In Remembrance of Dr. Paul Hyman

Please see this [brief remembrance](#) published by Paul's family.

SSPR Goes Virtual in 2021

The Council for the Southern Regional Meeting announced yesterday that the 2021 conference will be virtual. The group is confident that they will develop creative and valuable programming for February 2021. There will be abstract

presentations and trainee awards to recognize students, residents, fellows, and junior faculty. Stay tuned and be on the lookout for a Call for Abstracts. The abstract submission site will open in mid-August.

SRM Abstract Submission Deadline - October 9 at 11:00pm CST

Important Notice: P-Card Restrictions on AAP Purchases

Recently, changes to the American Academy of Pediatrics on-line purchase process will limit the use of the LSU Department of Pediatrics credit card (P-Card) to American Academy of Pediatrics membership renewals only.

Since LSU is a State Agency, it does not pay State sales taxes on purchases. Thus, the LSU P-Card can't pay sales taxes. The AAP is now processing state sales taxes on all purchases except membership dues renewals. Therefore, all other AAP purchases of faculty members (books, subscriptions, etc) must be purchased directly by the individual faculty member. Then, receipts can be submitted for reimbursement of the expenses.

AAP membership renewals can continue via the P-Card at this point.

This policy is in effect regardless of what State account (LSU or LSU Foundation) is used to reimburse faculty members for expenses.

For those interested in details, see the [P-Card policy](#) (III Policy Guidelines – D. Sales Tax Exemption) regarding taxes.

Use of Non-LSUHSC Email

Please note that use of non-LSUHSC e-mail addresses to conduct official LSUHSC business is **n o t** permissible unless authorized by the Chancellor. Review CM-42 Information Technology (IT) Infrastructure [here](#), see highlighted section on page 6.

Several Avenues of Stats Support, Education and Consultation

Dr. Stuart Chalew has put a helpful list of statistical support resources together for the department:

1. Online free modular basic medical stats course through LSU CITI program free to all LSUHSC students, residents, fellows faculty. Register with your LSU CITI user ID and password. Can work through modules at your own pace.
2. Formal Stats course through LSU - contact Dr. Donald Mercante for info and times.
3. Louisiana Clinical and Translational Science Center (LACATS) supports early statistical consultation for LSU and Children's - <https://www.lacats.org> Need to register/apply through SPARC website through link on <https://www.lacats.org/>. Brian Melancon 225-763-2980 can help with navigating SPARC. Usually LSU applicants get assigned to an LSU stats faculty through LACATS.

Dr. Chalew can help with navigating LACATS issues for LSU DoP members and those seeking support from LACATS for projects at Children's Hospital.

FACULTY DEVELOPMENT

New video monthly

August Video: *One Minute Preceptor*

Efficient teaching during our day to day clinical work **IS** possible. This short video demonstrates and breaks down the One Minute Preceptor technique for concise clinical teaching. Whether you're new to teaching or an old pro, adding more tools and techniques will help us all achieve excellence in our educational mission.
