Course Description: The elective will be open to all LSUHSC students. Spanish-speaking faculty members will be recruited to teach specific sessions. Lectures will be combined with mock interviews and exams among the students or with invited “patients”. Class limited to 15 students selected based on Spanish language proficiency.

Course Dates: Jan 8 – May 6, 2021

Location and Times of Class: ZOOM until further notice. Wednesdays from 4:00-5:30 pm

Required Text: None, handouts posted on Moodle.
