RE: Drug testing for incoming house officers 2010-2011

In Order for incoming house officers to begin training and be paid through the payroll system, they must undergo pre-employment drug testing on or after March 25th, 2010. Testing after May 15th, 2010 could result in an administrative delay in processing your payroll documents and delay the start of your residency/fellowship training.

**Instructions regarding the drug testing procedures will follow your initial communication with your department coordinator.*

***All incoming House Officers must contact their program coordinator, _____
at _____ (phone) to schedule the drug test.***
