

## Neuroscience Center 2016-SUN Program Schedule

**Monday/Tuesday May 23<sup>rd</sup>/24<sup>th</sup>:**

Louisiana Biomedical Research Network (LBRN) orientation at LSU Baton Rouge

**Wednesday, May 25<sup>th</sup>:**

Summer Undergraduate Neuroscience (SUN) Program begins (SUN and LBRN students first day at NCE)

**Monday, May 30<sup>th</sup>:**

animal care training with Dr. Leslie Birke- 1:00pm, at the LSUHSC Division of Animal Care Conference room 204, Clinical Science Research Bldg. (CSRB)

**Tuesday, May 31<sup>st</sup>:**

Safety/Ethics training 1:00 pm -2:30pm, Medical Education Building (MEB) Seminar Room A, 1<sup>st</sup> floor

**Wednesday, June 1<sup>st</sup>:**

Summer Research Program (Genetics) students begin research in the NCE

**Beginning on June 2<sup>nd</sup>, every other Thursday at noon:**

Pizza lunch with Neuroscience Faculty

**June 3<sup>rd</sup>:**

Summer Science Program (SSP) -pick up student 2:00pm-3:00pm MEB Room 4

**Monday, June 6<sup>th</sup>:**

SSP first full day in NCE lab

**Monday, June 13<sup>th</sup>:**

Students will submit to Dr. Bazan a description of their summer project. This should be in layman's terms and no more than two sentences

**Tuesday, June 28<sup>th</sup>:**

Summer Science Program (4 week HS program) last day in labs

**Thursday, June 30<sup>th</sup>:**

SSP presentations MEB 9am-1pm

**Monday, July 4<sup>th</sup>:**

Holiday

**Thursday, July 21<sup>st</sup>:**

Summer Research Program (Genetics) students last day at the NCE

**Friday, July 22<sup>nd</sup>:**

Summer Research Program (Genetics) students-poster presentations

**Wednesday, July 27<sup>th</sup>:**

Summer Undergraduate Neuroscience Program Research Presentations

**Thursday, July 28<sup>th</sup>:**

LBRN students last day at the NCE

**Friday, July 29<sup>th</sup>:**

SUN Program last day/LBRN poster presentation at LSU in Baton Rouge

***Hours and mandatory meetings:***

**LBRN** students are expected to be here 5 days per week and a full day (vacations are not allowed). LBRN mandatory meetings are held every Tuesday from 9:00am-11:30am (LSUHSC Medical Education Building, 6th Floor, enter through room 6262).

The **SSP** (4 week HS program) students will be in the labs from 9:00am-4:30pm M-Th. and until noon on Fridays, as they have mandatory Friday sessions at 1:00-4:00pm, MEB lecture room A.

**Summer Research Program (Genetics)** seminars will be every Monday at 3:00-4:00pm in the CSRB 563, 5<sup>th</sup> floor or the MEB Room S4, 3<sup>rd</sup> floor

**Thursday pizza luncheons schedule with NCE faculty are every other Thursday. All students must attend.**

***June 2nd:***

**Nicolas G. Bazan, M.D., Ph.D.,**

Boyd Professor. Ernest C. and Yvette C. Villere Endowed Chair of Retinal Degenerations, Professor of Ophthalmology, Biochemistry and Molecular Biology, and Neurology, Director, Neuroscience Center of Excellence, Chair, Executive Research Council, Translational Research Initiative

***June 16th:***

**Xiao Ching Li, Ph.D.,**

Associate Professor, Neuroscience, Dept. of Cell Biology and Anatomy

***June 30th:***

**Haydee Bazan, Ph.D.,**

Professor, Ophthalmology, Biochemistry and Molecular Biology and Neuroscience

***July 14th:***

**Jennifer Lentz, Ph.D.,**

Research Assistant Professor of Otorhinolaryngology & Biocommunications,  
Adjunct Research Assistant Professor of Ophthalmology
