RE: **2012-2013 Drug Testing for Incoming House Officers**

In order for incoming house officers to begin training and be paid through the payroll system, they must undergo pre-employment drug testing on or after March 25th, 2012. Testing after May 15th, 2012 could result in an administrative delay in processing your payroll documents and delay the start of your residency/fellowship training.

*Instructions regarding the drug testing procedures will follow your initial communication with your department coordinator.

All incoming House Officers must contact their program coordinator, _____ at _____(phone) to schedule the drug test.

Form W-4 (2012)

Purpose. Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

Exemption from withholding. If you are exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2012 expires February 18, 2013. See Pub. 505, Tax Withholding and Estimated Tax.

Note. If another person can claim you as a dependent on his or her tax return, you cannot claim exemption from withholding if your income exceeds $950 and includes more than $300 of unearned income (for example, interest and dividends).

Basic instructions. If you are not exempt, complete the **Personal Allowances Worksheet** below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earners/multiple jobs situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Head of household. Generally, you can claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the **Personal Allowances Worksheet** below. See Pub. 505 for information on converting your other credits into withholding allowances.

Nonwage income. If you have a large amount of nonwage income, such as interest or dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity income, see Pub. 505 to find out if you should adjust your withholding on Form W-4 or W-4P.

Two earners or multiple jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 505 for details.

Nonresident alien. If you are a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Check your withholding. After your Form W-4 takes effect, use Pub. 505 to see how the amount you are having withheld compares to your projected total tax for 2012. See Pub. 505, especially if your earnings exceed $130,000 (Single) or $180,000 (Married).

Future developments. The IRS has created a page on IRS.gov for information about Form W-4, at *www.irs.gov/w4*. Information about any future developments affecting Form W-4 (such as legislation enacted after we release it) will be posted on that page.

Notice 1392
(December 2009)

Department of the Treasury
Internal Revenue Service

Supplemental Form W-4 Instructions for Nonresident Aliens

Nonresident aliens must follow special instructions when completing Form W-4, Employee's Withholding Allowance Certificate, available at *http://www.irs.gov/pub/irs-pdf/fw4.pdf*, for compensation paid to such individuals as employees performing dependent personal services in the United States. Compensation for dependent personal services includes amounts paid as wages, salaries, fees, bonuses, commissions, compensatory scholarships, fellowship income, and similar designations for amounts paid to an employee.

Are you a nonresident alien? If so, these special instructions apply to you. Resident aliens should follow the instructions on Form W-4.

If you are an alien individual (that is, an individual who is not a U.S. citizen), specific rules apply to determine if you are a resident alien or a nonresident alien for federal income tax purposes. Generally, you are a resident alien if you meet either the "green card test," discussed at *http://www.irs.gov/businesses/small/international/article/0,,id=96314,00.html*, or the "substantial presence test," discussed at *http://www.irs.gov/businesses/small/international/article/0,,id=96352,00.html*, for the calendar year. Any alien individual not meeting either test is generally a nonresident alien. Additionally, a dual-resident alien who applies the so-called "tie-breaker" rules contained within the Resident (or Residence or Fiscal Residence) article of an applicable U.S. income tax treaty in favor of the other Contracting State is treated as a nonresident alien. See Publication 519, U.S. Tax Guide for Aliens, available at *http://www.irs.gov/pub/irs-pdf/p519.pdf*, for more information on the green card test and the substantial presence test.

What compensation is subject to withholding and requires a Form W-4?

Compensation paid to a nonresident alien for performing personal services as an employee in the United States is subject to graduated withholding. Compensation for personal services also includes amounts paid as a scholarship or fellowship grant to the extent it represents payment for past, present, or future services performed as an employee in the United States. Nonresident aliens must complete Form W-4 using the modified instructions provided later, so that employers can withhold the correct amount of U.S. federal income tax from compensation paid for personal services performed in the United States. This Notice modifies the instructions on Form W-4 to take into account the restrictions on a nonresident alien's filing status, the limited number of personal exemptions allowed, and because a nonresident alien cannot claim the standard deduction.

Are there any exceptions to this withholding?

Yes. Nonresident aliens may be exempt from wage withholding on the following amounts.

- Compensation paid to employees of foreign employers if such pay is not more than $3,000 and the employee is temporarily present in the United States for not more than a total of 90 days during the tax year.
- Compensation paid to regular crew members of a foreign vessel.
- Compensation paid to residents of Canada or Mexico engaged in transportation-related employment.
- Certain compensation paid to residents of American Samoa, Puerto Rico, or the U.S. Virgin Islands.

See Publication 519 to see if you qualify for one of these exemptions.

Nonresident aliens may be exempt from wage withholding on part or all of their compensation for dependent personal services under an income tax treaty. If you are claiming a tax treaty withholding exemption, do not complete Form W-4. Instead, complete Form 8233, Exemption from Withholding on Compensation for Independent (and Certain Dependent) Personal Services of a Nonresident Alien Individual, available at *http://www.irs.gov/pub/irs-pdf/f8233.pdf*, and give it to each withholding agent from whom amounts will be received. Even if you submit Form 8233, the withholding agent may have to withhold tax from your income because the factors on which the treaty exemption is based may not be determinable until after the close of the tax year. In this case, you must file Form 1040NR, U.S. Nonresident Alien Income Tax Return, available at *http://www.irs.gov/pub/irs-pdf/f1040nr.pdf*, (or Form 1040NR-EZ, U.S. Income Tax Return for Certain Nonresident Aliens With No Dependents, available at *http://www.irs.gov/pub/irs-pdf/f1040nre.pdf*, if you qualify) to recover any overwithheld tax and to provide the IRS with proof that you are entitled to the treaty exemption. See Form 8233 and Instructions for Form 8233, available at *http://www.irs.gov/pub/irs-pdf/i8233.pdf;* Publication 901, U.S. Tax Treaties, available at *http://www.irs.gov/pub/irs-pdf/p901.pdf;* and Publication 519 for further information on treaty benefits.

Am I required to file a U.S. tax return even if I am a nonresident alien?

Yes. Nonresident aliens who perform personal services in the United States are considered to be engaged in a trade or business in the United States and generally are required to file Form 1040NR (or Form 1040NR-EZ). However, if your only U.S. trade or business was the performance of personal services and the amount of compensation is less than $3,650 in 2010 (the personal exemption amount), then you may not need to file Form 1040NR (or Form 1040NR-EZ). Also, you do need to file Form 1040NR (or Form 1040NR-EZ) to claim a refund of any overwithheld taxes. See the Instructions for Form 1040NR, available at *http://www.irs.gov/pub/irs-pdf/i1040nr.pdf*, or the Instructions for Form 1040NR-EZ, available at *http://www.irs.gov/pub/irs-pdf/i1040nre.pdf*, for more information.

Nonresident aliens who are bona fide residents of U.S. possessions should consult Publication 570, Tax Guide for Individuals with Income from U.S. Possessions, available at *http://www.irs.gov/pub/irs-pdf/p570.pdf*, for information on whether compensation is subject to wage withholding in the United States.

Will my withholding amounts be different from withholding for my U.S. co-workers?

Yes. Nonresident aliens cannot claim the standard deduction. In addition, nonresident aliens do not qualify for the Making Work Pay credit. The benefits of the standard deduction and the Making Work Pay credit are included in the existing wage withholding tables published in Publication 15 (Circular E), Employer's Tax Guide, available at *http://www.irs.gov/pub/irs-pdf/p15.pdf*.

Because nonresident aliens do not qualify for these benefits, employers are instructed to withhold an additional amount from a nonresident alien's wages. For more information, see Notice 2009-91, 2009-48 I.R.B. 717, available at *http://www.irs.gov/irb/2009-48_IRB/ar10.html*. For the specific amounts to be added to wages before application of the wage tables, see Publication 15.

Note. A special rule applies to students and business apprentices from India who are eligible for the benefits of Article 21(2) of the U.S.-India income tax treaty, because such individuals may be entitled to claim an additional withholding allowance for the standard deduction. See Publication 519 for more information.

What are the special Form W-4 instructions?

Nonresident aliens should pay particular attention to the following lines when completing Form W-4.

Line 2. You are required to enter a social security number (SSN) on line 2 of Form W-4. If you do not have an SSN, you must apply for one on Form SS-5, Application for a Social Security Card, available at *http://www.socialsecurity.gov/online/ss-5.pdf*.

You also may get Form SS-5 from any Social Security Administration (SSA) office.

Note. You cannot enter an individual taxpayer identification number (ITIN) on line 2 of Form W-4.

Line 3. Check the single box regardless of your actual marital status.

Line 5. Generally, you should claim one withholding allowance. However, if you are a resident of Canada, Mexico, or South Korea, a student or business apprentice from India, or a U.S. national, you may be able to claim additional withholding allowances for your spouse and children. See Publication 519 for more information.

If you are completing Form W-4 for more than one withholding agent (for example, you have more than one employer), figure the total number of allowances you are entitled to claim and claim no more than that amount on all Forms W-4 combined. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest-paying job and zero allowances are claimed on the others.

Line 6. Write "nonresident alien" or "NRA" on the dotted line. If you would like to have an additional amount withheld, enter the amount on line 6.

Line 7. Do not claim that you are exempt from withholding on line 7 of Form W-4 (even if you meet both of the conditions listed on that line).

Employee Withholding Exemption Certificate (L-4)

Louisiana Department of Revenue

Purpose: Complete form L-4 so that your employer can withhold the correct amount of state income tax from your salary.

Instructions: Employees who are subject to state withholding should complete the personal allowances worksheet indicating the number of withholding personal exemptions in Block A and the number of dependency credits in Block B.

- Employees must file a new withholding exemption certificate within 10 days if the number of their exemptions decreases, except if the change is the result of the death of a spouse or a dependent.
- Employees may file a new certificate any time the number of their exemptions increases.
- Line 8 should be used to increase or decrease the tax withheld for each pay period. Decreases should be indicated as a negative amount.

Penalties will be imposed for willfully supplying false information or willful failure to supply information that would reduce the withholding exemption.

This form must be filed with your employer. If an employee fails to complete this withholding exemption certificate, the employer must withhold Louisiana income tax from the employee's wages without exemption.

Note to Employer: Keep this certificate with your records. If you believe that an employee has improperly claimed too many exemptions or dependency credits, please forward a copy of the employee's signed L-4 form with an explanation as to why you believe that the employee improperly completed this form and any other supporting documentation. The information should be sent to the Louisiana Department of Revenue, Criminal Investigations Division, PO Box 2389, Baton Rouge, LA 70821-2389.

Form I-9, Employment Eligibility Verification

Instructions

Read all instructions carefully before completing this form.

Anti-Discrimination Notice. It is illegal to discriminate against any individual (other than an alien not authorized to work in the United States) in hiring, discharging, or recruiting or referring for a fee because of that individual's national origin or citizenship status. It is illegal to discriminate against work-authorized individuals. Employers **CANNOT** specify which document(s) they will accept from an employee. The refusal to hire an individual because the documents presented have a future expiration date may also constitute illegal discrimination. For more information, call the Office of Special Counsel for Immigration Related Unfair Employment Practices at 1-800-255-8155.

What Is the Purpose of This Form?

The purpose of this form is to document that each new employee (both citizen and noncitizen) hired after November 6, 1986, is authorized to work in the United States.

When Should Form I-9 Be Used?

All employees (citizens and noncitizens) hired after November 6, 1986, and working in the United States must complete Form I-9.

Filling Out Form I-9

Section 1, Employee

This part of the form must be completed no later than the time of hire, which is the actual beginning of employment. Providing the Social Security Number is voluntary, except for employees hired by employers participating in the USCIS Electronic Employment Eligibility Verification Program (E-Verify). **The employer is responsible for ensuring that Section 1 is timely and properly completed.**

Noncitizen nationals of the United States are persons born in American Samoa, certain former citizens of the former Trust Territory of the Pacific Islands, and certain children of noncitizen nationals born abroad.

Employers should note the work authorization expiration date (if any) shown in **Section 1**. For employees who indicate an employment authorization expiration date in **Section 1**, employers are required to reverify employment authorization for employment on or before the date shown. Note that some employees may leave the expiration date blank if they are aliens whose work authorization does not expire (e.g., asylees, refugees, certain citizens of the Federated States of Micronesia or the Republic of the Marshall Islands). For such employees, reverification does not apply unless they choose to present in Section 2 evidence of employment authorization that contains an expiration date (e.g., Employment Authorization Document (Form I-766)).

Preparer/Translator Certification

The Preparer/Translator Certification must be completed if **Section 1** is prepared by a person other than the employee. A preparer/translator may be used only when the employee is unable to complete **Section 1** on his or her own. However, the employee must still sign **Section 1** personally.

Section 2, Employer

For the purpose of completing this form, the term "employer" means all employers including those recruiters and referrers for a fee who are agricultural associations, agricultural employers, or farm labor contractors. Employers must complete **Section 2** by examining evidence of identity and employment authorization within three business days of the date employment begins. However, if an employer hires an individual for less than three business days, **Section 2** must be completed at the time employment begins. Employers cannot specify which document(s) listed on the last page of Form I-9 employees present to establish identity and employment authorization. Employees may present any List A document **OR** a combination of a List B and a List C document.

If an employee is unable to present a required document (or documents), the employee must present an acceptable receipt in lieu of a document listed on the last page of this form. Receipts showing that a person has applied for an initial grant of employment authorization, or for renewal of employment authorization, are not acceptable. Employees must present receipts within three business days of the date employment begins and must present valid replacement documents within 90 days or other specified time.

Employers must record in Section 2:

1. Document title;
2. Issuing authority;
3. Document number;
4. Expiration date, if any; and
5. The date employment begins.

Employers must sign and date the certification in **Section 2**. Employees must present original documents. Employers may, but are not required to, photocopy the document(s) presented. If photocopies are made, they must be made for all new hires. Photocopies may only be used for the verification process and must be retained with Form I-9. **Employers are still responsible for completing and retaining Form I-9.**

For more detailed information, you may refer to the *USCIS Handbook for Employers* (Form M-274). You may obtain the handbook using the contact information found under the header "USCIS Forms and Information."

Section 3, Updating and Reverification

Employers must complete **Section 3** when updating and/or reverifying Form I-9. Employers must reverify employment authorization of their employees on or before the work authorization expiration date recorded in **Section 1** (if any). Employers **CANNOT** specify which document(s) they will accept from an employee.

A. If an employee's name has changed at the time this form is being updated/reverified, complete Block A.

B. If an employee is rehired within three years of the date this form was originally completed and the employee is still authorized to be employed on the same basis as previously indicated on this form (updating), complete Block B and the signature block.

C. If an employee is rehired within three years of the date this form was originally completed and the employee's work authorization has expired **or** if a current employee's work authorization is about to expire (reverification), complete Block B; and:

1. Examine any document that reflects the employee is authorized to work in the United States (see List A **or** C);
2. Record the document title, document number, and expiration date (if any) in Block C; and
3. Complete the signature block.

Note that for reverification purposes, employers have the option of completing a new Form I-9 instead of completing **Section 3.**

What Is the Filing Fee?

There is no associated filing fee for completing Form I-9. This form is not filed with USCIS or any government agency. Form I-9 must be retained by the employer and made available for inspection by U.S. Government officials as specified in the Privacy Act Notice below.

Annual Policy Newsletter

Revised May, 2008

Equal Employment Opportunity Policy

The Louisiana State University Health Sciences Center-New Orleans (LSUHSC-NO) recognizes its legal and moral obligations to guarantee equal employment opportunity to all persons in all segments of University life. We also recognize the historical denial of equal opportunity to certain segments of our population. We are, therefore, committed to providing equal opportunity at LSUHSC-NO to fulfill our legal and moral obligations.

It is with genuine concern for all the people that we publicly express our commitment to equal employment opportunity and a diverse workplace. This commitment includes not only providing equity in our present employment practices, but also a commitment to the removal of past barriers that hinder equal employment opportunities.

LSUHSC-NO is committed to this policy because it is our belief that it is morally right, it is good personnel management, and it is legally required by Title VII of the Civil Rights Act of 1964, as amended by Equal Employment Opportunity Act of 1972, Executive Order Number 11246, the Rehabilitation Act of 1973, as amended, Title IX of the Education Amendment of 1972, the Vietnam Era Veterans Readjustment Assistance Act of 1974, Governor Edwin Edwards' Executive Order Number 13, and Louisiana Fair Employment Practices Act.

LSUHSC-NO will take affirmative action to insure that the following will be implemented at all levels of administration.

1. Base employment decisions so as to further the principles of equal employment opportunity;
2. Ensure that all personnel actions, such as, compensation, tenure, benefits, transfers, layoffs, education, tuition assistance, social and recreational programs are administered without regard to race, color, religion, sex, age, national origin, handicap or veteran status, or any other non-merit factor.
3. Basic guidelines and methods of achieving the goal of equal employment opportunity will be set forth in the LSUHSC-NO Diversity Program.

Overall responsibility for the reaffirmation of policy and program is the responsibility of the Chancellor's Office. Implementation of the program coordination and monitoring to ensure compliance is the responsibility of Human Resource Management. Any persons having questions regarding this program should contact the Human Resource Management Labor Relations Manager, 568-2029.

Changes to The Family and Medical Leave Act extends to close relatives of Service Members

On January 28, 2008, President Bush signed into public law, the National Defense Authorization Act (NDAA). The NDAA amends the Family and Medical Leave Act of 1993 (FMLA) to provide eligible employees two new leave rights related to military service:

1) New Leave Entitlement which permits an eligible employee who is the "spouse, son, daughter, parent, or next of kin" to take up to 26 workweeks of leave to care for a "member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness."

2) New Qualifying Reason for Leave which permits an eligible employee to take 12 weeks of leave because of "any qualifying exigency" arising out of the fact that the spouse, or a son, daughter, or parent of the employee is on active duty or has been notified of an impending call or order to active duty in the Armed Forces in support of a contingency operation. By its express terms, this provision of the NDAA is not effective until the Secretary of Labor issues final regulations defining "any qualifying exigency." The Department of Labor has not issued the final regulation. For additional information on the FMLA changes contact the Labor Relation section of Human Resources

The Family and Medical Leave Act

The Family and Medical Leave Act (FMLA) requires that eligible employees be granted up to 12 weeks per year of unpaid, job protected leave for certain family and medical reasons. The State of Louisiana uses the "rolling year" method to determine the year.

Eligibility

Employees who have worked at least one (1) year and have worked at least 1,250 hours during the preceding 12 month period are eligible for FMLA. For employees not eligible for FMLA, LSUHSC-NO will review business considerations and the individual circumstances involved. Employees will be returned to the same or equivalent positions upon return from FMLA.

Leave

FMLA leave will consist of, and run concurrently with, appropriate accrued paid leave and unpaid leave. If leave is requested for an employee's own serious health condition, the employee must first use all of his/her accrued paid sick and annual leave. If leave is requested for reasons other than one's own health condition, the employee must first use all of his/her accrued annual leave. The remainder of the leave period will consist of unpaid leave. All leave, whether paid annual, paid sick, or unpaid, will also be recorded as FMLA.

Notice and Medical Certification

In all cases, an employee requesting FMLA must complete an "Application for Leave" form indicating that the intended leave is FMLA. Additionally, the employee is required to submit a completed "Certification of Physician or Practitioner" form.

An employee intending to take FMLA because of an expected or planned event, must submit an application for leave 30 days in advance of the leave, or as soon as the necessity for the leave arises.

When it is impossible, due to medical necessity, to provide advance notice, the leave will be granted conditionally based upon the information provided by the employee. Final approval or denial will be given upon receipt of the "Certification of Physician or Practitioner" form.

The law requires that the employer record leave as FMLA (even when the employee has not requested FMLA) when the employer has information that the absence is due to a qualifying event under FMLA.

Any additional information on the FMLA policy can be obtained from the Labor Relations Section of Human Resources , (504) 568-3916. The Family Medical Leave Act may be accessed through the LSUHSC-NO website (LSUHSC Policies-CM-50). http://www.lsuhsc.edu/no/administration/cm/cm-50.aspx

Americans With Disabilities Act of 1990 Policy

LSUHSC-NO is an equal opportunity employer and makes employment decisions on the basis of merit. We want to have the best available persons in every job. The LSUHSC-NO policy prohibits unlawful discrimination based on race, color, creed, sex, age, national origin, physical handicap, disability, medical condition or any other consideration made unlawful by federal, state, or local laws. All such discrimination is unlawful. To comply with applicable laws insuring equal employment opportunities to qualified individuals with disabilities, LSUHSC-NO will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee unless undue hardship would result. Any applicant or employee who requires an accommodation in order to perform the essential functions of the job should contact their supervisor or the Department of Human Resource Management Labor Relations Manager, (504) 568-3916 and request such an accommodation. The individual with the disability should specify what accommodation he/she needs to perform the job.

For more information visit the Human Resources Management website at www.lsuhsc.edu/no/administration/hrm/labor%20relations/ada or the LSUHSC-NO Policies website (CM-26)

Discrimination Complaints

Make
TRUST DIGNITY
RESPECT
The
Foundation of Our Workplace

If you believe you have been subjected to any form of unlawful discrimination, provide a written complaint to the Department of Human Resource Management. If the complaint relates to personnel of the Department of Human Resource Management, submit the complaint to the Vice Chancellor for Administration and Finance. Your complaint should be specific and include the names of individuals involved and the names of witnesses. LSUHSC-NO will immediately undertake an effective, thorough, and objective investigation and attempt to resolve the situation. If LSUHSC-NO determines that unlawful discrimination has occurred, effective remedial action will be taken to deter any future discrimination. Whatever action is taken will be made known to you and LSUHSC-NO will take appropriate action to remedy any loss to you as a result of the discrimination. LSUHSC-NO will not retaliate against you for filing a complaint and will not willingly permit retaliation by management, employees or coworkers.

Questions or concerns should be directed to Human Resources Labor Relations (504) 568-3916.

Sexual Harassment

The policy of LSUHSC-NO always has been that all employees should be able to enjoy a work environment free from all forms of discrimination, including sexual harassment.

Sexual harassment is a form of misconduct which undermines the integrity of the employment relationship. No employee...either male or female… should be subjected to unsolicited and unwelcome sexual overtures or conduct, either verbal or physical. Sexual harassment does not refer to the occasional compliments of a socially acceptable nature. It refers to behavior which is not welcome, which therefore interferes with our work effectiveness.

Such conduct, whether committed by supervisors or non-supervisory personnel, is specifically prohibited. This includes: repeated offensive sexual flirtations, advances or propositions, graphic or degrading verbal comments about an individual or his/her appearance, the display of sexually suggestive objects or pictures, or any offensive or abusive physical conduct.

Accusations of sexual harassment which are found to be valid may subject the individual (s) involved to severe disciplinary action or termination of employment.

In addition, no one should imply or threaten that an applicant's or employee's "cooperation" of a sexual nature (or refusal thereof) will have any effect on the individual's employment, assignment, compensation, advancement, career development, or any other condition of employment.

Any questions regarding either this policy or a specific fact situation should be addressed to the appropriate supervisor, Director of Human Resource Management, or Labor Relations Manager. The Sexual Harassment policy –CM49 may be accessed through the LSUHSC website at http://www.lsuhsc.edu/no/administration/cm/cm-49.aspx

Sexual harassment is based on how the person being harassed is affected, not on the harasser's intent.

IMPORTANT: TAKE ALL THREATS SERIOUSLY

Violence in the Workplace

LSUHSC-NO recognizes that employees are its most valuable resource. Every employee has a reasonable expectation to perform his/her assigned duties in an atmosphere free of threats and assaults. LSUHSC-NO will take positive action to ensure that the following is implemented throughout all work environments within its jurisdiction:

1. The commitment of management and employees to promote a positive, respectful, and safe work environment that fosters employees' security, safety, and health.
2. Zero tolerance for the occurrence of violence, aggressive acts, verbal or non-verbal threatening behavior and harassment in the workplace.
3. Eliminating and prohibiting acts of threats of violence, by or against employees at all work sites and wherever LSUHSC-NO business is conducted.
4. Minimize the chance of exposure of employees to violent, threatening, or harassing situations by implementing effective security measures, procedures, and practices.
5. Educate employees to increase awareness about health, and safety concerns, and train them how to properly respond in the event a violent, threatening, or harassing situation occurs.

Maintaining a violence-free workplace requires the commitment, involvement, and cooperation of management and employees. Persons who fail to adhere to the violence-free workplace policy are subject to administrative disciplinary action.

Employees are required to report to the appropriate supervisor, Department Head, or University Police all threats or incidents of violent behavior in the workplace which they observe or of which they are informed. Examples of inappropriate behavior which shall be reported include (but not limited to):

- Unwelcome name-calling, obscene language, and other abusive behavior.
- Intimidation through direct or veiled verbal threats..
- Physically touching another employee in an intimidating, malicious, or sexually harassing manner, including such acts as hitting, slapping, poking, kicking, pinching, grabbing, and pushing.
- Physically intimidating others including such acts as obscene gestures, "getting in your face," fist-shaking, throwing any object.

If a situation is dangerous contact University Police at 568-8999; or local police at 821-2222; or 911.

Federal False Claims Act

The False Claims Act, 31 USC § 3279 is a federal statute that covers fraud involving any federally funded contract or program, including the Medicaid and Medicare programs. This act is commonly known as the "Lincoln Law" because it was first enacted to counter fraudulent activities involving military procurement during the Civil War. The act establishes liability for any person who knowingly presents or causes to be presented a false or fraudulent claim to the U.S. government for payment

Health care providers and suppliers who violate the False Claims Act can be subject to civil monetary penalties (CMP) ranging from $5,500 to $11,000 for each false claim submitted, can be required to pay three times the amount of damages sustained by the U.S. government and if convicted of a False Claims Act violation, the OIG may seek to exclude the provider or supplier from participation in federal health care programs.

"Qui Tam "Whistleblower" provisions encourage individuals to come forward and report misconduct involving false claims. The False Claims Act includes a "qui tam" or whistleblower provision."

It allows any person with actual knowledge of allegedly false claims to the government. Such persons are know as a "realtors." By way of example, the U.S. Department of Justice reports that the federal government obtained more than $1.4 billion in settlements and judgments for fraud committed against the government in 2004-2005.

Qui Tam Procedure

The relator must file his or her lawsuit on behalf of the government in a federal district court. The lawsuit will be file "under seal," meaning that the lawsuit is kept confidential while the government reviews and investigates the allegations contained in the lawsuit and decides how to proceed. If the government determines that the lawsuit has merit and decides to intervene, the prosecution of the lawsuit will be directed by the U.S. Department of Justice. If the government decides not to intervene, the whistleblower can continue with the lawsuit on his or her own. If the lawsuit is successful, and provided certain legal requirements are met, the qui tam relator may receive an award ranging from 15 to 30 percent of the amount recovered. The whistleblower may also be entitled to reasonable expenses including attorney's fees and costs for bringing the lawsuit. In addition to a financial award, the False Claims Act entitles whistleblowers to additional relief, including employment reinstatement, back pay, and any other compensation arising from retaliatory conduct against a whistleblower for filing an action under the False Claims Act or committing other lawful acts, such as investigating a false claim or providing testimony for, or assistance in, a False Claim Act action.

Louisiana State Law

Under Louisiana state law, the definition of a false or fraudulent claim is slightly broader, At LSA R.S. 46.437.--, "8) "False or fraudulent claim" means a claim which the health care provider

Federal False Claims Act Continued...

or his billing agent submits knowing the claim to be false, fictitious, untrue, or misleading in regard to any material information. "

Just as with the federal whistleblower statute, under Louisiana state law, "a private person ("Qui Tam plaintiff) may institute a civil action ("Qui Tam Action") in the courts of this state on behalf of the medical assistance programs and himself to seek recovery

A person who is or was a public employee or public official or a person who is or was acting on behalf of the state shall not bring a qui tam action if the person has or had a duty or obligation to report, investigate, or pursue allegations of wrongdoing or misconduct by health care providers, or had access to the records of the state through the normal course and scope of his employment relative to activities of health care providers.

No employer of a qui tam plaintiff shall discharge, demote, suspend, threaten, harass, or discriminate against a qui tam plaintiff at any time arising out of the fact that the qui tam plaintiff brought an action pursuant to this Subpart unless the court finds that the qui tam plaintiff has instituted or proceeded with an action that is frivolous, vexatious, or harassing.

No employee shall be discharged, demoted, suspended, threatened, harassed, or discriminated against in any manner in the terms and conditions of his employment because of any lawful act engaged in by the employee or on behalf of the employee in furtherance of any action taken pursuant to this Part in regard to a health care provider or other person from whom recovery is or could be sought. Such an employee may seek any and all relief for his injury to which he is entitled under state or federal law.

No individual shall be threatened, harassed, or discriminated against in any manner by a health care provider or other person because of any lawful act engaged in by the individual or on behalf of the individual in furtherance of any action taken pursuant to this Part in regard to a health care provider or other person from whom recovery is or could be sought except that a health care provider may arrange for a recipient to receive goods, services, or supplies from another health care provider if the recipient agrees and the arrangement is approved by the secretary. Such an individual may seek any and all relief for his injury to which he is entitled under state or federal law.

Generally, if the secretary or the attorney general intervenes in the action brought by a qui tam plaintiff, the qui tam plaintiff shall receive at least ten percent, but not more than twenty percent, of recovery, exclusive of the civil monetary penalty provided in R.S. 46:439.6(C). In making a determination of award to the qui tam plaintiff the court shall consider the extent to which the qui tam plaintiff substantially contributed to investigations and proceedings related to the qui tam action.

State law provides that there may be a reward of up to two thousand dollars to an individual who submits information to the secretary which results in recovery pursuant to the provisions of this Part, provided such individual is not himself subject to recovery under this Part.

Louisiana State False Claims penalties include payment of actual damages, civil fine not to exceed 10,000 dollars per violation or a civil fine not to exceed three times the value of the illegal remuneration, whichever is GREATER, and payment of interest on the mandatory civil fine imposed.

LSUHSC Drug Testing Program

It is the policy of LSUHSC-NO to promote and safeguard the workplace from consequences of alcohol and drug use. Statistics show that approximately 60 percent of all illegal drug users are employed either full or part-time.

The purpose of implementing a drug testing program is threefold:

1. Consistently provide the highest quality service to patients and customers.
2. Comply with the Federal Drug Free Workplace Act of 1988.
3. Provide a safe and healthy environment for patients, employees, visitors, and all members of the community.

What are the Different Types of Testing?

There are basically 5 different types of urine testing and one type of alcohol testing at LSUHSC-NO.

Types of Urine Drug Testing:

Post Job Offer

Post-job offer testing is a requirement for all applicants that have completed the interview process and have been offered a position contingent upon a negative drug test result.

Reasonable Suspicion/For Cause

Any individual may be tested who is suspected of being under the influence of alcohol, legal and/or illegal drugs. Suspicion is based on observable behavior, physical symptoms, and/or evidence of drug tampering or physical symptoms, and/or evidence of drug tampering or misappropriation.

Periodic Monitoring/After Case

Upon the completion of an outpatient or inpatient treatment program for substance abuse, the employee will be required to submit to periodic and/or aftercare testing and monitoring.

Post-Accident

Any individual involved in a job-related accident, and who is suspected of drug or alcohol use will be subjected to a urine drug test as soon as possible.

Random

In accordance with State law, employees whose principal responsibility is to operate public vehicles, maintain public vehicles, or supervise any employee who drives or maintains public vehicles are subject to random drug testing.

Breath Alcohol Testing

The devices used for breath alcohol testing measure alcohol concentration in breath. Breath alcohol testing is done for reasonable suspicion/for cause, periodic monitoring/aftercare, post-accident, and random. Trained Breath Alcohol Technicians conduct the breath tests.

What are the Testing Methods?

Enzyme Multiplied Immuno-assay Technique (EMIT) is used for preliminary or initial screening on urine drug tests. A positive EMIT test result will undergo Gas Chromatography/ Mass Spectrometry (GC/MS) for confirmation. This combination of tests is sensitive, specific, and can identify all types of drugs in any body fluid. All alcohol breath tests are subject to a confirmation test on an evidential breath test device according to Department of Transportation regulations when the result of the screening test is 0.020 or greater.

May I Challenge a Positive Result?

Yes, you may challenge a positive urine drug test result. Once you have been notified of a positive drug test result by either the Medical Review Officer (MRO) or the Drug Testing Coordinator, you must: 1) provide the Human Resource Management Department and the MRO a written request to retest the original specimen, 2) provide the MRO a written explanation for the legitimate use of any drug(s) and, 3) have the MRO receive the repeat test results within 10 working days of the initial notification of a verified positive test.

Retesting is done on the original specimen and must be requested by the MRO. Testing is done at the expense of the client and must be performed at a NIDA or CAP-FUDT certified laboratory.

The results of alcohol testing are available immediately. All positive screening tests will be confirmed in the individual's presence.

Standards of Conduct and University Sanctions

The unlawful possession, use, manufacture, distribution or dispensation of illicit drugs or alcohol on LSUHSC-NO property, in the workplace by any employee or student of LSUHSC-NO, or as any part of any functions or activities by any employee or student of LSUHSC-NO is prohibited.

Violations of the LSUHSC Standards of Conduct by individuals covered under this policy will result in disciplinary action. Depending on the nature of the offense, disciplinary action can take the form of a written reprimand, suspension, demotion, reduction in pay, or termination of the individual's association with LSUHSC-NO and referral for prosecution by civil authorities in accordance with local, State, and Federal law.

The purpose of the E-2 form is to request pre-existing medical condition information, in accordance with Louisiana R.S. 23:1208.1 of the Workers' Compensation Law.

The form will be used only in the event the employee experiences a work-related injury and becomes eligible for workers' compensation benefits. Employees who have not previously completed an E-2 form should do so now. Agencies are to immediately destroy ALL previous versions of the E-2 form and begin using this form.

IMPORTANT: The completed E-2 form MUST be treated as confidential medical information and kept in a Second Injury Fund Medical file separate from the employee's personnel file. It must be used only in the event an employee receives workers' compensation benefits, and for the specific purpose of submitting a claim to the Second Injury Fund. If the employee sustains a work-related accident, the agency of employment must notify ORM that there is a completed E-2 form on file at the same time that it is notified of the Employers' First Report of Occupational Injury or Disease Form (E-1).

The Americans with Disabilities Act (ADA) permits such medical inquiries only in the "post offer" stage of employment. This is the period between the time when an applicant is given a job offer and before starting work. Therefore, the employer should only require the completion of this form after the offer of employment is made. Furthermore, the information obtained from this form cannot be used to discriminate against qualified individuals with disabilities who can perform the essential functions of the job, with or without accommodation. Your agency should consult its own legal counsel regarding any questions about the appropriate use of this form.

R. S. 23:1208.1 of the Louisiana Workers' Compensation Law reads:

> Nothing in this title shall prohibit an employer from inquiring about previous injuries, disabilities, or other medical conditions and the employee shall answer truthfully; failure to answer truthfully shall result in the employee's forfeiture of benefits under this chapter, provided said failure to answer directly relates to the medical condition for which a claim for benefits is made or affects the employer's ability to receive reimbursement from the second injury fund. This Section shall not be enforceable unless the written form on which the inquiries about previous medical conditions are made contains a notice advising the employee that his failure to answer truthfully may result in his forfeiture of workers' compensation benefits under R. S. 23:1208.1. Such notice shall be prominently displayed in bold faced block lettering of no less than ten point type.

1. Read the NOTICE regarding the Workers' Compensation Insurance Second Injury Fund, Post- Offer, Medical Questionnaire.

NOTICE TO EMPLOYEES:
Your employer is committed to providing Workers' Com pensation benefits, in accordanc e with state law, if you sustain an employment-related injury. This form reques ts medical information and will be kept confidential and separate from your personnel file. It will be used only in the event you experience a work-related injury and become eligible for Workers' Compensation benefits. The employer requires that all employees complete this questionnaire upon hire and every two years thereafter. The information is needed because if a work-related injury or disability is caused or made worse by a pre-existing condition, your employer may be able to seek reimbursement of the benefits paid from the Louisiana Second Injury Fund. This reimbursement would not reduce your workers' compensation benef its. In order to be considered for reimbursement, an employer must show it knowingly hired or knowingly retained an employ ee with a pre-existing disability. Disclosure of a pre-existing condition shall not be used for any discriminatory purpose. THE FAILURE TO ANSWER TRUTHFULLY ANY OF THE QUESTIONS ON THIS FORM MAY RESULT IN THE FORFEITURE OF WORKERS' COMPENSATION BENEFITS UNDER LA. R.S. 23:1208.1.

RE: **2012-2013 House Officer Pager Service**

The Graduate Medical Education Office provides pagers to all LSUHSC New Orleans House Officers. The pager unit rental fee and cost of monthly service are of no charge to house officers. We provide local (Louisiana and Mississippi) service to all pagers. The pager is, however, the house officer's responsibility. If a pager is lost or stolen there is a $50.00 fee that is paid for by the house officer to LSUHSC (PERSONAL CHECKS OR CASHIERS CHECKS MADE PAYABLE TO "LSUHSC" ARE ACCEPTED. NO CASH). Any damaged pagers can be returned to the GME office at no charge to the house officer.

All pager requests or swaps can be emailed to Kim Cannon (kcanno@lsuhsc.edu). Please include your name, pager number and reason for exchange in the email.

When pager swaps are requested, the house officer or coordinator must personally turn in the old pager to receive the new one -- **NO EXCEPTIONS. (In those instances where the house officer and coordinator are out of the city, the pager will be sent via FedEx (using the requesting depts. Fed-ex number) the new pager and provide return packaging to me for the old one).**

Coordinators: Please maintain New Innovations with any pager number changes, as these pager numbers need to always be accurate, especially for the yearly swap every June. **For the swaps involving outgoing and incoming HO's, please utilize the GME website to make your swaps. (go to *Program Resources*, then *Pager Management*).**

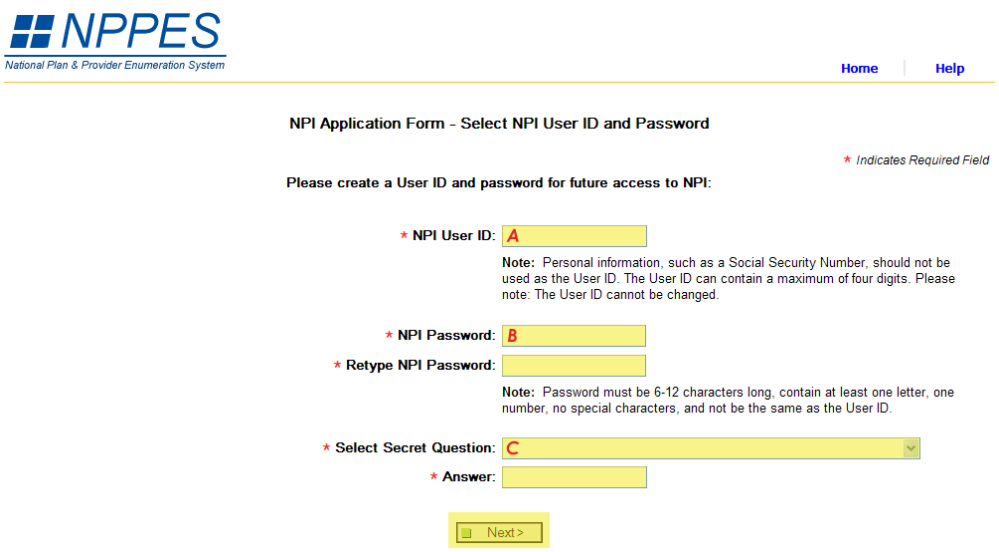
Step 3: Begin online application. Begin Application Form

Click the **Begin Application Form** button at the bottom of the page

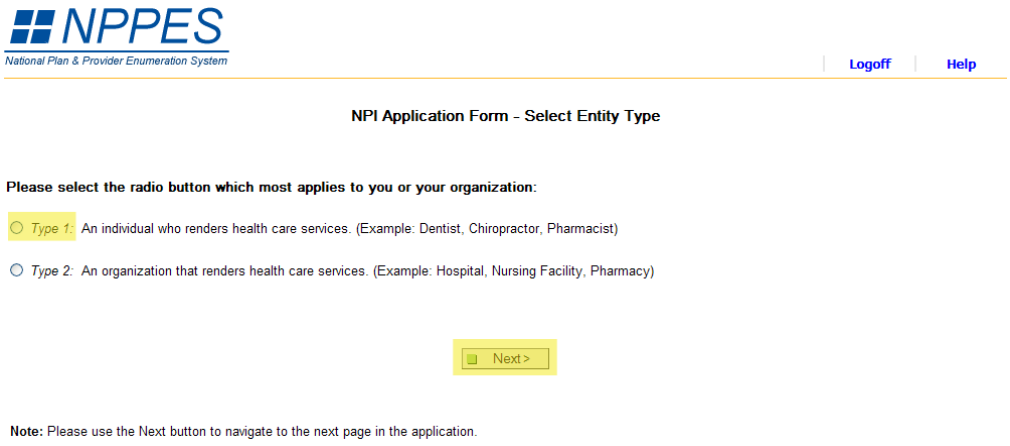
5.



Create an *NPI User ID* (A) and *Password* (B). Make sure to choose a *User ID* and *Password* that you will be able to remember. You will need this information to update your NPI registration during your residency. Choose a *Secret Question* (C) that will allow you to recover your *Password* if you forget it.

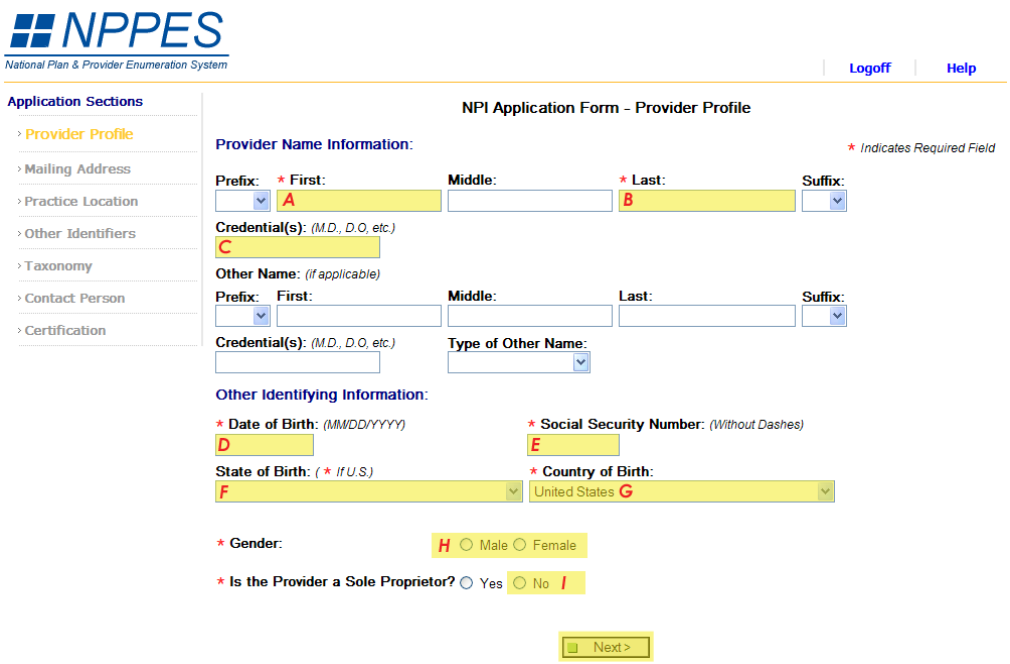
Click the **Next >** button.

6.



Choose ***Type 1*** and then click the **Next >** button.

7.



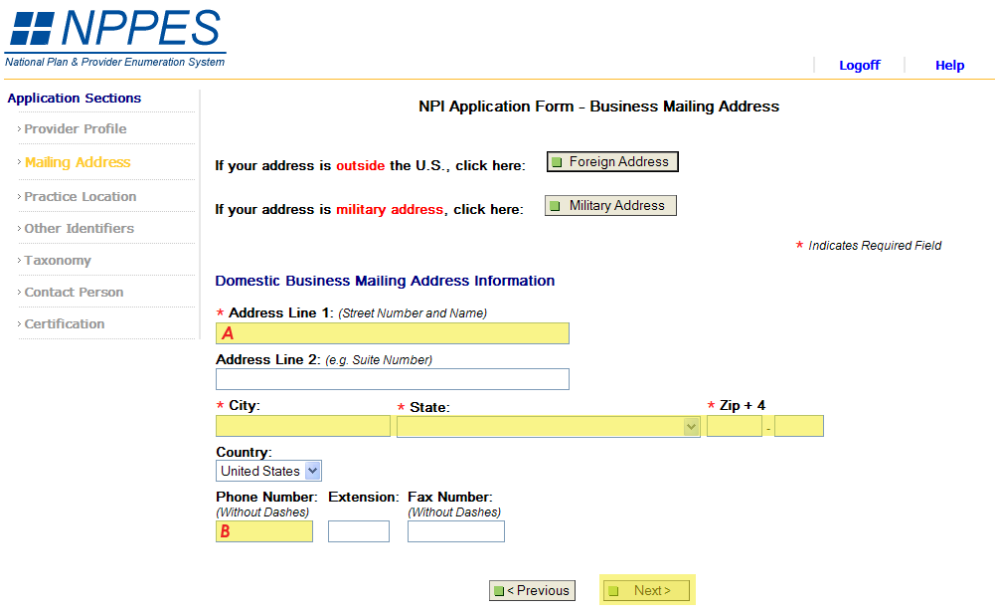
Fill out the *Provider Profile* information.

NOTE: This form is a LEGAL APPLICATION being submitted to the Federal Government. The name entered on this form **MUST** be your legal name as it is TODAY. If you will be getting married and changing your name before beginning your residency, you still must use your CURRENT legal name. After legally changing your name, you can come back to the NPPES system to change your name. Also, if you do not have a Social Security Number, you cannot complete this application until you have been assigned an SSN.

Fill out the *First Name* (A) and *Last Name* (B). Do not enter any *Credentials* (C), if you have not yet graduated from Medical School (this can be updated after graduation). Enter your *Date of Birth* (D), *Social Security Number* (E), *State of Birth* (F), *Country of Birth* (G), and *Gender* (H). Select **No** to the question about being a Sole Proprietor (I).

Click the **Next >** button.

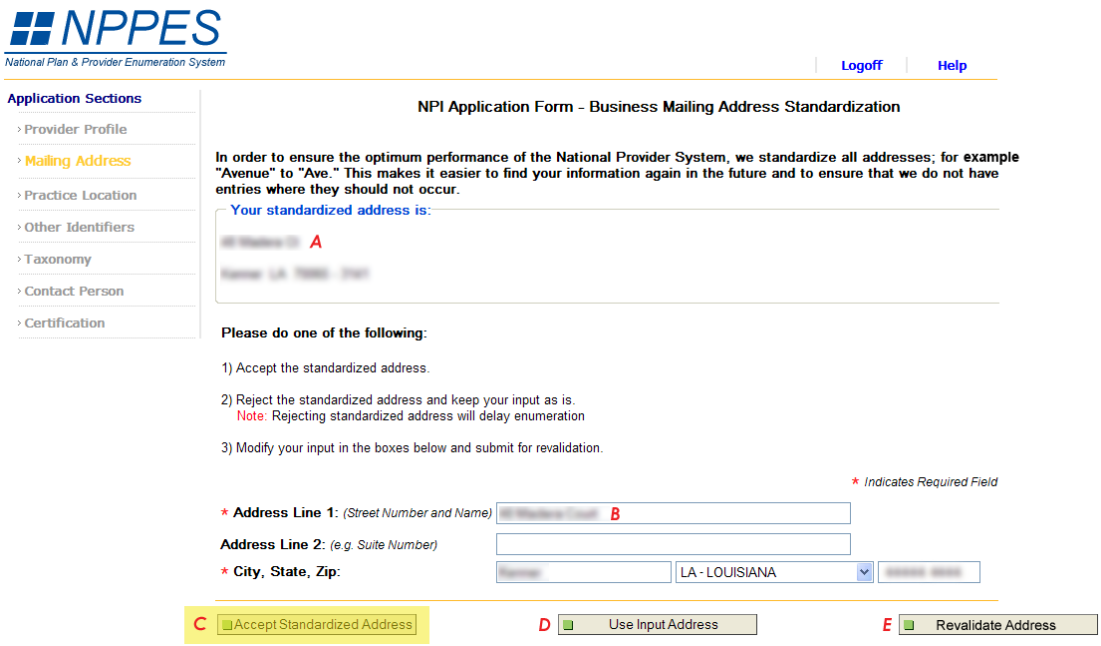
8.



Enter your current home mailing address (A). If you will be moving prior to beginning your residency, you should update this address after completing your move. Also, some residency programs may require you to use a specific mailing address, so you may need to update this information to satisfy their requirements.

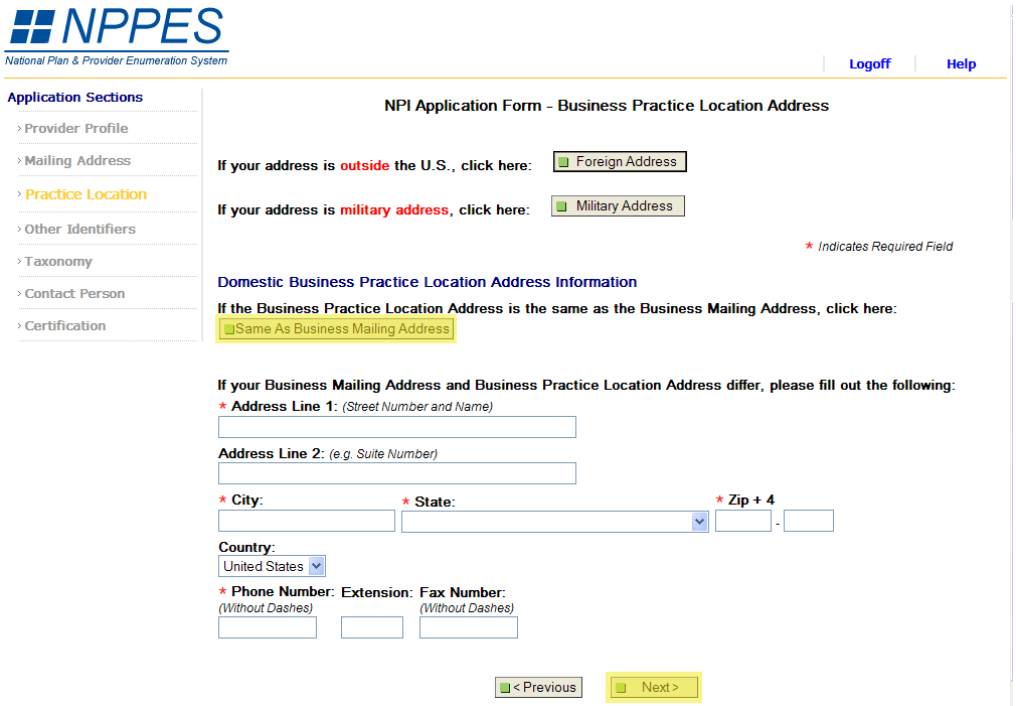
While not required, it is recommended that you enter a *Phone Number* (B). If there is a problem with your NPI application, they will attempt to contact you by phone to resolve the problem.

9.



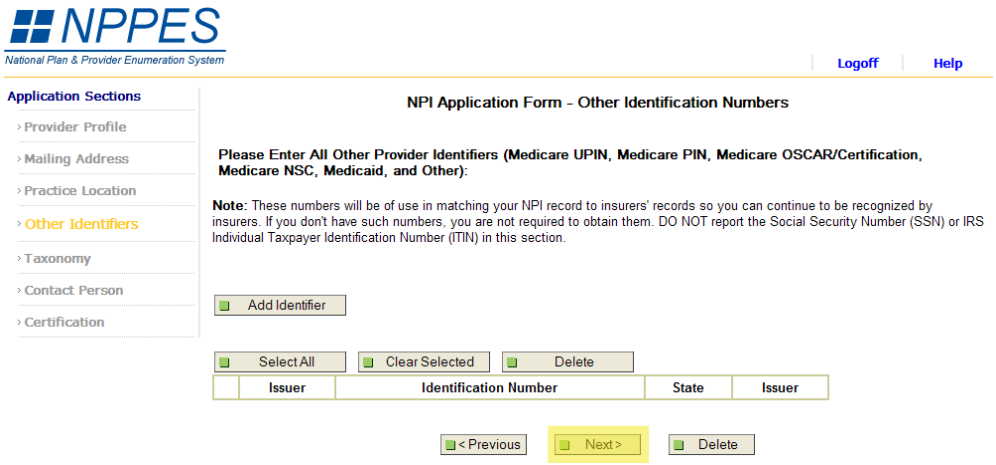
If the *Standardized Address* (A) is correct, click the **Accept Standardized Address** button (C). If the *Standardized Address* is NOT correct, make corrections to the address (B) and click the **Revalidate Address** (E) button. If the new *Standardized Address* still isn't correct, make any necessary changes to the address (A) and click the **Use Input Address** button (D).

10.



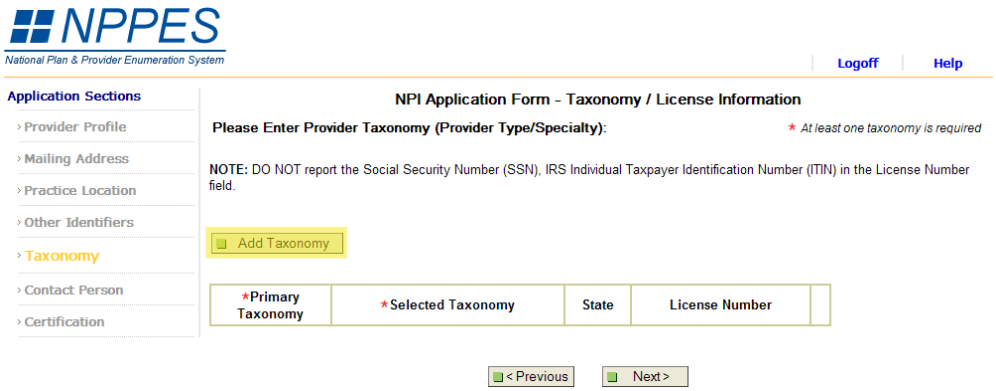
Click the **Same as Business Mailing Address** button, and then click the **Next >** button. Once you begin your residency, you will need to update this address to the location where you are practicing the most.

11.



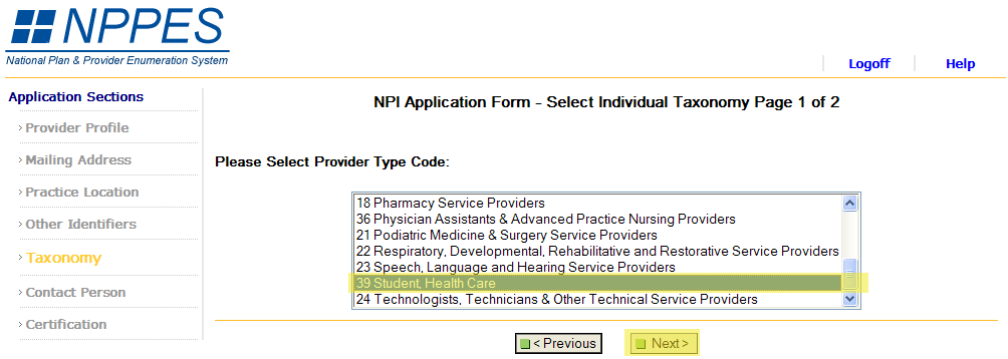
Click the **Next >** button. You do not currently have any other identification numbers. Once you begin your residency, you will begin to be assigned other identification numbers, such as a Medicaid Provider Number. You will need to update your NPI registration with those numbers as they are issued to you.

12.



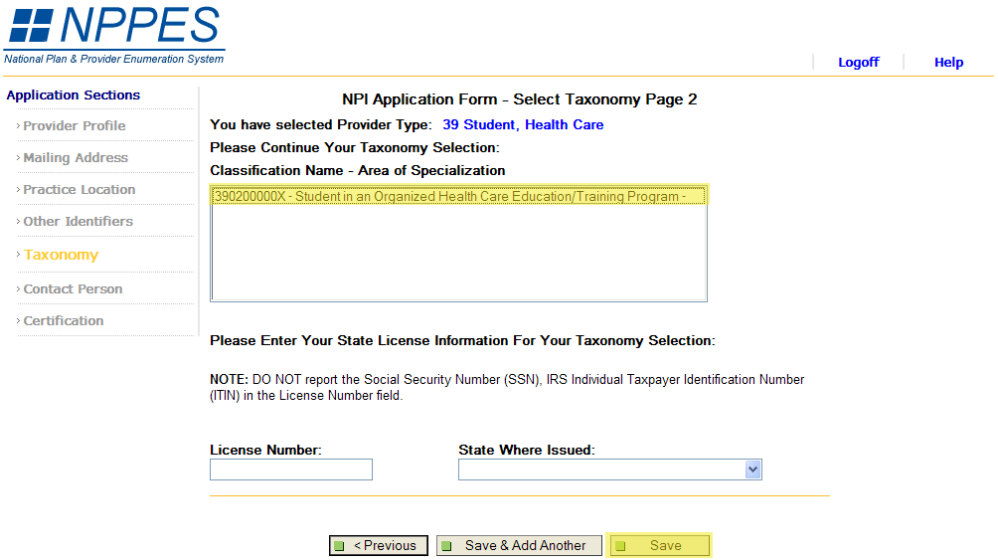
Click the **Add Taxonomy** button.

13.



Choose **39 Student, Health Care** from the list and then click the **Next >** button.

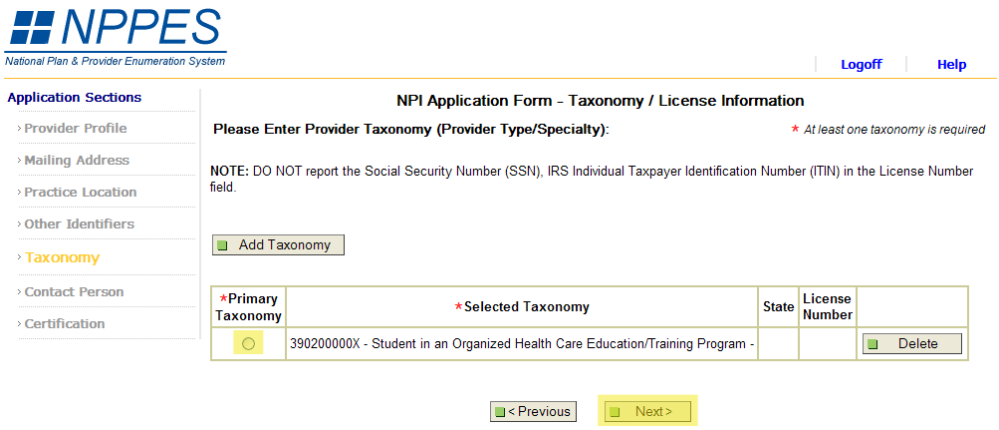
14.



Choose **390200000X – Student in an Organized Health Care Education / Training Program**. Leave the *License Number* and *State Where Issued* fields blank. Click the **Save** button.

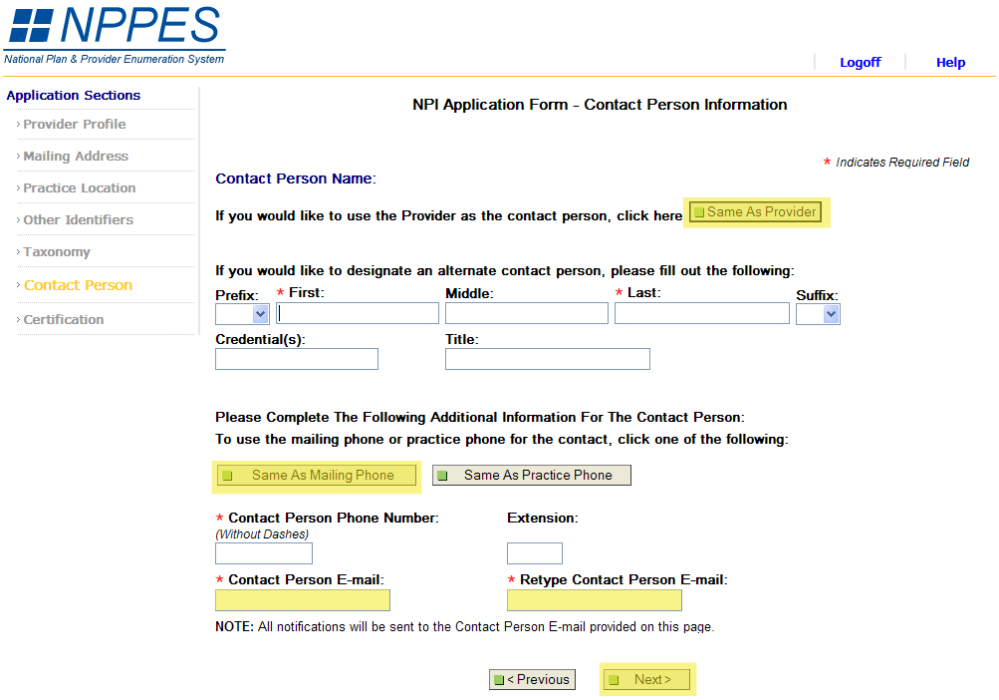
Note: LSU's current understanding of the NPPES regulations is that a resident should use the Student taxonomy code until a full, unrestricted medical license has been granted. Some non-LSU residency programs may ask that you choose a different taxonomy code. Use whatever instructions your residency program dictates.

15.



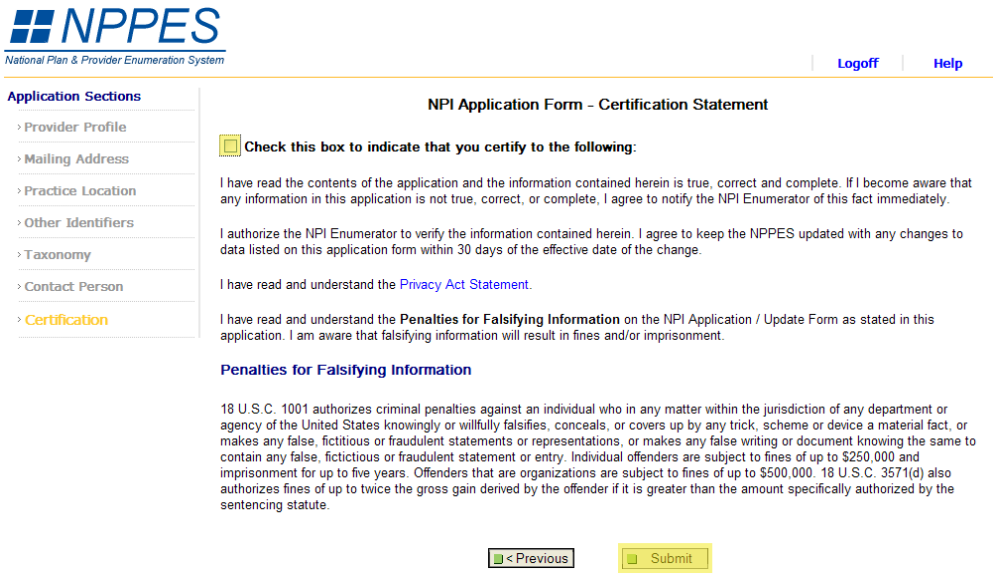
Select the radio button next to the student taxonomy and then click the **Next >** button.

16.



Click the **Same as Provider** button to use yourself as the contact for this NPI registration. Click the **Same as Mailing Phone** button to use your phone number as the contact phone number. Enter your email address in the *Contact Person E-Mail* fields, and then click the **Next >** button.

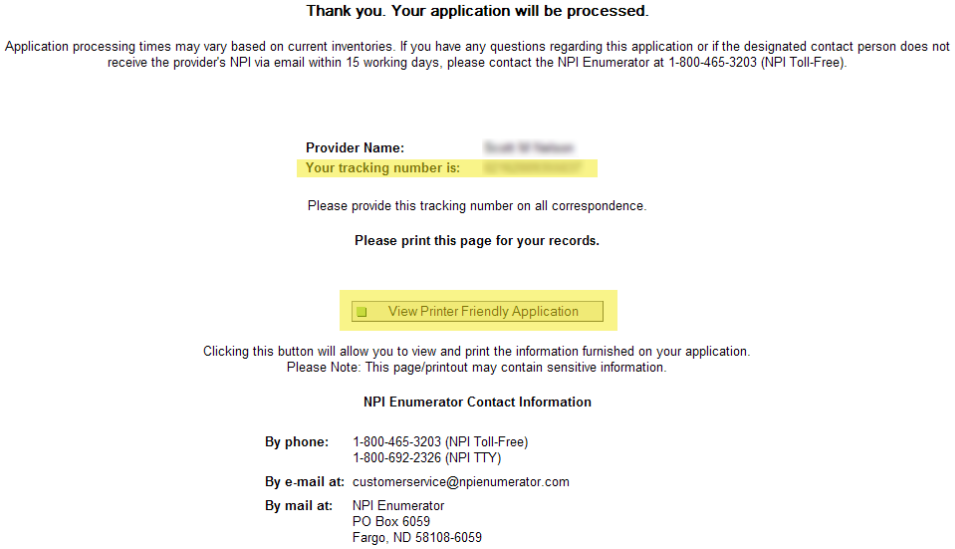
17.



Click the checkbox and then click the Submit button to complete and submit your NPI Application.

NOTE: Please read the certification statement carefully. There can be serious repercussions for willingly submitting false information.

18.



When your application is complete, you will be issued a tracking number. This number is NOT your NPI number. You will receive your NPI number via email in several days. If you do not receive your NPI number after 15 days, you can contact the NPI Enumerator with the contact info provided on the page. It is recommended that you print a copy of the confirmation page, as well as a copy of your completed application (by clicking the **View Printer Friendly Application** button).

FCVS RELEASE FORM

For you to obtain initial licensure in the state, the Louisiana State Board of Medical Examiners (LSBME) uses a service of the Federation of State Medical Boards (FSMB) called Federation Credentials Verification Service (FCVS). As you move to full licensure, the LSBME will use reports from FCVS. To have the information to prepare those reports, FCVS requires us to update their files each year on your progress by filling out the below form which is the same one filled out for initial licensure. By copy of this release you consent to allow us to release all of the below requested information to FCVS on an annual basis during your training including a summary report if requested by FCVS. For those not pursuing full licensure, we will still prepare and submit these same reports to FCVS. A benefit to you is that throughout your practice years as you switch hospitals and health plans your training information will be available through FCVS which will significantly speed your credentialing process. This release is valid for activities occurring during your training program.
