

CURRICULUM VITAE

Name: Anita Jeyakumar, MD, MS, FACS

Business Address: Department of Otorhinolaryngology, 200 Henry Clay Ave, Ste 4119,
New Orleans, LA 70118

Business Telephone and Telefax: Phone: 504-896-9832 Fax: 504-896-9296

Business email Address: ajeyak@lsuhsc.edu

Citizenship: USA

Education

Undergraduate

01/1995-08/1996	Bachelors in Chemistry (B.S.) Belmont University, Nashville, Tennessee, Magna Cum Laude
-----------------	--

Graduate/Medical

09/1996-06/1999	Masters in Chemistry (M.S.), Tennessee State University, Nashville, Tennessee
-----------------	--

06/1997-06/2001	Medicine (M.D.) Meharry Medical College, Nashville, Tennessee
-----------------	--

Internship

06/2001-06/2002	General Surgery, Strong Memorial Hospital University of Rochester, Rochester, NY
-----------------	---

Residency

06/2002-06/2006	Otolaryngology, Strong Memorial Hospital University of Rochester, Rochester, NY
-----------------	--

Clinical Fellowships

06/2006-06/2007	Pediatric Otolaryngology, Cleveland Clinic Foundation, Cleveland, OH
-----------------	---

Certification

2007	American Board of Otolaryngology
------	----------------------------------

2009	Fellow of the American College of Surgeons (FACS)
------	---

Licensure

LA Licence # 204959 Expiration 09/30/2014

Academic, Professional, and Research Appointments

07/2007-06/2009	Assistant Professor, Department of Otolaryngology, Washington University School of Medicine, St Louis, Missouri
07/2009-05/2011	Assistant Professor, Department of Otolaryngology, Saint Louis University School of Medicine, St Louis, MO
	Associate Program Director, Department of Otolaryngology, Saint Louis University, St Louis, Missouri
	Director of Pediatric Cochlear Implantation, Department of Otolaryngology, Saint Louis University, St Louis, Missouri
10/2011-present	Assistant Professor, Department of Otorhinolaryngology, Louisiana State University-Health Science Center, New Orleans, LA
06/2012-present	LSU Academy for the Advancement of Educational Scholarship, Louisiana State University-Health Science Center, New Orleans, LA
	Assistant Program Director, Department of Otorhinolaryngology, Louisiana State University-Health Science Center, New Orleans, LA
06/2012-11/2013	Co-Director, Pediatric Otorhinolaryngology, Louisiana State University-Health Science Center, New Orleans, LA
06/2013-present	Member, Medical Executive Committee, Children's Hospital, New Orleans
02/2014-present	Chief, Department of Surgery, Children's Hospital, New Orleans

Membership in Professional Organizations

2000	President, AOA, Meharry Medical College Gamma Chapter
2000-present	Alpha Omega Alpha, Meharry Medical College Gamma Chapter
2004-2006	Association for Research in Otolaryngology
2002-2008	American Rhinologic Society

2002-2008 American Academy of Facial Plastic and Reconstructive Surgery

2008-2011 Ear Nose and Throat Club of Saint Louis

2002-present American Academy of Otolaryngology – Head and Neck Surgery

2009-present American College of Surgeons

2009-present Society of University Otolaryngologists

2010-present American Society of Pediatric Otolaryngology

2011-present Greater New Orleans ENT Society

Awards and Honors

2004 Dr. Harrington Research Award

2004 ARO Travel Grant

2005 AAO-HNS Resident Travel Grant

2006 Eastern Section Meeting Resident Travel Award

2007 Ferguson Research Award, ASPO

2009 Faculty Teaching Award, Department of Otolaryngology, Washington University School of Medicine

2010 Nominee St Luke's Faith Healer Award

2010 NIDCD Administrative Research Supplement

2013 Castle Connolly Top Doctors

2013 Featured in Marqui's Who's Who

2014 Castle Connolly Top Doctors

2014 Honors Award-American Academy Otolaryngology-Head and Neck Surgery

2015 G-I-N Scholars Award- American Academy Otolaryngology-Head and Neck Surgery

TEACHING EXPERIENCE AND RESPONSIBILITIES

Course/Clerkship/Residency or Fellowship/CME Directorships

- 2009-2011 Medical Student Advisor for Otolaryngology, Saint Louis University
(I was the liaison for the medical students thinking about or interested in Otolaryngology; Facilitated interest talks, Anatomy courses, and research projects; Also advised on away rotations and the interview process)
- 2009-2011 Associate Program Director, Department of Otolaryngology, Saint Louis University, St Louis, Missouri
(Assisted the program director in the residency interview process, the writing of the PIF and responses to the RRC; Performed the resident reviews)
- 2011-present Louisiana State University: Assisted in the Residency Selection and Interview Process for incoming residents in Otolaryngology
- 2014-present Clinical Competency Committee, Department Otorhinolaryngology

Curriculum Development/Implementation

- 2011-present Louisiana State University: Assist in reviewing the Pediatric Otolaryngology Curriculum for the Otolaryngology Residents
- 2012-present Assistant Program Director, Assisting with the PIF in preparation

Formal Course Responsibilities

- 2012-2014 Responsible for the didactic lecture schedule for the residents

Medical Students

- 2009 Lymphatic Malformations, Washington University School of Medicine
- 2007-2009 Pediatric Neck Masses, Washington University School of Medicine
- 2009-2011 Anatomy Dissection Course, Saint Louis University
- 2009-2011 Diversity in Otolaryngology, Saint Louis University
- 2009-2011 Case Studies in Otolaryngology, Saint Louis University
- 2010 Clinical aspects of the Auditory and Vestibular Systems, Saint Louis University

Otolaryngology Residents

2012	Hearing Loss, an overview, Louisiana State University-Health Science Center
2012	Otitis Media, an overview, Louisiana State University-Health Science Center
2012	Ear Anatomy, Louisiana State University-Health Science Center
2012	Pediatric Malignancy, Louisiana State University-Health Science Center
2012	Canaloplasty, Louisiana State University-Health Science Center
2012	Congenital Ear Malformations, Louisiana State University-Health Science Center
2012	Tympanoplasty, Louisiana State University-Health Science Center
2013	Career Development, Louisiana State University-Health Science Center
2013	Congenital Ear Malformations, Louisiana State University-Health Science Center
2013	Lateral Graft Tympanoplasty, Louisiana State University-Health Science Center
2014	OtoJeopardy
2015	Pediatric Otolaryngology Review

Audiology (AuD) Students

2012	Clinical Otology, an overview, Louisiana State University-Health Science Center
2014	Cases of Pediatric Patients with profound hearing loss, 2 nd year AuD, Louisiana State University-Health Science Center
2014-2015	Pediatric Cochlear Implantation, Louisiana State University-Health Science Center

Residents and Faculty

2011-present	Temporal Bone Lab and Dissections, Louisiana State University-Health Science Center
--------------	---

Critical Care Nurses

2013 Airway Management, Children's Hospital NICU, CICU, PICU

Respiratory Therapy

2013 Airway Management, Children's Hospital Respiratory Therapy

Departmental/Interdisciplinary Conferences

2007-2009 Pediatric Cochlear Implants, Teaching Conference, Washington University School of Medicine

2007-2009 Clefting and Syndromes, Teaching Conference, Washington University School of Medicine

2007-2009 Pediatric Neck Masses, Teaching Conference, Washington University School of Medicine

2009-2010 Pediatric Cochlear Implants, Grand Rounds, Saint Louis University

2009-2010 Pediatric Sudden Hearing Loss, Teaching Conference, Saint Louis University

2010 Choanal Atresia, Current Trends, Grand Rounds, Saint Louis University

2010 Temporal Bone Anatomy, Teaching Conference, Saint Louis University

2010 Complications of Otitis Media, Teaching Conference, Saint Louis University

2010 Congenital Hearing Loss, Teaching Conference, Saint Louis University

2011 Idiopathic Hearing Loss, Teaching Conference, Louisiana State University-Health Science Center

2013 Controversy in Adenotonsillectomy and Tubes, Department of Otorhinolaryngology, Louisiana State University-Health Science Center

2013 Airway Management, Department of Pediatrics, Louisiana State University-Health Science Center

2013 Cochlear Implantation, Grand Rounds, Department of Pediatrics, Louisiana State University-Health Science Center

- 2013 Otitis Media for Adults, Teaching Conference, Department of Internal Medicine, Louisiana State University-Health Science Center
- 2014-2015 OtoJeopardy, Department of Otorhinolaryngology, Louisiana State University-Health Science Center

Teaching Awards

- 2009 Faculty Teaching Award, Department of Otolaryngology, Washington University School of Medicine

Graduate Students Mentored

2010-2011	Hetal Patel, MD	Now in residency in Hershey, Pennsylvania
2010-2011	Jonathan Lusardi, MD	Now in residency in Chicago, Illinois
2010-2011	Christopher Britt, MD	Now in residency in Salt Lake City, Utah
2011-2012	Syed Rahman, BA	Medical Student, Saint Louis University
2012-2013	Sarah Peña, MD	Resident, LSU-HSC
2012-2013	Celeste Gary, MD	Resident, LSU-HSC
2012-2013	Jonathan Sorrel, MD	Now in residency in Mississippi
2012-2013	Stephen Moran, BS	Medical Student, Louisiana State University
2012-2013	Dara Jones, BS	Medical Student, Louisiana State University
2012-2013	John McIntire, MD	Now in residency in Baylor, Texas
2012-present	Charles Hurth	Undergraduate, Tulane University
2013-present	Christopher Tran, MD	Resident, LSU-HSC
2013-present	Evan Longfield, MD	Resident, LSU-HSC
2013-present	Neal Jackson, MD	Resident, LSU-HSC
2013-2014	Tyler DeBlieux, BS	Medical Student, Louisiana State University
2013-present	Anne Kane, MD	Resident, LSU-HSC
2013-present	Victoria Givens, MD	Resident, LSU-HSC
2013-2014	Clelie Carpenter, BS	Medical Student, Louisiana State University
2014-present	Willam DeBusk, BS	Medical Student, Louisiana State University

Thesis and Dissertation Committees

Post-Doctoral or Post-Residency Fellows Trained

RESEARCH AND SCHOLARSHIP

Grants and Contracts:

- 2010 NIDCD Administrative Research Supplement
- 2015 LA CaTS Round 3 Pilot Grant

SCIENTIFIC PRESENTATIONS

Invited Presentations and Seminars

Extramural

1. "Anterior Skull Base Anomaly" November 2006, Department of Otolaryngology, University of Maryland.
2. "Choanal Atresia" December 2006, Department of Otolaryngology, Kansas University Medical Center.
3. "Pediatric Head and Neck Malignancies" November 2007, Department of Otolaryngology, Louisiana State University Health Sciences Center.
4. "Pediatric Cochlear Implantation" October 2009, The Combined Arkansas-Missouri Head and Neck Conference.
5. "Pediatric Sensorineural Hearing Loss" January 2011, Southern Pediatric Otolaryngology Study Group, Palm Beach, FL
6. "Recruiting Surgeon Couples" January 2011, Southern Pediatric Otolaryngology Study Group, Palm Beach, FL
7. "Difficult Ear Cases" January 2011, Southern Pediatric Otolaryngology Study Group, Palm Beach, FL

8. "Difficult Ear Cases" January 2012, Southern Pediatric Otolaryngology Study Group, Palm Beach, FL
9. "Maternity/Paternity Leave" January 2012, Southern Pediatric Otolaryngology Study Group, Palm Beach, FL
10. "Role of Vaccination for Cochlear Implant Patients" December 11, 2013. TM's 2nd World Clinical Diagnostics Online Conference.
11. "Difficult Ear Cases" January 2014, Southern Pediatric Otolaryngology Study Group, Fort Lauderdale, FL
12. "Pediatric New Born Hearing Screen" June 2014, Deep South Regional Otolaryngology, Annual Meeting.
13. "Pediatric Hearing Loss and Cochlear Implantation" March 2015, Grand Rounds, Department of Family Medicine, Oschner.
14. "Pediatric Hearing Loss and Cochlear Implantation" March 2015, Mini-Seminar, Department of NeuroScience, Louisiana State University-Health Science Center

Intramural

1. "Neonatal Nasal Obstruction" September 2007, Pediatric Grand Rounds, Washington University School of Medicine.
2. "The neonate with cyanosis" January 2010, NICU Case Conference, Saint Louis University.
3. "Failed New born hearing screen, what next?" April 2011, Pediatric Grand Rounds, Saint Louis University.
4. "Otitis Media for Adults" January 2013, Teaching Conference, Department of Internal Medicine, Louisiana State University-Health Science Center.
5. "Cochlear Implantation" February 2013, Grand Rounds, Department of Pediatrics, Louisiana State University-Health Science Center.
6. "Pediatric Cochlear Implantation" February 2014, Grand Rounds, Department of Audiology, Louisiana State University-Health Science Center.
7. "Pediatric Cochlear Implant Cases" February 2014, Department of Audiology, Louisiana State University-Health Science Center.
8. "Pediatric Neck Masses" 2015, Grand Rounds, Department of General Surgery, Louisiana State University-Health Science Center
9. "Pediatric Cochlear Implant Cases" March 2015, Department of Audiology, Louisiana State University-Health Science Center.

Mini-Seminar

RM Kellman, SA Tatum, **A Jeyakumar**, TT Tollefson, TD Doerr, TM Brickman. Facial Trauma, Concussions, and Return to Play: What Otolaryngologists Need to

Know. Otolaryngology Head and Neck Surgery 09/2014; 151(1 Suppl):P10-P10.
DOI:10.1177/0194599814538403a11

Editorial Posts and Activities

Editorial Board for the following journal:

Journal of Sleep Medicine and Disorders

Journal of Otology and Rhinology

Reviewer status

Reviewer for the following journals:

1. Laryngoscope
2. Journal Otology & Neurotology
3. JAMA Otolaryngology-Head and Neck Surgery
4. BioMed Central
5. J Clinical Imaging Science

External Reviewer: World Journal of Pediatrics

| 2009-2011 | Otolaryngology Educational Committee, Saint Louis University School of Medicine |
| 2009-2011 | Super User EPIC, Electronic Medical Record System, Saint Louis University School of Medicine |
| 2010-2011 | Otolaryngology Research Committee, Saint Louis University School of Medicine |
| 2012-present | Assistant Program Director, Department of Otorhinolaryngology, Louisiana State University-Health Science Center, New Orleans, LA |
| 2013-present | Director, Aural Rehabilitation Team, Children's Hospital New Orleans |
| 2013-present | Surgical Member, Cancer Committee, Children's Hospital New Orleans |

2013-present Member, Medical Executive Committee, Children's Hospital New Orleans

Regional

2013-present LSMS Medical Legal Inter-professional Committee

2014-present State Board of Examiners for Audiologists and Speech Pathology

National

2010-2014 Member, Implantable Hearing Devices Subcommittee, American Academy of Otolaryngology, Head and Neck Surgery

2011-2015 Member, Pediatric Otolaryngology Educational Committee, American Academy of Otolaryngology, Head and Neck Surgery

2012-2015 Member, CORE Otolaryngology & Practice Management Education Committee, American Academy of Otolaryngology, Head and Neck Surgery

2014-2017 Member, Long Range Planning Committee, American Society Pediatric Otolaryngology

2015-present Louisiana State Champion, American Cochlear Implant Alliance

Clinical Service

I am a full time clinical pediatric otolaryngologist. As such, 80% of my time is divided equally between clinic and operating room responsibilities. I also cover 33% of pediatric otolaryngology call at the Children's hospital, and $\geq 33\%$ of resident supervision

Administrative Responsibilities

Departmental

I have been assisting with the residency selection process at the departmental level

Hospital

Assisting with the Cochlear Implant program at the Children's hospital

Member, Medical Executive Committee, Children's Hospital, New Orleans

Member, Network Development Work Group

Member, Peer Review Committee

Surgical Member, Cancer Committee, Children's Hospital New Orleans

Chief of Surgery, Department of Surgery, Children's Hospital New Orleans

Community Service Activities

2010-2011 Member of the Board of Directors, Center for Hearing and Speech, Saint Louis, MO

2012-present Advisory Council for the Early Identification of Hearing Impaired Infants, Louisiana

2013-present Representative Member LSMS to the Medical Legal Interprofessional Committee

2013-2015 Faculty Host Tiger-Talks for Louisiana State University-Health Science Center Medical Students

Ongoing Research

1. CMV and hearing loss
2. Cochlear Implantation, the right site for straight electrode arrays
3. Relationship between chronic effusions and H pylori
4. Ushers: Clinical and Basic Science
