Hayden Aranas Pasternak**Citizenship:** United States**Education:**Undergraduate08/91 – 05/95 Bachelor of Science, Chemistry, American Chemical Society Degree; The College of William and Mary in Virginia; Williamsburg, VAGraduate/Medical08/95 – 05/99 Doctor of Medicine, Eastern Virginia Medical School; Norfolk, VA07/03 – 05/04 Masters of Public Health (Health Policy and Management) with Honors, Johns Hopkins Bloomberg School of Public Health; Baltimore, MDInternship07/99 – 6/00 Pediatrics, Louisiana State University Health Sciences Center, Charity/University Hospital Campus; New Orleans, LA

Residency

07/00 – 6/02 Pediatrics, Louisiana State University Health Sciences Center, Charity/University Hospital Campus; New Orleans, LA

Clinical Fellowship

07/02 – 06/05 Adolescent Medicine, Johns Hopkins University, School of Medicine; Baltimore, MD

Other

07/03 Course on Research Ethics (C.O.R.E.), Johns Hopkins University School of Medicine/Phoebe R. Berman Bioethics Institute; Baltimore, MD

01/04 – 03/04 Robert Wood Johnson Clinical Scholars Course in Grant Writing, Johns Hopkins University, School of Medicine; Baltimore, MD

09/07/2017 FOUNDATIONS Training, Core Training for Sex Ed, Louisiana Public Health Institute and Institute of Women and Ethnic Studies; New Orleans, LA

10/17 – 06/18 Physicians for Reproductive Health: Leadership Training Academy. Prepares physicians to become lifelong leaders in reproductive health care advocacy by helping them develop and internalize the skills they need to be powerful, effective advocates for comprehensive sexual and reproductive health care. Focusing on Training of Clinicians/Faculty on Effective Media Presentation, Legislative Advocacy and Local and National Advocacy Efforts.

03/21 – 3/22/19 World Professional Association for Transgender Health (WPATH) Global Educational Initiative Foundations Training Course: Best Practices in Medical and Mental Health; New Orleans, LA (CME)

3/23/19 World Professional Association for Transgender Health (WPATH) Global Educational Initiative Specialty Session Training Course: Child and Adolescents; New Orleans, LA (CME)

11/3-11/15/19 Leadership Development for Physicians in Academic Health Centers. Intensive two week course designed to enhance skills for academic physicians in the areas of Healthcare and Organizational Strategy, Leadership, Finance, Healthcare Policy, and Quality Improvement. Harvard T.H. Chan School of Public Health Executive and Continuing Professional Education; Boston, MA (CME)

Certification:

05/97 – present Completed USMLE Steps I, II, and III

06/99 – present Basic Life Support

06/99 – present Pediatric Advanced Life Support

1999 – 2004	Neonatal Advanced Life Support; Advanced Cardiac Life Support
10/02 – present	American Board of Pediatrics; Board Certified October 2002 (ongoing MOC)
12/05 – present	Adolescent Medicine, American Board of Pediatrics, Sub-board Certified, December 2005 (ongoing MOC)

Licensure:

01/01/2019	Louisiana #MD025516 (current through 12/31/2019)
------------	--

Academic, Professional, and Research Appointments:

07/05 – 07/13	<u>Assistant Professor -- Clinical</u> , Department of Pediatrics LSU Health Sciences Center, School of Medicine; New Orleans, LA
2005 – present	<u>Section Head</u> , Adolescent Medicine Section, Department of Pediatrics, LSU Health Sciences Center, New Orleans, LA
08/05 – 05/06	<u>Attending Staff</u> , University of New Orleans, Student Health Services; New Orleans, LA
09/05 – 2006	<u>Attending Staff</u> , Southern University Baton Rouge, Student Health Center; Baton Rouge, LA
03/06 – 10/07	<u>Mentee Researcher</u> , Center of Biomedical Research Excellence (C.O.B.R.E.); New Orleans, LA
10/06 – present	<u>Program Faculty</u> , Adolescent Reproductive and Sexual Health Education Project. Program designed to train faculty in presentation of adolescent reproductive health education for dissemination to other clinicians, institutions and organizations. Development of evolving free digital-media and electronic presentation (slideshow/video) resources for accurate, evidence-based teaching on adolescent reproductive and sexual health issues. Adolescent Reproductive and Sexual Health Education Project (ARSHEP); specifically responsible for lecture series on Male Adolescent Reproductive Health
07/10 – present	<u>Staff Pediatrician</u> , Children's Hospital New Orleans, Adolescent Behavioral Health Unit; New Orleans, LA
01/04 – 2013	<u>Affiliate Faculty</u> , Johns Hopkins Bloomberg School of Public Health, Center for Adolescent Health; Baltimore, MD
07/13 – present	<u>Associate Professor – Clinical</u> , Department of Pediatrics, LSU Health Sciences Center, School of Medicine; New Orleans, LA
2014 – present	<u>Division Head</u> , General Ambulatory Pediatrics and Adolescent Medicine, Department of Pediatrics, LSU Health, School of Medicine; New Orleans, LA

- 2016 – present Nick Gagliano Endowed Professor in Ambulatory Pediatrics, Department of Pediatrics, LSU Health, School of Medicine; New Orleans, LA
- 2/19 – present Vice Chair Community Pediatric Health and Advocacy – Department of Pediatrics, LSU Health, School of Medicine; New Orleans, LA

Membership in Professional Organizations:

- 07/99 – present Member, American Academy of Pediatrics
- 05/04 – present Member, Delta Omega, Public Health Honor Society, Alpha Chapter
- 09/02 – 07/08 Member, Ambulatory Pediatrics Association, Region VII
- 09/02 – 07/08 Member, Ambulatory Pediatrics Association
- 10/06 – present Program Faculty/Member, Adolescent Reproductive and Sexual Health Education Program, Physicians for Reproductive Health (PRH); New York, NY
- 07/07 – present Member, National Assembly on School Based Health/School Based Health Alliance
- 03/09 – 2013 Board Member, Louisiana Assembly on School Based Health/ Louisiana School Based Health Alliance
- 12/06 – present Section Chair, Adolescent Health, Louisiana Chapter, American Academy of Pediatrics
- 03/09 – 03/11 President, Society for Adolescent Health and Medicine, Mid-South Chapter
- 03/07 – 12/09 Member, Ad Hoc Committee on Workforce Issues in Adolescent Medicine/Adolescent Health, Society for Adolescent Health and Medicine
- 12/09 – 2012 Consultant, Ad Hoc Committee on Workforce Issues in Adolescent Medicine/Adolescent Health, Society for Adolescent Health and Medicine
- 03/10 – 03/17 Member, Sub-Committee on Electronic Health Records Issues in Adolescent Medicine, Society for Adolescent Health and Medicine
- 03/11 – 04/12 Member, Program Committee, Society for Adolescent Health and Medicine Annual Meeting, March 14-17th, New Orleans, LA
- 03/12 – 03/15 Chair, Sub-Committee on Electronic Health Records Issues in Adolescent Medicine, Society for Adolescent Health and Medicine
- 11/13 – present Member, Workgroup for Capacity Assistance for School Based Health Care Clinicians, American Public Health Association

- 03/17 – present Member, Surfer’s Medical Association.
- 02/19 – present Member, World Professional Association for Transgender Health

TEACHING EXPERIENCE AND RESPONSIBILITIES

Course/Clerkship/Residency or Fellowship/CME Directorships:

- 07/05 – present Director, Adolescent Medicine resident required rotation. Approximately 26 residents, 96 lecture hours, and 2700 contact hours annually. Responsible for design and dissemination of course material; direct clinical instruction, and evaluation of all learners, and organization of faculty preceptors and lectures with LSU and Tulane SOM. Department of Pediatrics, LSU Health Sciences Center; New Orleans, LA
- 07/08 – present Director, Adolescent Medicine 4th Year Medical Student Elective (PEDS:301). Approximately 7 students, 26 lecture hours, and 400 contact hours annually. Responsible for design and dissemination of course material; direct clinical instruction, and evaluation of all learners, and organization of faculty preceptors and lectures with LSU and Tulane SOM. Department of Pediatrics, LSU Health Sciences Center; New Orleans, LA

Curriculum Development/Implementation:

- 2005 – present Rotation Director, Adolescent Medicine resident rotation. Re-designed and implemented new competency-based, evidence-based, and public health-focused curriculum for residency training in Adolescent Medicine. Responsible for design and dissemination of course materials; majority of instruction and evaluation during Pediatric resident Adolescent Medicine rotation (introduced 8/2005, re-designed continually). Department of Pediatrics, LSU Health Sciences Center; New Orleans, LA
- 2007 – 2010 Medical Director, School Health Connection. Developed CQI measures for network of 6-12 school-based health centers with continuing education curriculum aimed at these measures. Worked toward development of CEU/CME accredited curriculum in collaboration with the LA Office of Public Health and Medical Center of Louisiana at New Orleans that would provide nurses and physicians with enhanced skills to address health care needs of adolescents in school-based health environments. Department of Pediatrics, LSU Health Sciences Center; New Orleans, LA
- 07/08 – present Director, MS-4 Adolescent Medicine Elective (PEDS: 301). Designed MS-4 elective rotation in adolescent health including curriculum and clinical rotations, teaching. Department of Pediatrics, LSU Health Sciences Center; New Orleans, LA.

- 2018 – present Working with Assistant Dean for Medical Education (English) to increase reproductive health and adolescent health experiences throughout LSU School of Medicine curriculum. LSU Health Sciences Center; New Orleans, LA
- 10/2019 – present “Critical Concepts in Adolescent Health.” One hour lecture to all Medical Students during their 4th Year addressing critical issues in Adolescent Health for all physicians including: Confidentiality, Taking a Sexual History, Sexually Transmitted Infection Screening and Pelvic Inflammatory Disease, Family Planning and Options Counseling, 1 hour 10 months annually, 20-25 students per lecture. 1/2020 Began teaching Pediatrics Residents to deliver content. LSU Health School of Medicine; New Orleans, LA

Creation of Enduring Teaching Materials:

- 2004 – 2005 Created genital exam chaperone protocol and instructed nursing staff in appropriate techniques for chaperoning adolescent genitourinary exam. Johns Hopkins Hospital; Baltimore, MD
- 2005 – 2014 Development of digital self-teaching tools for Pediatrics residents and students. Developed digital Noon Conferences to allow residents, students, and faculty ability to review lectures with slideshow and audio. Department of Pediatrics, LSU Health Sciences Center; New Orleans, LA
- 2005 – present Development of evolving digital resource database for Adolescent Medicine resident rotation. Includes digital references, clinical teaching tools, lectures, and research resources. Department of Pediatrics, LSU Health Sciences Center; New Orleans, LA
- 07/06 – present Adolescent Reproductive Sexual Health Education Program/ Physicians for Reproductive Health (PRH), Online Training Modules. Up-to-date, evolving, free digital-media and electronic presentation (slideshow/video) resources for accurate, evidence-based teaching on adolescent reproductive and sexual health issues. I am specifically responsible for lecture series on Male Adolescent Reproductive Health, Confidentiality, Adolescent Friendly Health Services and Contraception. Includes online curriculum with evaluation for residents and students at multiple schools of medicine

Formal Course Responsibilities:

- 07/02 – 06/05 Adolescent Medicine Core Lectures, Johns Hopkins University School of Medicine; Baltimore, MD
-- Seminar with Pediatric residents and medical students during Adolescent Medicine rotation; 2-4 hours/session (46 sessions annually)
- 07/02 – 06/05 Core-Curriculum “Lane Lines,” Johns Hopkins School of Medicine. Lectures to Pediatric residents. Johns Hopkins Hospital; Baltimore, MD

- Developed a minimum of 2 seminars annually and led a minimum of six sessions annually addressing various Adolescent Medicine topics; 1 hour/session (6 sessions annually).

- 07/03 – 06/05 Clinical Preceptor, medical students in Adolescent clinic. Johns Hopkins Harriet Lane Adolescent Medicine Clinic, Johns Hopkins Hospital; Baltimore, MD
 - Observed and instructed 3rd-year medical students in proper care of adolescent patients and provided didactic instruction pertinent to care; 5 hours/session (90-132 sessions annually).

- 07/05 – present Faculty Lecturer, Pediatrics Forums, “Issues Unique to Adolescence” (component of PEDS:300). Lecture seminar with 3rd-year medical students reviewing issues pertinent to care of adolescent patients during students’ Pediatric block rotation; 2 hours/session (7-8 sessions annually, 15-25 students/session). Department of Pediatrics, LSU Health Sciences Center; New Orleans, LA.

- 07/08 – present Faculty Lecturer, 4th-year medical student elective in Adolescent Medicine (PEDS: 301). As above.

- 2016 – present Mentor, 2nd-year medical student “Selectives” in Adolescent Medicine and Academic Medicine Leadership (course MCLIN:201/202). Brief intense mentorship and shadowing of faculty for Adolescent Medicine (clinical) and Division Head (administrative) interests. Second Year Medical Students spend 20 contact hours in area of interest with senior faculty. Approximately 4-5 students per academic year, 80-100 contact hours annually. (Fall) Adolescent Medicine, (Spring) Division Chief Administrative. LSU Health Sciences Center; School of Medicine; New Orleans, LA.

Departmental/Interdisciplinary Teaching Conferences:

- 2005 – present Resident Noon Conferences – Responsible for conferences annually, with topics including Pelvic Inflammatory Disease, Confidentiality, Contraception, Dysfunctional Uterine Bleeding, and Male Genitourinary Exam, Pre-Participation Exam, Adolescent Well Visits etc.; 1 hour/session (3 sessions annually). Department of Pediatrics, LSU Health Sciences Center; New Orleans, LA.

- 2006 “Confidentiality in Adolescent Risk Behavior: Clinical Care and Research.” Grand Rounds, Department of Pediatrics, LSU Health Sciences Center, Children’s Hospital; New Orleans, LA.

- 2016 “Adolescent Friendly Health Services and Reproductive Health.” Grand Rounds, Department of Pediatrics, LSU Health Sciences Center; New Orleans, LA. April 6, 2016 (CME) REAL-Packard Program Evaluated Presentation.

- 2016 “Long Acting Reversible Contraceptives in Adolescents (LARC).” Part of the REAL Program funded through the David and Lucille Packard Foundation. Grand Rounds, Department of Pediatrics, LSU Health Sciences Center; New Orleans, LA. April 13, 2016 (CME)

- 2016 “Meeting the Sexual and Reproductive Health Care Needs of Lesbian, Gay, Bisexual, Transgender, and Questioning Patients.” Part of the REAL Program funded through the David and Lucille Packard Foundation., Grand Rounds Department of OB/Gyn, LSU Health Sciences Center; New Orleans, LA. September 28, 2016 (CME)
- 2016 “Reproductive Health Advocacy Training” 2 day training program from the LSU Health Adolescent Medicine Reproductive Education + Advocacy Louisiana (RE+AL) Program and Physicians for Reproductive Health. Designed to teach medical students, residents and fellows about general tools of physician advocacy and specific tools of reproductive health advocacy. November, 10th 2016. Funded through the David and Lucille Packard Foundation funding of RE+AL
- 2017 “Adolescent Sexual and Reproductive Health Services and AAP Guidelines.” Grand Rounds, Department of Pediatrics, LSU Health Sciences Center; New Orleans, LA. Co-Presented with Dr. M. Benak, November 29, 2017 (CME) REAL – Packard Program Evaluated Presentation.
- 2018 Provide: Values Clarification and Options Counseling Trainings. Worked with Provide Care to host monthly trainings in Options Counseling and Values Clarification for Adolescent Health Care Services with all LSU Health Sciences Center and Tulane School of Medicine Pediatrics residents and medical students rotating on Adolescent Medicine as well as facilitate this training with all Tulane and LSU Health 3rd-year medical students during their Ob/Gyn Clerkships.
- 2018-Present Gender Health Conference: Lead monthly 1 hour interdisciplinary conference on providing Gender Health Services attended by: Endocrinology, Plastic Surgery, Adolescent Medicine, Pediatrics and Surgical specialists as well as residents and medical students. Teaching on clinical care for transgender and gender non-conforming patients as well as discussion of cases from the Children’s Hospital Gender Health Clinic.
- 2020 “Medical Student Advocacy Training” 2 day training program from the LSU Health Adolescent Medicine Reproductive Education + Advocacy Louisiana (RE+AL) Program and Women with a Vision, the Louisiana Public Health Institute and LIFT Louisiana, Program designed to teach medical students general tools of physician advocacy and specific tools of reproductive health advocacy for students from LSU Health New Orleans and Shreveport Schools of Medicine and Tulane School of Medicine. February 1st and 2nd, 2020. Funded through the David and Lucille Packard Foundation funding of RE+AL (39 Students, 2 days)

Undergraduate, Medical, or Graduate Students Trained:

- 2007 – present Mentor, Residency Mentorship Program. Meet at least quarterly with residents that select me as a mentor to discuss future career paths, progress and challenges during residency. Department of Pediatrics, LSU Health Sciences Center; New Orleans, LA.

- 2007 – present Clinical Preceptor, Advanced Practice Nursing Program (FNP). Provide direct clinical instruction to nurse practitioner students in Pediatric/ Adolescent Medicine and school-based health clinics. LSU Health Sciences Center, School of Nursing; New Orleans, LA.
- 2014 – present Mentor, Medical Student Mentorship Program for Adolescent and Public Health. Meet with student mentees that select me as a mentor to discuss future career paths, progress and challenges during medical school (2014 – 2016 3rd/4thyr). Mentee (Hundley) in Adolescent Health selected as Packard Youth Champion 1:19 worldwide).
- 2015 – present Faculty Advisor, Inter-Professional Student Alliance (IPSA)/Center for Inter-professional Education and Collaborative Practice (CIPECP). Mentor Students from LSU SOM and other schools on IPSA related projects, activities and curricula (Hundley, Quinton, Wendt, Mollig, Shields). LSU Health Sciences Center, School of Medicine; New Orleans, LA.
- 2016 – present Mentor, 2nd-year medical student “Selectives” in Adolescent Medicine and Academic Medicine Leadership (course MCLIN:201/202). Approximately 4-5 students per Academic year, 80-100 contact hours annually. LSU Health Sciences Center, School of Medicine; New Orleans, LA.
- 2017 – 2019 Faculty Advisor, Albert Schweitzer Fellowship Program. LSU Health Sciences Center, School of Medicine; New Orleans, LA.
-- Fellow: Louis Monnig. Student developed online resource webpage to address and reduce the impact of HIV in Louisiana.

RESEARCH AND SCHOLARSHIP

Grants and Contracts:

Funded

- 09/03 – 09/04 Principal Investigator, Parent and Adolescent Perceptions of Adolescent Involvement in Clinical Care and Research (faculty mentor: Tina L. Cheng, M.D., M.P.H.). CDC, Prevention Research Centers (Center for Adolescent Health, Johns Hopkins Bloomberg School of Public Health) U48/CCU309674; \$10,000
- 01/06 – 06/07 Principal Investigator, Social Services Block Grant Funding for School Based Health Centers, \$383,872
- 06/06 – 06/07 Co-Principal Investigator, Translational research grant to explore relation between behavior change readiness and impact of exercise and diet change on weight loss and inflammatory markers in asthma and obesity. Centers of Biomedical Research Excellence (C.O.B.R.E.); NIH; 1P20RR021970-01, 0.25 FTE support of base salaries.
- 07/06 – 04/09 Principal Investigator, Supplemental Funding for School Based Health Centers. Louisiana Public Health Institute (part of W.K. Kellogg \$8.7 million funding for SBHCs); \$337,753
- 07/06 – present Principal Investigator, Operational grant for three school-based health centers. Louisiana DHH, Office of Public Health; Adolescent School Health Program; >\$969,273
- 02/07 – 04/10 Medical Director, Louisiana Public Health Institute; contract for services as Medical Director; School Health Connection Program; \$257,825
- 10/07 Visiting Lectureship Grant, American Academy of Pediatrics, Richmond Center for Tobacco Control; grant allowed Dr. Jonathan Samet to present to faculty, staff, residents, students and community members on various topics related to tobacco control and cessation; \$6,000
- 10/07 Adele Hoffman Visiting Professorship in Adolescent Medicine Grant, Society for Adolescent Medicine whereby the grant allowed Visiting Professor Dr. Lawrence D'Angelo to provide didactic and interactive teaching sessions at LSUHSC and Tulane Schools of Medicine on Adolescent Health issues. This grant provided funding sufficient to support Dr. D'Angelo's travel and lodging costs associated with performing the duties of the Adele Hoffman Visiting Professorship. \$5000
- 08/07 – 08/08 Loyola Student Health Services, Contract: Provide direct care services to students at Loyola University; Medical Director and oversight; \$166,250
- 09/07 – 10/09 Principal Investigator, Primary Care Access and Stabilization Grant, DHH/Louisiana Public Health Institute. Grant to enhance delivery of primary care

- pediatric services in community health centers (school-based health centers); \$1,097,146
- 09/08 – 05/14 Site Principal Investigator, A Brief, Clinic-Based, HIV Prevention Program for African American Males; \$229,436, R01MHC83621
- 01/10 – 11/11 Principal Investigator, Primary Care Access and Stabilization Grant Supplemental Quality Improvement Program. Supplemental funding from award referenced above for demonstration of specific clinical quality measures in two LSUHSC School Health Clinics, DHH/LPHI; \$207,953
- 10/10 – 09/15 Clinical Site – Principal Investigator, Orleans Teen Pregnancy Prevention Project, HRSA. \$176,418/yr
- 10/10 – 08/13 Site Principal Investigator, Louisiana Public Health Institute, School Health Connection General Electric grant, funding for school-based health center development/expansion; yrs 1 and 2 – \$380,000
- 3/1/13 -- 0/13 Site Principal Investigator, Grant/Contract Louisiana Dept. of Education and Orleans Parish School Board (OPSB). School-Based HIV and STD Intervention and Education Program. Worked with OPSB to develop and implement a HIV and STD program for students that would involve direct interaction of health care and school-based health center (SBHC) staff with youth, discuss in an open forum opportunities for HIV/STD testing, prevention and treatment and perform outcomes evaluation pre-post sessions to determine fidelity of sessions to stated informational goals, effect on utilization of health services at the SBHCs and effect on screening/testing rates. \$25,000(+)
- 08/10 – present Children’s Hospital of New Orleans, Calhoun Behavioral Health contract. Provide 1.4 FTE medical services to Children’s Hospital “Calhoun” Adolescent Behavioral Health Unit consisting of medical evaluations, consultation and on-going medical care for 32 adolescent patients admitted for inpatient psychiatric care.
- 02/13 – present Children’s Hospital of New Orleans Medical Practice Corporation contract providing 2.9 – 4.2 FTE support for clinical faculty and advanced practitioners in Ambulatory Pediatrics and Adolescent Medicine to provide community pediatric services at 4 clinic locations in Greater New Orleans.
- 02/13 – present Daughters of Charity Services New Orleans contract providing 0.5 FTE support for 1 clinical faculty member in Ambulatory Pediatrics to provide community pediatric services at local Federally Qualified Health Center.
- 02/13 – present Tulane University, School of Public Health and Tropical Medicine Contract providing 0.5 FTE support for 1 faculty member in Ambulatory Pediatrics to provide public health course oversight/teaching at Public Health School.
- 10/14 – present Daughters of Charity Services New Orleans contract providing up to 2.65 FTE support for clinical faculty members in Ambulatory Pediatrics to provide community pediatric services at local Federally Qualified Health Centers

- 08/15 – 12/18 Principal Investigator, David and Lucille Packard Foundation grant to address Adolescent Reproductive Health Care services, education and outcomes in Louisiana. Reproductive Education + Advocacy Louisiana (REAL Program), 3 years, \$1,200,000 (grant period 1/16 – 12/18)
- 03/16 – present Co-Investigator, Patient Centered Outcomes Research Initiative, Network/Community Based Participatory Research Network (PCORI/Net/CBPRN). Working with Dr. Ben Springgate (LSUHSC Internal Medicine) and UCLA PI: Kenneth Wells, develop large network of clinics across disciplines to facilitate funded outcomes research (CHMPC: Perrin, Crescent Care: Wilcox, signed LOI) LSU contract (0.05 FTE)
- 09/18 – present Principal Investigator, David and Lucille Packard Foundation grant. Reproductive Education + Advocacy Louisiana Program. 3 years, \$1,200,000 (grant period 1/19 – 12/21)
- 01/20 – 12/20 Principal Investigator, Organizational Effectiveness Grant for Strategic Planning of LSU Health Adolescent Medicine Program, David and Lucille Packard Foundation. 1 year, \$64,000
- 02/20 – 8/20 Principal Investigator, Resilience Initiative “Jumpstart Program.” Grant for Strategic Planning and Resiliency Building with LSU Health’s Division of General Pediatrics and Adolescent Medicine. 1 year, \$15,000

Unfunded Applications

- 2011 Project Connect (Connect-Dat), CDC, Broad Area Announcement 2011-N-13319; \$1,200,000, 5 years
- 2011 School-Based Health Capital Improvement Grant; HRSA; \$250,000 HRSA requirements excluded most state educational entities.
- 2011 Grant “Individually and Didactically Delivered HIV/STI Prevention for Young African American Women;” FOA: PAR-09-173, R-34 submitted for 1/2011 cycle; \$500,000.
- 2015 Principal Investigator, Rapid Focus on the Future to Prevent Adolescent Unplanned Pregnancy and STIs in High Risk Clinic Populations. Office of Adolescent Health: Health Resources and Services Administration, \$3,000,000, 5 years.
