

CURRICULUM VITAE

NAME: ANNA MARIA POU, M.D.

**PRESENT POSITION
AND ADDRESS:**

Associate Professor
Department of Otolaryngology-Head and Neck Surgery
Louisiana State University Health Sciences Center
New Orleans, Louisiana 70112
Telephone: 504-568-4785

EDUCATION:

7/1996-6/1997 Fellowship in Head and Neck Surgery, Methodist Hospital of
Indiana, Indianapolis, Indiana

7/1992-6/1996 Resident, Department of Otolaryngology, University of Pittsburgh
School of Medicine, Pittsburgh, Pennsylvania.

6/1990-6/1992 Resident, Department of General Surgery, University of
Tennessee, Memphis, Tennessee

9/1986-5/1990 M.D. Louisiana State University School of Medicine,
New Orleans, Louisiana

9/1974-12/1978 B.S., Louisiana State University, Baton Rouge, Louisiana

PROFESSIONAL AND TEACHING EXPERIENCE

10/2006- present	Director, Medical Student Education
4/2006-present	Director, Resident Education
9/2004-present	Associate Professor, Department of Otolaryngology-Head and Neck Surgery, Louisiana State University Health Sciences Center – New Orleans, LA
9/2003–8/2004	Associate Professor, Department of Otolaryngology, University of Texas Medical Branch – Galveston, TX
7/1997–8/2003	Assistant Professor, Department of Otolaryngology, University of Texas Medical Branch – Galveston, TX
7/1998–6/1999	Co-Director, Fellowship in Advanced Head and Neck Oncologic Surgery Department of Otolaryngology, University of Texas Medical Branch Galveston
6/1999– 8/2004	Director, Division of Head and Neck Surgery Department of Otolaryngology, University of Texas Medical Branch – Galveston

EDITORIAL RESPONSIBILITIES

Section Editor, Head & Neck Section of Head and Neck Surgery – Otolaryngology by Bailey

Member, Editorial Board for the American Journal of Otolaryngology

Member, Editorial Board for the Laryngoscope

Reviewer Otolaryngology Head and Neck Surgery

Ad hoc reviewer of other peer-reviewed journals

COMMITTEE RESPONSIBILITIES

A. NATIONAL

1. Southwest Oncology Group 1999 - present
2. Monograph Committee – AAO-HNS 1998 - present
3. Task Force on New Materials – AAO-HNS 2000 - 2003

4. Endocrine Surgery Committee – AAO-HNS 2001 - present
5. Endocrine Surgery Study Group – AAO-HNS 2002 - present
6. Home Study Course -- AAO-HNS 2003 - present
7. American Head & Neck Society – Prevention Committee 2003 - present
8. Society of University Otolaryngologist—Continuing Medical Education 2004-present
9. American Head & Neck Society—Education Committee 2004- present

B. UTMB

1. Quality of Care Committee (QCC) 1997 – April 2004
2. QCC Executive Committee 1998 – April 2004
3. Operative and Other Procedures Committee 1997 - 1999
4. Institutional Review Board 1999 - 2002
5. Cancer Teaching Curriculum Enhancement in Undergraduate Medicine Project (CATCHUM) 2000 - present
6. Cancer Committee June 1999 - August 2004
Cancer Committee Chair August 2001 - September 2002
7. Mammography Case Manager Liaison August 2001 - July 2004
8. Academic Progress Committee September 2003 - July 2004
9. Faculty Senate September 2003 - July 2004
10. Core Committee on the Advancement of Women Faculty and Administrators
September 2003-July 2004.

C. LSU

1. Cancer Committee 2004- present
2. Stanley Scott Cancer Center

C. UTMB DEPARTMENTAL

1. Quality Assurance Management (QA) 1997 – April 2004
2. JCAHO Task Force 1998 - August 2004
3. Clinical Process Improvement Team (CPI) 1998
4. Morbidity and Mortality Conference (M&M) 1997 – April 2004
5. Director Surgical Skills Training Lab 1999 - 2003
6. Director Molecular Biology Laboratory Department of Otolaryngology 1999 - 2003
7. Head and Neck Tumor Board 2000 - 2004

TEACHING RESPONSIBILITIES AT UTMB:

MEDICAL SCHOOL

A. MEDICAL STUDENTS TEACHING

Junior Lectures in Otolaryngology 1997 – 2003

Introduction to Clinical Medicine, Lecturer and Practicum Leader 1997

Preceptor/Mentor: Lower and Upper level Medical Students 1997 – Present

Cancer Teaching Curriculum Enhancement in Undergraduate Medicine Project (CATCHUM 2000 – Present)

INSTRUCTION COURSES

1. Co-Course Director for Tracheoesophageal Puncture: Voice Restoration After Total Laryngectomy. University of Texas Medical Branch, Galveston, TX. April 17, 1998.
2. Course Director for The 29th Annual Otolaryngology Conference University Texas Medical Branch, Galveston, TX. June 1998.

3. Co-Course Director for The 30th Annual Otolaryngology Conference University Texas Medical Branch, Galveston, TX. June 1999.
4. "Clinical Photography" Instructional Course, American Academy of Otolaryngology- Head and Neck Surgery, New Orleans, LA. September 1999.
5. "Clinical Photography" Instructional Course, American Academy of Otolaryngology- Head and Neck Surgery, Washington, DC. September 2000.
6. "Tobacco Cessation". Instructional Course, American Academy of Otolaryngology- Head and Neck Surgery, Washington, DC. September 2000.
7. "Clinical Photography" Instructional Course, American Academy of Otolaryngology- Head and Neck Surgery, Denver, CO. September 2001.
8. "Office Techniques in Tobacco Cessation". Instructional Course, American Academy of Otolaryngology- Head and Neck Surgery, Denver, CO. September 2001.
9. "Evaluation of the N0 Neck in Head and Neck Cancer". Instructional Course, American Academy of Otolaryngology-Head and Neck Surgery, Denver, CO. September, 2001.
10. "Clinical Photography" Instructional Course, American Academy of Otolaryngology- Head and Neck Surgery, San Diego, CA. September 2002.
11. "Office Techniques in Tobacco Cessation". Instructional Course, American Academy of Otolaryngology- Head and Neck Surgery, San Diego, CA. September 2002.
12. "Clinical Photography" Instructional Course, American Academy of Otolaryngology- Head and Neck Surgery, Orlando, FL. September 2003.
13. "Clinical Photography" Instructional Course, American Academy of Otolaryngology- Head and Neck Surgery, New York City, NY. September 2004

MEMBERSHIP IN SCIENTIFIC SOCIETIES

American Academy of Otolaryngology Head and Neck Surgery

Texas Medical Association 1997-2004

Galveston Medical Society 1997-2004

American Medical Association

South West Oncology Group

Society of University Otolaryngologists

American Head and Neck Society

American College of Surgeons

Louisiana State Medical Society

Orleans Parish Medical Society

BOARD CERTIFICATION

American Board of Otolaryngology - April 28, 1997

HONORS

Alpha Omega Alpha - 1989

Eye, Ear, Nose, and Throat Hospital Award, Louisiana State University – 1990

American Academy of Otolaryngology-Head and Neck Surgery Honor Award -- 2004

B. PRESENTATIONS

1. The efficacy of tympanic electrocochleography (ECOG) in the diagnosis of endolymphatic hydrops. Pennsylvania Academy of Otolaryngology - Head and Neck Surgery Annual Meeting, Hershey Pennsylvania, June 18, 1994.
2. Adult respiratory papillomatosis: Human papilloma virus (HPV) type and viral coinfections as predictors of prognosis. Southwestern Pennsylvania Chapter of American College of Surgeons, November 1994.
3. The efficacy of tympanic electrocochleography (ECOG) in the diagnosis of endolymphatic hydrops. American Neurotology Society Annual Meeting, Palm Desert, California, April 30, 1995.
4. Adult respiratory papillomatosis: Human papilloma virus (HPV) type and viral coinfections as predictors of prognosis. American Laryngologic Association Annual Meeting, Palm Desert, California, April 30, 1995.

5. Laryngeal framework surgery for the treatment of aspiration. Second International Symposium on Laryngeal and Tracheal Reconstruction, Monte Carlo, Monaco, May 22-26, 1996.
6. Repair of laryngeal fractures using metal alloy plates. Second International Symposium on Laryngeal and Tracheal Reconstruction, Monte Carlo, Monaco, May 22-26, 1996.
7. Laryngeal framework surgery for the treatment of vocal cord paralysis secondary to high vagal lesions. International Skull Base Congress and the Seventh Annual Meeting of the North American Skull Base Society, San Diego, CA, June 29 - July 4, 1996.
8. Conservation Laryngeal Surgery Grand Rounds presented at U.T. Houston Department of Otolaryngology December 4, 1997.
9. Laryngeal framework surgery for the management of aspiration in high vagal lesions. Masters in Otolaryngology, Snowmass, CO, March 7 - March 14, 1998.
10. Treatment of laryngeal fractures using rigid fixation. Presented at the 29th Annual Otolaryngology Conference Continuing Medical Education Course Galveston, TX. June 11, 1998.
11. Recurrent respiratory papillomatosis. Presented at the 29th Annual Otolaryngology Conference Continuing Medical Education Course Galveston, TX. June 12, 1998.
12. Reconstructive options following total laryngopharyngectomy. Presented at the 29th Annual Otolaryngology Conference Continuing Medical Education Course Galveston, TX. June 13, 1998.
13. New pharmacological approaches to tobacco cessation. AHNS Prevention Committee: Prevention & Early Recognition of Head and Neck Cancer. Presented at the 102nd Annual American Academy of Otolaryngology - Head and Neck Surgery, San Antonio, TX. September 14, 1998.
14. Pharmacologic approaches to tobacco cessation. Presented at Mainland Regional Medical Center. Texas City, TX. January 12, 1999.
15. The prevalence of herpes simplex virus in malignant laryngeal lesions. Presented at the 102nd Annual COSM Meeting Triological Society in Palm Desert, CA. April 27, 1999.
16. Diagnosis of rhinosinusitis and pre-operative counseling of the FESS. Presented at the 30th Annual Otolaryngology Conference Continuing Medical Education Course Galveston, TX. June 11, 1999.

17. Laryngeal framework surgery for the treatment of aspiration. Presented at Mainland Regional Medical Center. Texas City, TX. July 13, 1999.
18. Pharmacologic approaches to tobacco cessation. Presented at St. Elizabeth's Hospital. Beaumont, TX. October 19, 1999.
19. Panel: Cancer of the Oropharynx. Reconstruction of the oropharynx. Presented at the 5th International Head and Neck Cancer Conference. San Francisco, CA. August 1, 2000.
20. The role of topical antibiotic prophylaxis in patients undergoing contaminated head and neck surgery with flap reconstruction. Presented at the Eastern Section of the Triological Society in Ontario, Canada. January 26-28, 2001.
21. Evaluation and surgical treatment of hyperparathyroidism. Presented at High Altitude/Masters in Otolaryngology in Park City, Utah. March 12-16, 2001.
22. ENT assessment. Presented at the UTMB Correctional Managed Care Spring Conference. Houston, TX. May 22, 2001.
23. Management of glottic laryngeal cancer. Grand Rounds U.T. Houston Department of Otolaryngology, August 2, 2001.
24. Clinical photography. Presented at High Altitude/Masters in Otolaryngology in Park City, Utah. March 10-15, 2002.
25. Evaluation of the N0 Neck. Presented at Texas Society of Ophthalmology and Otolaryngology in Galveston, Texas. March 21-23, 2002.
26. Introduction to clinical photography. Presented at U.T. Southwest Dallas, Texas. April 4-7, 2002.
27. Tracheal resection with primary anastomosis in cadavers: The effects of releasing maneuvers and length of tracheal resection on tension. Presented at the American Broncho-Esophagological Association Spring Meeting at the Combined Otolaryngological Spring Meeting. Boca Raton, Florida. May 10-14, 2002.
28. Rehabilitation of the larynx using vocal cord medialization. Presented at Grand Rounds Department of Head and Neck Surgery at MD Anderson Hospital and Cancer Center Houston, Texas December 18, 2002.
29. Treatment of glottic cancer. Presented Grand Rounds Department of Medical Oncology University of Texas Medical Branch Galveston, Texas January 8, 2003.

30. Rehabilitation of the larynx using vocal cord medialization. Presented at Grand Rounds, Department of Otolaryngology at the University of North Carolina, Chapel Hill, NC January 16, 2003.
31. Reconstruction of the oropharynx. Presented at Grand Rounds, Department of Otolaryngology at the University of Mississippi, Jackson, MS. February, 2003.
32. Molecular characterization of mutations in patients with benign and aggressive recurrent respiratory papillomatosis (RRP): a preliminary study. Presented at the American Laryngological Association Annual Meeting at the Combined Otolaryngological Spring Meeting. Nashville, TN. May 2-3, 2003.
33. Laryngeal trauma in the athlete. Presented at the 21st Annual Conference on Innovations in Sports Medicine. Galveston, TX. July 11-12, 2003.
34. The Child-free couple in medicine. Miniseminar: Your Family and the Context of Medicine. Presented at the 107th Annual American Academy of Otolaryngology-Head and Neck Surgery, Orlando, FL. September 22, 2003.
35. Rehabilitation of the larynx using vocal cord medialization. Presented at Grand Rounds Department of Otolaryngology, Medical College of Georgia, Augusta, GA. November 2003.
36. Rehabilitation of the larynx using vocal cord medialization. Presented at Grand Rounds Department of Otolaryngology, Louisiana State University Health Science Center, Shreveport, LA. January 2004.
37. Reconstruction of the pharynx. Presented at Grand Rounds Department of Otolaryngology, University of California Davis, Sacramento, CA. February 2004.
38. Reconstruction of the pharynx. Presented at Grand Rounds Department of Otolaryngology, Louisiana State University Medical School, New Orleans, LA. March 2004.
39. Reconstruction of the pharynx. Presented at Grand Rounds Department of Otolaryngology, Louisiana State University Health Science Center, Shreveport, LA. March 2004.
40. Oral Cancer Screening. 28th Annual Congress and Nursing Symposium. New York, NY. September 17-21, 2004.
41. Management of the neck in squamous cell carcinoma of the upper aerodigestive tract: update and controversies. Presented at the Greater New Orleans Society for Otolaryngology-Head and Neck Surgery. New Orleans, LA. October 7, 2004.
42. Teaching Professionalism. Society of University Otolaryngologist. Las Vegas Nevada. November 20, 2004.

43. Challenges in the management of the thyroid mass. Presented at the Baton Rouge Society for Otolaryngologist. Baton Rouge, LA. December, 2004.
44. Surgical morbidity in the treatment and reconstruction of patients with head and neck cancer. Presented at a CME course for physical therapists, occupational therapist and speech and language pathologists. Louisiana State University Health Sciences Center at New Orleans, School of Allied Health. February 3, 2005.
45. Treatment of vocal cord paralysis using medialization laryngoplasty. High Altitude/Masters in Otolaryngology – University of Pittsburgh, Whistler, British Columbia, Canada. February 26-March 2, 2005.
46. Strategies for curing tobacco addiction. . High Altitude/Masters in Otolaryngology – University of Pittsburgh, Whistler, British Columbia, Canada. February 26-March 2, 2005.
47. Avoiding marginal mandibular nerve injury. The George C. and Robert A. Schein Memorial Otolaryngology Alumni Day at the University of Pittsburgh School of Medicine/ENT Refresher Course March 18-20, 2005.
48. Panel: Evaluation and Management of Metastatic Disease. The George C. and Robert A. Schein Memorial Otolaryngology Alumni Day at the University of Pittsburgh School of Medicine/ENT Refresher Course March 18-20, 2005.
49. Evaluation and challenges in the management of the thyroid mass. Presented at Grand Rounds, Department of Obstetrics and Gynecology, Louisiana State University Health Sciences Center at New Orleans. March 28, 2005.
50. Reconstruction and rehabilitation of head and neck cancer patients. Presented to the Speech Pathology students, Louisiana State University Health Sciences Center at New Orleans, School of Allied Health. April 11, 2005.
51. Management of the neck in patients with squamous cell carcinoma of the upper aerodigestive tract. Presented at Oncology Grand Rounds, Department of Medicine, Louisiana State University Health Sciences Center at New Orleans, April 20, 2005.
52. Thyroid nodules: an overview. Presented at a monthly Public Service Seminar sponsored by Tenet . May 5, 2005.
53. Tracheo-esophageal voice restoration: Primary and secondary techniques. Presented to Speech Pathology students, Louisiana State University Health Sciences Center at New Orleans. July 29, 2005.

54. Reconstruction and rehabilitation of head and neck cancer patients. Presented to Speech Pathology students, Louisiana State University Health Sciences Center, Baton Rouge, LA, School of Allied Health. March, 2006.
55. Laryngopharyngeal reflux disease: An otolaryngologic perspective. The George C. and Robert A. Schein Memorial Otolaryngology Alumni Day at the University of Pittsburgh School of Medicine/ENT Refresher Course March 31, 2006.

C. POSTER PRESENTATIONS

1. **Pou AM**, Carrau RL, Eibling DE. Laryngeal framework surgery for the management of aspiration in high vagal lesions. Fourth International Conference on Head and Neck Cancer, Toronto, Canada, July 28 - August 2, 1996.
2. Lapco PE, **Pou AM**, Johnson CS, Barnes EL. Estrogen and progesterone expression in human laryngeal papillomatosis. Association for Research in Otolaryngology, Midwinter Meeting, Orlando, Florida, February 2-6, 1997.
3. Lele SM, **Pou AM**, Ventura K, Gatalica Z, Payne D. Molecular events in the progression of recurrent respiratory papillomatosis to carcinoma (Abstract) Presented at the Annual Meeting of the Texas Society of Pathologists, Houston, Texas, February 11-12, 2000.
4. **Pou AM**, Vrabec JT. Inverting papilloma of the temporal bone Presented at the Southern Section Triologic Meeting, Marco Island, Florida January 11-13, 2001.
5. Briggs RD, **Pou AM**, Schnadig VJ. Cystic metastasis with cutaneous involvement from a tonsillar primary mimicking a branchial cleft carcinoma. Presented at the Southern Section Triologic Meeting, Captiva Island, Florida January 10-13, 2002.
6. Rosen FS, **Pou AM**, Quinn FB. Obstructive supraglottic schwannoma: a case report and review of the literature. Presented at the Southern Section Triologic Meeting, Captiva Island, Florida. January 10-13, 2002.
7. Underbrink MP, Hoskins SL, Bodola F, Albrecht T, **Pou AM**. Real-Time quantitative RT-PCR for detection of the HPV 16 – e6 and e7 genes. Presented at the American Academy of Otolaryngology Head and Neck Surgery Annual Meeting, Orlando, FL. September 19-23, 2003.
8. Cunningham S, **Pou AM**, Albrecht T. Genetic analysis of laryngeal squamous cell carcinoma: comparison of tumors with histologically negative margins. Presented at the 6th International Head and Neck Conference, New York, NY. September 19-22, 2004.

9. Sanguineti G, **Pou AM**, Sosa M, Adeboyega P. Planned neck dissection for N2-N3 disease: Who actually proceeds to surgery? Presented at The 3rd International Chicago Symposium on Malignancies of the Chest and Head and Neck, Chicago, IL. October 7-9, 2004.
10. Higgins K, Gilbert J, Mudad R, Friedlander P, Fazekas-May M, **Pou A**, Wisdom G, Hanner S, Zakris E, Nedzi L. Variables associated with missed days of radiation in patients undergoing curative therapy for squamous cell carcinoma of the head and neck. Presented at the Annual Meeting of the American Society for Therapeutic Radiology and Oncology, Denver, Colorado. October, 2005.
11. Higgins K, Gilbert J, Mudad R, Friedlander P, Fazekas-May M, **Pou A**, Wisdom G, Hanner S, Zakris E, Nedzi L. Socioeconomic study of mortality in patients undergoing curative therapy for squamous cell carcinoma of the head and neck. Presented at the Federation of European Cancer Societies 13th Conference. Paris, France. November, 2005.

C. CONFERENCE PROCEEDINGS

1. **Pou A**, Carrau RL, Eibling DE. Laryngeal framework surgery for the management for aspiration in high vagal lesions. Fourth International

Conference on Head and Neck Cancer, Toronto, Canada, July 26- August 2, 1996.

2. **Pou A.** Reconstruction of the Oropharynx. Fifth International Conference on Head Neck Cancer. San Francisco, California July 29 – August 2, 2000.

D. ABSTRACTS

1. **Pou A,** Carrau RL, Eibling DE. Repair of laryngeal fractures using metal alloy plates. Second International Symposium on Laryngeal and Tracheal Reconstruction. Program p. 51. 1996.
2. Nokta M, Li XD, Nichols J, Mallen M, Asmuth DM, **Pou AM,** Pollard RB. Homeostasis of naïve and memory T cell subpopulations in peripheral blood and lymph nodes: Relationship to HIV plasma and cellular viral burden. 3rd International Workshop on HIV Drug Resistance & Treatment Strategies, 23 – 26 June 1999, San Diego, CA, USA. Abstract 133.
3. Nokta MA, Li XD, Asmuth DM, Nichols J, Mallen M, **Pou A,** Pollard RB. Differential expression of phenotypic markers of immune activation: Relationship of HIV plasma and cellular viral load in peripheral blood and lymph node of HIV-infected individuals. Abstracts of the Interscience Conference of Antimicrobial Agents and Chemotherapy, San Francisco, CA, September 1999; Abstract No. 688.
4. Nokta MA, Li XD, Nichols J, Mallen M. **Pou A,** Asmuth D, Pollard RB. Coreceptor/CD4 ratios correlate with HIV plasma and cellular viral load in lymph nodes and peripheral blood of HIV infected individuals. Abstracts of the 7th Conference on Retroviruses and Opportunistic Infections, San Francisco, CA. January 2000; Abstract No. 841.
5. Nokta MA, Li XD, McVey Z, Al-Harth L, **Pou A,** Nichols J, Asmuth D, Landay A, Pollard RB. Sequestration of recent thymic emigrants and naïve CD4 T cells in lymphoid tissue from HIV infected patients: Association with HIV cellular viral load. Abstracts of the 40th Interscience Conference of Antimicrobial Agents and Chemotherapy, Toronto, Ontario, Canada. September 2000; Abstract No 572
6. Lele SM, **Pou A,** Ventura K, Gatalica Z, Payne D. Molecular events in the progression of recurrent respiratory papillomatosis to carcinoma. For presentation at the United States and Canadian Academy of Pathology Meeting in Atlanta, March 3-9, 2001.
7. Daigle J, Matherne R, Anderson L, Fazekias M, Friedlander P, **Pou A.** Swallowing post planned neck dissection in head and neck. Triologic Meeting Florida January, 2006.

8. Ostendorf RE, **Pou AM**, McWhorter A. Laryngeal Mucosal Neuromas Causing Dysphonia in a Patient With Multiple Endocrine Neoplasia IIB Syndrome. Southern Section Triologic Meeting, Naples, Fl. January 12- 14, 2006.

E. MONOGRAPHS

1. **Pou AM**, Gadre A, Muller C. The use of botulinum toxin in otolaryngology: a practical guide. American Academy of Otolaryngology Head and Neck Surgery.
