Arthritis Management for Primary Care Workshop
Saturday, March 17, 2012 • 8:00 AM – 3:00 PM
LSU School of Medicine, 2020 Gravier Street – 6th Floor
Presented by the LSU Department of Orthopaedics
Vinod Dasa, M.D., Course Director

A one-day course for primary care physicians and medical professionals exploring current non-operative treatments for arthritis.

Optional hands-on workshop on physical examination techniques and applying new knowledge of treatment options, including injections.

Upon completion of this activity, participants should be better able to:

- Properly and effectively administer injections to patients when indicated.
- Recognize the criteria for and expand treatments given by primary care specialists.
- Perform accurate physical examinations and diagnostic tests according to current practice guidelines.

To register for this CME activity, please contact the LSU Department of Orthopaedics or complete and return this form (all fields required):
