Student-purchased Notebook Computer Requirement for Fall 2019

READ CAREFULLY AND RETURN BEFORE JUNE 30, 2019

Students in the Class of 2023 must own a notebook computer as part of the equipment required for beginning classes in Fall 2019. As the curriculum of the School of Medicine (SOM) advances into the future, our technology requirements continue to grow. Computer-based learning materials and exams are now part of the curriculum. To ensure standardized testing conditions and computer support, ALL STUDENTS must purchase the specified model through the SOM.

The SOM is currently evaluating the notebook computer model for Fall 2019. The chosen model will meet or exceed the specifications outlined below and will cost approximately $1300 including hardware, software, 3 yr warranty, 3 yr damage replacement, shipping and taxes.

**Approximate Specifications**: Ultrabook, 5th Generation Intel® Core™ i5-6300U (2.3 GHz, 3 MB cache, dual core, 2.9 GHz with Intel Turbo Boost Technology), integrated graphics, 8 GB SDRAM, 256 GB SSD HD, 14.0" HD LED, HD webcam, integrated audio, integrated Gigabit Ethernet adapter, integrated 802.11a/b/g/n/ac (2x2) wireless adapter, Bluetooth, 45 Whr battery, AC Adapter, Win 10 64-bit OS, MS Office 2016 Pro, antivirus software, 3 Yr onsite warranty, 3 Yr accident protection plan, notebook sleeve, Ethernet patch cable.

Orders are placed for all students in early June 2019. The computers are delivered to the SOM, configured with software, and distributed to students at orientation. The cost of the computer is added to the student’s Fall 2019 fee bill and is eligible for financial aid.
