LSU Pediatrics Tuesday Tidbits

Welcome to the Department of Pediatrics' weekly email blast designed to deliver important department information straight to your inbox.

[Visit our website](#)

LSU Pediatrics Announcements

Physician Business Planning Opportunity ([information](#))

2018 State of the Department of Pediatrics Presentation now available on the Department of Pediatrics website ([link](#))

The Faculty Assembly is soliciting nominations for the **2019 Faculty Assembly Awards**. These awards are given annually for specific contributions to the School of Medicine (SOM) of the LSUHSC-NO. Nominations will be accepted from all SOM faculty members. The deadline to submit a nomination is March 1st. ([information](#)) ([nomination form](#))

Dean DiCarlo Academic Advancement Workshop at CHNOLA- Thursday March 21, 4:30 PM – Children's Hospital 2 Center Conference Room ([memo](#))

Please welcome our new round of medical students ([composite](#))! Please be mindful of the upcoming medical student evaluation [deadlines](#).

The Colombian Pediatric Endocrine Association will honor Alfonso Vargas, MD at their annual meeting in March ([information](#))

Congratulations to Program Director Ken Paris and the Allergy/Immunology Division for receiving "continued accreditation" status from the ACGME. The program's Review Committee again commended the program for its demonstrated substantial compliance with the ACGME's Program Requirements and/or Institutional Requirements without any new citations.

Louisiana Hospital Association Physician Leadership Academy ([nominations](#))

PAS 2019 meeting registration is now open ([information](#))

SPIRIT Research Funding Opportunity ([information](#))

LSU Proof of Concept Fund: LIFT2 Round 10 ([information](#))

The CIPECP will host 5 showings of To Err is Human, a documentary that builds from a 1999 Institute of Medicine (IOM) report highlighting the over 44,000 deaths occurring in hospitals annually due to medical errors. ([registration](#))

Faculty Development - Thinking Like a Doctor

Faculty, please take a look at this [video](#) (11 minutes) which describes the RIME scheme of medical student evaluation (Reporter, Interpreter, Manager, and Educator). This terminology not only helps in giving feedback to students and residents, but also helps in writing good evaluations for our learners and grading our H&Ps, presentations and notes.

For questions or comments regarding Faculty Development, please contact [Amy Prudhomme](#), [Jessica Patrick-Esteve](#) or [Amy Creel](#). ([video](#))

LSU Department of Pediatrics Presenters at SSPR - What a Great Night!

Neonatology fellow Maya Heath was honored at the SSPR with a Trainee Travel Award for her research presentation on Intestinal Alkaline Phosphatase as a Biomarker for Necrotizing Enterocolitis.

The group photo above illustrates how well-represented the department was at SSPR. Dr. Luke Wall also represented the department as SSPR Council Member, abstract reviewer, and mentor for the poster session.

Click [here](#) to see more pictures from SSPR.

CHNOLA Announcements

CHNOLA parking update ([information](#))

Latest issue of Small Talk ([link](#))

New Orleans CityBusiness Healthcare "Ones to Watch" ([information](#))

A Message from CEO John Nickens ([information](#))

CHNOLA is offering Provider Optimization Labs to help people with either personalization or learning efficiencies. A trainer will be available in the Medical Staff lounge 11am-2pm on the following days:

- March 18

The labs are drop in. The trainer will also be available to come round or assist in the main campus clinics before/after these times if arranged ahead of time. Please let me know if you would like the trainer to visit your clinic at main campus.

Tip Sheet on changes to Epic's Outpatient Lab Orders ([tips](#))

Tip Sheet on changes to Lactic Acid Lab Orders ([tips](#))

EPIC upgrade coming in July. Be on the lookout for more information as we get closer!
