Faculty Development - What is Difficult About Feedback?

This [video](#) from the University of Michigan directly address things that make Giving Feedback Difficult - time, feeling it's subjective, worries about rapport, negative reviews from learners - and provides some concrete ways to overcome these barriers.

Faculty vs. Resident Quiz Bowl and Chief Appreciation Party

The department gathered last Thursday for the Annual Faculty vs. Resident Quiz Bowl. Shubho Sarkar hosted the event which saw Residents coming away with the win after a competitive match-up.

The event also honored outgoing Chief Residents, Rachel Herdes and Leah Nuss, who have been integral in program leadership over the last year and will be missed! We wish them well as they move on to fellowships starting July 1. Dr. Herdes will join the Pediatric GI fellowship at Stanford while Dr. Nuss will become a Pediatric Pulmonary fellow at Seattle Children's. Best of luck to two wonderful physicians!
