LSU ERCP & Therapeutic Endoscopy Conference
A CME COURSE

Sunday, March 8, 2015 • 7:30 am - 3:00 pm
LSU Lions Clinic Building
9220 Gravier Street, New Orleans, LA 70112

About the Course
This course is designed for gastroenterologists, surgeons, and healthcare professionals engaged in the comprehensive management of patients with pancreatobiliary disease and those requiring advanced endoscopic procedures.

Experts in the field of ERCP and therapeutic endoscopy will lecture on the following topics:
- Therapeutic Interventions for Chronic Pancreatitis
- New Standards for ERCP
- Preventing Post-ERCP Pancreatitis
- Indeterminate Biliary Strictures: A Diagnostic Dilemma
- Minimizing Radiation Exposure
- Interventional Radiology as a Complement to ERCP
- Applications of RFA for Mucosal Disease
- Endoscopic Therapy for GERD

Attendees will also have the opportunity to visit hands-on stations utilizing inanimate models to practice techniques with currently available medical devices with instruction from course faculty.

Accreditation
The Louisiana State University School of Medicine, New Orleans is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA Credit Designation Statement
The Louisiana State University School of Medicine, New Orleans designates this live educational activity for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Registration
The registration fee is $149. Register online at www.regonline.com/LSUERCP2015. Residents and fellows, please refer to the website for instructions on registering.

Disclaimer
The material presented in this continuing medical education program is being made available by the LSU Department of Internal Medicine-Section of Gastroenterology and is for educational purposes only. The material is not intended to represent the only method or procedure appropriate for the medical situation discussed. This material is not intended, nor should be construed to, guarantee proficiency in the procedures demonstrated.

Disclosure: LSU SOM NO ensures balance, independence, objectivity, and scientific rigor in all of its sponsored educational activities. Faculty, planners or anyone in a position to control content are required to disclose to participants any financial relationships they may have had with commercial interests within the last 12 months, including in-kind donations. A commercial interest is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by or used on patients. Disclosure of financial relationships must be made during the planning stages of the activity, and all relationships thus disclosed are communicated to the audience prior to the activity.

AGENDA

7:30 am  Registration and Continental Breakfast
7:55 am  Welcome and Opening Remarks  
         Daniel L. Raines, MD, FACC  
         Stephen W. Landreneau, MD
8:00 am  Therapeutic Interventions for Chronic Pancreatitis  
         Andres Gelrud, MD, MMSc
8:30 am  New Standards for ERCP  
         TBD
9:00 am  Preventing Post-ERCP Pancreatitis  
         Sanjay K. Sikka, MD
9:30 am  Break / Visit Exhibits
10:00 am Indeterminate Biliary Strictures: 
         A Diagnostic Dilemma  
         Peter V. Draganov, MD, FACC
10:30 am Minimizing Radiation Exposure  
         Gregory Espenan, MS, DABR
11:00 am Intervventional Radiology as a Complement to ERCP  
         James G. Caridi, MD, FSIR
11:30 am Lunch
12:00 pm Applications of RFA for Mucosal Disease  
         Michael S. Smith, MD, MBA
12:30 pm Endoscopic Therapy for GERD  
         Mark D. Noar, MD, MPH
1:00 pm  Break / Visit Exhibits  
1:30 pm  Hands-on Stations featuring the following procedures:  
         Biliary and Pancreatic Stenting
         Cannulation Techniques  
         Cholangioscopy  
         Enteral Stenting  
         Hemostasis  
         RFA Ablation for Mucosal Disease  
         RFA Therapy for GERD
         With faculty instruction by:  
         Peter V. Draganov, MD, FACC
         Andres Gelrud, MD, MMSc  
         John Hutchings, MD  
         Thomas Judd, MD  
         Stephen W. Landreneau, MD  
         Mark D. Noar, MD, MPH  
         Daniel L. Raines, MD, FACC
         Gary Reiss, MD  
         Sanjay K. Sikka, MD  
         Michael S. Smith, MD, MBA
3:00 pm  Course Adjourns
