Summer Research Internship Program - High School

The application deadline is 5:00 pm, Thursday, March 1, 2018
All questions regarding the program should be submitted to:
SummerResearch@lsuhsc.edu, please reference the program for which you are applying, no phone calls please.

REQUIRED DOCUMENTS
- Completed application form.
- Cover letter describing research interests and career goals.
- Resume describing schools attended, previous job experience and relevant accomplishments.
- Provide two (2) professional and/or academic references. Reference letters are not required to submit your application; references will be contacted only if necessary.
- Any student who is accepted into the program will be required to submit current vaccination records and a social security number before the start of the program. Instructions will be provided at a later date on how to submit this information.

ELIGIBILITY REQUIREMENTS
- Only students living in the New Orleans area or vicinity during the time of the summer internship are eligible.
- High school students must be in their junior or senior year at the of application submission (NO EXCEPTIONS).
- Students will be required to attend an all-day mandatory orientation on Friday, June 1, 2018 and must be available during all dates of program (Friday, June 1, 2018 – Thursday, July 26, 2018). If you have a prior commitment during the dates of the program you are ineligible to participate. This is a full-time, eight week commitment.

SELECTION
Once your completed application packet is submitted, it will be reviewed by the Summer Research Program Committee. The Committee will invite a select number of applicants for in person interviews. Once all interviews have been conducted candidates will be informed of their status by April 15, 2018.

REQUIREMENTS AND EXPECTATIONS
- Conduct your own small research project or work on part of an ongoing research project.
- Attend weekly seminar series that will introduce you to rapidly progressing medical and basic research areas at LSUHSC.
- Be willing to complete all Compliance Training, Conflict of Interest Forms and/or any other training deemed necessary for your internship as soon as it is received.
- Report to work on time as designated by mentor to work on assigned research project, students are expected to work no more than 40 hours a week.
- Present a poster at the 2018 Summer Research Program Poster day where the student presents what was learned over the summer.

STIPENDS
Student stipends for High School students are $2,645.00 and will be received in three (3) increments over the course of the summer. Students will be responsible for a parking fee of anywhere $45.00-$55.00, plus $25.00 gate card fee (gate card fee is refundable at the end of the summer).
