About the Course
This course is designed for gastroenterologists, surgeons, and healthcare professionals engaged in the comprehensive management of patients with pancreatobiliary disease and those requiring advanced endoscopic procedures.

Experts in the field of ERCP and therapeutic endoscopy will lecture on the following topics:

- Therapeutic Interventions for Chronic Pancreatitis
- New Standards for ERCP
- Preventing Post-ERCP Pancreatitis
- Indeterminate Biliary Strictures: A Diagnostic Dilemma
- Minimizing Radiation Exposure
- Interventional Radiology as a Complement to ERCP
- Applications of RFA for Mucosal Disease
- Endoscopic Therapy for GERD

Attendees will also have the opportunity to visit hands-on stations utilizing inanimate models to practice techniques with currently available medical devices with instruction from course faculty.

Accreditation
The Louisiana State University School of Medicine, New Orleans is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA Credit Designation Statement
The Louisiana State University School of Medicine, New Orleans designates this live educational activity for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Registration
The registration fee is $149. Register online at www.regonline.com/LSUERCP2015. Residents and fellows, please refer to the website for instructions on registering.

Disclaimer
The material presented in this continuing medical education program is being made available by the LSU Department of Internal Medicine-Section of Gastroenterology and is for educational purposes only. The material is not intended to represent the only method or procedure appropriate for the medical situation discussed. This material is not intended, nor should be construed to, guarantee proficiency in the procedures demonstrated.

Disclosure: LSU SOMNO ensures balance, independence, objectivity, and scientific rigor in all of its sponsored educational activities. Faculty, planners or anyone in a position to control content are required to disclose to participants any financial relationships they may have had with commercial interests within the last 12 months, including in-kind donations. A commercial interest is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by or used on patients. Disclosure of financial relationships must be made during the planning stages of the activity, and all relationships thus disclosed are communicated to the audience prior to the activity.
LSU ERCP & Therapeutic Endoscopy Conference
A CME COURSE

Sunday, March 8, 2015 • 7:30 am - 3:00 pm
LSU Lions Clinic Building
2050 Gravier Street, New Orleans, LA 70112

Prior to the LSU ERCP & Therapeutic Endoscopy Conference, attend the 2015 ACG/LGS Regional Postgraduate Course • March 6-7, 2015
For more information, see the enclosed brochure or visit www.gi.org/education-and-meetings/regional-meetings
LSU ERCP & Therapeutic Endoscopy Conference
A CME COURSE

Sunday, March 8, 2015 • 7:30 am - 3:00 pm
LSU Lions Clinic Building
2020 Gravier Street, New Orleans, LA 70112

AGENDA

7:30 am Registration and Continental Breakfast
7:55 am Welcome and Opening Remarks
   Daniel L. Raines, MD, FACP
   Stephen W. Landreneau, MD
8:00 am Therapeutic Interventions for Chronic Pancreatitis
   Andres Gelrud, MD, MMSc
8:30 am New Standards for ERCP
   TBD
9:00 am Preventing Post-ERCP Pancreatits
   Sanjay K. Sikka, MD
9:30 am Break / Visit Exhibits
10:00 am Indeterminate Biliary Strictures: A Diagnostic Dilemma
   Peter V. Draganov, MD, FACP
10:30 am Minimizing Radiation Exposure
   Gregory Espenan, MS, DABR
11:00 am Interventional Radiology as a Complement to ERCP
   James G. Caridi, MD, FSIR
11:30 am Lunch
12:00 pm Applications of RFA for Mucosal Disease
   Michael S. Smith, MD, MBA
12:30 pm Endoscopic Therapy for GERD
   Mark D. Noar, MD, MPH

1:00 pm Break / Visit Exhibits
1:30 pm Hands-on Stations featuring the following procedures:
   Biliary and Pancreatic Stenting
   Cannulation Techniques
   Cholangioscopy
   Enteral Stenting
   Hemostasis
   RFA Ablation for Mucosal Disease
   RFA Therapy for GERD

   With faculty instruction by:
   Peter V. Draganov, MD, FACP
   Andres Gelrud, MD, MMSc
   John Hutchings, MD
   Thomas Judd, MD
   Stephen W. Landreneau, MD
   Mark D. Noar, MD, MPH
   Daniel L. Raines, MD, FACP
   Gary Reiss, MD
   Sanjay K. Sikka, MD
   Michael S. Smith, MD, MBA

3:00 pm Course Adjourns
