70112

EDUCATION

Fellowship	Regional and Acute Pain Medicine University of Pittsburgh Medical Center Department of Anesthesiology – 07/2013 to 09/2014
Residency	The University of Mississippi Medical Center Department of Anesthesiology - 07/2008 to 12/2011
Internship	Louisiana State University School of Medicine in New Orleans Department of Internal Medicine - 07/2007 to 06/2008
Medical School	Louisiana State University School of Medicine in New Orleans Doctorate of Medicine - 07/2003 to 05/2007
College	Louisiana State University in Baton Rouge. B.S. in Animal-Dairy-Poultry Science with minors in Chemistry and Sociology, <i>magna cum laude</i> – 08/1999 to 05/2004

CERTIFICATIONS & LICENSES

2007- Present	Basic Life Support (AED/CPR)
2008- Present	Advanced Cardiac Life Support
2010- Present	Internal Review Board (IRB) Certification
2011- Present	Pediatric Advanced Life Support
2012- Present	State of Mississippi Medical License
2012- Present	State of Louisiana Medical License
2012- Present	Primary Board Certification 07/2012; Secondary Examination 10/2014

PROFESSIONAL EXPERIENCE & EMPLOYMENT

11/2012- 06/2013	Dauterive Hospital (Sheridan Healthcare) - New Iberia, La
06/2012- 06/2013	Glenwood Regional Medical Center (Staff Care) - West Monroe, La
06/2012- 10/2012	Delta Regional Medical Center (Premier Anesthesia) - Greenville, Ms
04/2012- 05/2012	Unemployed
01/2012- 03/2012	River Region Health System (Akeso Group) - Vicksburg, Ms

SOCIETIES & MEMBERSHIPS

2009- 2010	Society for Pediatric Anesthesia
2008- 2012	Mississippi (MSA) & American (ASA) Society of Anesthesiology
2006- 2007	Anesthesiology Interest Group, LSUHSC
2003- 2007	Emergency Medicine Interest Group, LSUHSC
2003- 2007	American Medical Association, Medical Student Section, LSUHSC
2002- 2007	Student National Medical Association, LSUHSC
2001- Present	Delta Sigma Theta Sorority, Inc.

RESEARCH & PRESENTATIONS

2011	Grand Rounds Presentation: Anesthetic Management of Common Pediatric Emergencies, The University of Mississippi Medical Center
2011	Computer Modeling as a Tool for Anesthesia Education. Abstract Submission with Elizabeth Curley, M.D.
2008	The University of Mississippi Medical Center Cynthia Vaughn, M.D. An observational study of Etomidate and BIS changes at direct laryngoscopy. Awaiting IRB approval.
2002 Summer	Louisiana Alliance Minority Participation (LAMP) Research. Mouhamed Awayda, Ph.D. Tulane University Medical Building. Explored new efficient methods for quantifying mRNA in hopes to improve future studies in gene expressions.
2001 Summer	LSU REU Chemistry and Biochemistry Research Assistant. David Spivak, Ph.D. LSU Chemistry Building. Synthesized N, O-Bis-Methacroyl L-Serine, a monomer to become patented and used for molecular imprinting of Biotin.
2000 Summer	LA-SOUL/Summer Undergraduate Neuroscience Program. Arto Palkama, M.D. LSUHSC Lions Building. Investigated aqueous humor dynamics, trabecular and uveoscleral outflow mechanisms to improve the management of glaucoma

VOLUNTEER SERVICE

2006	“Spirit of Charity” Volunteer Assisted staff and residents in administering health care to the underserved in temporary ED facilities established after Hurricane Katrina.
2005	Tuberculosis Education Aimed at Community Health Educated local high school students on exposure, recognition and treatment of tuberculosis through the TEACH program.

2004- 2005 Vice President (Social), Student National Medical Association
Organized various activities including the "Meet the L1s" dinner, Back to School picnic, Movie/Potluck Night, X-treme Bowling night, the Annual Christmas Party, and Annual Senior Banquet.

2004 Summer LSUHSC High School Summer Science Program Coordinator
Organized and supervised high school students shadowing clinicians and researchers in LSU Health Care System.

2002 Chancellor's List. LSU.
2001 American Society of Animal Science Scholarship Awards. LSU.
James Trott Award and George Fasting Award
2000 Black Faculty & Staff Caucus Award. LSU.
1999-2003 Dean's List. LSU.

REFLECTIVE STATEMENT

As a fellow at UPMC, I have had the opportunity to do numerous nerve blocks of various complexities including paravertebral and lumbar plexus blocks. I am experienced in nerve stimulation and ultrasound guided nerve blocks with and without perineural catheters. I also had the opportunity to perform regional nerve blocks in the pediatric population which included Rectus sheath and TAP blocks with and without catheters.
